The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**RESOLUTION OF THE BOARD OF SUPERVISORS ACTING AS THE
LEGISLATIVE BODY FOR COMMUNITY FACILITIES DISTRICT NO. 6
(AGUA DULCE AREA) IMPROVEMENT AREA A
AUTHORIZING THE ISSUANCE OF SPECIAL TAX BONDS
(FIFTH DISTRICT -- 3-VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD, ACTING AS THE EX-OFFICIO
GOVERNING BODY OF THE COMMUNITY FACILITIES DISTRICT NO. 6
IMPROVEMENT AREA A:**

Adopt a Resolution of the Board of Supervisors of the County of Los Angeles acting as the Legislative Body of CFD No. 6 (Agua Dulce Area) Improvement Area A authorizing the issuance of Special Tax Bonds in an amount not to exceed \$4 million; approving and authorizing the execution of the Indenture, Bond Purchase Contract, Official Statement, Escrow Agreement, Continuing Disclosure Undertaking and other documents in connection with the sale; approving the distribution of a Preliminary Official Statement and authorizing the preparation of a Final Official Statement in connection with such Bond Issuance.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

We are requesting approval of various legal documents, which provide for a current refunding of \$3,875,000 in outstanding CFD No. 6 Improvement Area A (CFD 6A) Series 1993A bonds. Refunding this issue will result in lower debt service and annual savings to the taxpayers in the Improvement Area.

On October 24, 1991, your Board approved the formation of CFD No. 6 Improvement Area A in order to finance certain regional improvements to provide water service to the Improvement Area. Subsequently, a landowner election was held which approved the issuance of bonds to finance the improvements and the levying of a special tax to pay debt service on the bonds. The landowner election authorized a maximum of \$13,000,000 in bonded indebtedness and created a Rate and Method of Apportionment which established maximum special tax rates that would pay the cost of debt service on the maximum amount of authorized bonded debt.

The CFD 6A Series 1993A bonds were issued in January of 1993 in the principal amount of \$4,675,000. The proposed refunding of this bond issue will result in lower debt service and a lower special tax levy for residential property owners in the Improvement Area beginning in FY 2003-04.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal of Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions. And, it supports the Strategic Plan Goal of Fiscal Responsibility by utilizing public-private partnerships for the investment in and development of regional benefit public infrastructure in the County.

FISCAL IMPACT/ FINANCING

There is no direct fiscal impact on the County. The debt service on any existing or future bonds is derived solely from the special tax levied on properties within the Improvement Area.

Based on current market information, we anticipate a bond issue size of \$3,670,000 and an overall true interest cost of 5.77%. Based on these assumptions, the refunding of this issue would result in net present value savings of 15.0% to taxpayers in the Improvement Area. The proceeds of the refunding bonds will be escrowed and used to call the 1993A bonds, which are outstanding for the Improvement Area. We are requesting that your Board authorize a maximum bond size of \$4 million and a maximum interest rate of 6.5% to provide for any fluctuation in market conditions experienced at the time of the sale of bonds.

The Honorable Board of Supervisors
June 18, 2003
Page 3

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Series 2003A bonds are authorized pursuant to the provisions of the Mello-Roos Community Facilities Act of 1982, as amended (beginning with Section 53311 et seq. of the Government Code) commencing with Section 53580 of Chapter 3, Part 1 of Division 2, Title 5 of the Government Code, and pursuant to an Indenture.

Based on the County's Bond Sale Policies, the Treasurer is recommending a negotiated transaction because savings generated by the refunding of this financing are sensitive to market fluctuations and control of market timing is essential to a successful sale. Also, we are selling "story bonds" where debt repayment is based solely on the levy and collection of special taxes on property in the Improvement Area. We believe our recommendation is appropriate because of our need to time the market for the refunding bonds and to allow an underwriter sufficient time to market our story bonds.

Stone & Youngberg has been selected as underwriters for this transaction based on a mini-RFP to qualified firms in our Board approved pool of underwriters. In accordance with Board policy regarding consultants for Community Facilities Districts, we have selected, at no cost to the County, the firm of David Taussig & Associates as special tax consultant.

Following the issuance of the proposed bonds, the Improvement Area will have approximately \$8,000,000 in unused bond authorization. No additional bond issue utilizing this unused authorization has been scheduled or planned.

The Bonds may consist of one or more Series of varying denominations, dates, maturities, interest rates and other provisions as may be established pursuant hereto and to one or more Supplemental Indentures. The Bonds are designated generally as "Community Facilities District No. 6 (Agua Dulce Area) of the County of Los Angeles Improvement Area A Special Tax Refunding Bonds Series 2003A (Sierra Colony Ranch)" each Series thereof to bear such additional designation as may be necessary to distinguish such Series from every other Series of Bonds.

Section 2.02 Type and Nature of Bonds. The Bonds and interest thereon, together with any premium paid thereon upon redemption, are not obligations of the County, but are limited obligations of the District secured by and payable from an irrevocable first lien on the Net Taxes. Except with respect to the Special Taxes, neither the credit nor the taxing power of the District or the County is pledged for the payment of the Bonds or the interest thereon, and no Owner of the Bonds may compel the exercise of taxing power by the District or the County or the forfeiture of any of their property. The principal of and interest on the Bonds and premiums upon the redemption thereof, if any, are not a debt of the District, the County, the State of California or any of its political subdivisions within the meaning of any constitutional or statutory limitation or restriction. The Bonds are not a legal or equitable pledge, charge, lien, or encumbrance, upon any of the District's property, or upon any of its income, receipts, or revenues, except the amounts which are, under Section 2.01 of this Indenture and the Act, set aside for the payment of the Bonds and interest thereon and neither the members of the Legislative Body of the District nor any persons executing the Bonds are liable personally on the Bonds by reason of their issuance.

Interest on any Bond shall be paid by check or draft of the Paying Agent mailed by first class mail, postage prepaid, to the person whose name shall appear in the Bond Register as the Owner of such Bond as of the close of business on the Record Date at the address which appears on the Bond Register; provided, however, that in the case of an Owner of \$1,000,000 or more in aggregate principal amount of Bonds, upon written request of such Owner to the Paying Agent 20 days prior to any Interest Payment Date, such interest shall be paid on the Interest Payment Date in immediately available funds by wire

transfer. Interest with respect to each Bond shall be computed using a year of 360 days comprised of twelve 30-day months.

In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed have been authenticated and delivered by the Paying Agent (including new Bonds delivered pursuant to the provisions hereof with reference to the transfer and exchange of Bonds or to lost, stolen, destroyed or mutilated Bonds), such Bonds may, nevertheless, be authenticated and delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices.

The Bonds shall bear thereon a certificate of authentication and registration, in the form set forth in Exhibit A hereto, executed manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of authentication and registration shall be entitled to any right or benefit under this Indenture, and no Bond shall be valid or obligatory for any purpose until the Paying Agent shall have duly executed such certificate of authentication and registration.

Section 2.07 Registration of Exchange or Transfer. The registration of any Bond may, in accordance with its terms, be transferred upon the Bond Register by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Bond for cancellation at the Principal Office, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent and duly executed by the Bondowner or his or her duly authorized attorney. Bonds may be exchanged at the Principal Office for a like aggregate principal amount of Bonds of other authorized denominations of the same maturity and interest rate. The Paying Agent will not charge for any new Bond issued upon any exchange, but may require the Bondowner requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange. Whenever any Bond or Bonds shall be surrendered for registration of transfer or exchange, the Paying Agent shall authenticate and deliver a new Bond or Bonds of the same maturity, for a like aggregate principal amount; provided that the Paying Agent shall not be required to register transfers or make exchanges of (i) Bonds for a period of 15 days next preceding the date of any selection of the Bonds to be redeemed, or (ii) any Bonds chosen for redemption.

Section 2.08 Mutilated, Lost, Destroyed or Stolen Bonds. If any Bond shall become mutilated, the Paying Agent shall authenticate and deliver a new Bond of like tenor, date, maturity and amount in exchange and substitution for the Bond so mutilated, but only upon

surrender to the Paying Agent of the Bond so mutilated. Every mutilated Bond so surrendered to the Paying Agent shall be cancelled and delivered to or upon the order of the District. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence is satisfactory to the Paying Agent and, if an indemnity satisfactory to the Paying Agent shall be given, the Paying Agent shall authenticate and deliver a new Bond of like tenor and maturity, numbered and dated as the Paying Agent shall determine in lieu of and in substitution for the Bond so lost, destroyed or stolen. Any Bond issued under the provisions of this section in lieu of any Bond alleged to have been lost destroyed or stolen shall be equally and proportionately entitled to the benefits hereof with all other Bonds secured hereby. The Paying Agent shall not treat both the original Bond and any replacement Bond as being Outstanding for the purpose of determining the principal amount of Bonds which may be executed, authenticated and delivered hereunder or for the purpose of determining any percentage of Bonds Outstanding hereunder, but both the original and replacement Bond shall be treated as one and the same. Notwithstanding any other provision of this Section, in lieu of delivering a new Bond to replace a Bond which has been mutilated, lost, destroyed or stolen, and which has matured or has been called for redemption, the Paying Agent may make payment with respect to such Bond upon receipt of indemnity satisfactory to the Paying Agent.

Section 2.09 Temporary Bonds. Any Bonds issued under this Indenture may be initially issued in temporary form exchangeable for definitive bonds. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the District and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed and sealed by the District and authenticated by the Paying Agent in substantially the same manner as provided in Section 2.06 hereof. If the District issues temporary Bonds it will have executed and will furnish definitive Bonds without delay and thereupon the temporary Bonds may be surrendered for cancellation at the Principal Office of the Paying Agent and the District shall deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of the same interest rates and maturities. Until so exchanged, the temporary Bonds shall be entitled to the same benefits under this Indenture as definitive Bonds issued hereunder.

Section 2.10 Bond Register. The Paying Agent will keep or cause to be kept, at the Principal Office, sufficient books for the registration and transfer of the Bonds which shall at all times during reasonable business hours be open to inspection by the District, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Bond Register, Bonds as herein provided.

The District and the Paying Agent may treat the Owner of any Bond whose name appears on the Bond Register as the absolute Owner of such Bond for any and all purposes, and any notice to the contrary shall not affect the District and the Paying Agent. The District and the Paying Agent may rely on the address of the Bondowner as it appears in the Bond Register for any and all purposes. It shall be the duty of each Bondowner to give written notice to the Paying Agent of any change in such Bondowner's address so that the Bond Register may be revised accordingly.

Section 2.11 Unclaimed Money. All money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Bonds shall be held for the respective Owners of such Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Bonds for a period of three years after the date on which any payment or redemption with respect to such Bonds shall have become due and payable shall be transferred to the General Fund of the District; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of such Bonds, by first class mail, postage prepaid, and by a single publication in The Bond Buyer not less than 90 days prior to the date of such payment to the effect that said money has not been claimed and that after a date named therein any unclaimed balance of said money then remaining will be transferred to the General Fund of the District. Thereafter, the Owners of such Bonds shall look only to the General Fund of the District for payment and then only to the extent of the amount so received without any interest thereon.

Section 2.12 Nonpresentment of Bonds. Except as otherwise provided in Section 2.11 hereof, in the event any Bonds shall not be presented for payment when the principal thereof becomes due, if funds sufficient to pay such Bonds shall be held by the Paying Agent for the benefit of the Owners thereof, all liability of the District to the Owners thereof shall forthwith cease and be completely discharged and thereupon it shall be the duty of the Paying Agent to hold such funds (subject to Section 2.11 hereof), without liability for interest thereon, for the benefit of the Owners of such Bonds, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature with respect to such Bonds.

Section 2.13 Conditions for the Issuance of Additional Bonds. The District may at any time issue one or more Series of Bonds (in addition to the Bonds) payable from the proceeds of the Special Taxes as provided herein on a parity with all other Series of Bonds theretofore issued hereunder, but only subject to the following conditions, which are hereby made conditions precedent to the issuance of such Series of Bonds:

With respect to the Bonds registered in the Bond Register in the name of the Nominee, neither the District nor the Fiscal Agent shall have any responsibility or obligation to any broker dealers, banks and other financial institutions from time to time for which the Depository holds Bonds as securities depository or to any person on behalf of which such a Participant holds an interest in the Bonds. No person other than an Owner of a Bond, as shown in the Bond Register, shall receive a Bond evidencing the obligation of the District to make payments of principal and interest pursuant to this Indenture. Upon delivery by the Depository to the Owners of the Bonds and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Indenture shall refer to such nominee of the Depository.

In order to qualify the Bonds for the Depository's book entry system, the District shall execute and deliver to the Depository the Representation Letter in the form approved by the Depository. The execution and delivery of the Representation Letter shall not in any other way limit the provisions of this Section or in any other way impose upon the District any obligation whatsoever with respect to persons having interests in the Bonds other than the Owners of the Bonds, as shown on the Bond Register. In addition to the execution and delivery of the Representation Letter, the District shall take such other actions, not inconsistent with this Indenture, as are reasonably necessary to qualify the Bonds for the Depository's book entry program.

In the event (i) the Depository determines not to continue to act as securities depository for the Bonds, or (ii) the Depository shall no longer so act and gives notice to the District of such determination, then the District will discontinue the book entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered Bond, per maturity, registered in the name of such successor or substitute qualified securities depository or its nominee. If the District fails to identify another qualified securities depository to replace the Depository then the Bonds shall no longer be restricted to being registered in the Bond Register in the name of the Nominee, but shall be registered in whatever name or names Owners of the Bonds transferring or exchanging Bonds shall designate, in accordance with provisions of Section 2.07 hereof, and the District shall prepare and deliver Bonds to the Owners thereof for such purpose.

In the event of a reduction in aggregate principal amount of Bonds Outstanding or an advance refunding of part of the Bonds Outstanding, DTC, in its discretion, (a) may request the District to prepare and issue a new Bond or (b) may make an appropriate notation on the Bond indicating the date and amounts of such reduction in principal, but in such event the District records maintained by the Fiscal Agent shall be conclusive as to what amounts are outstanding on the Bond, except in the case of final maturity in which case the Bond must be presented to the Fiscal Agent prior to payment.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments of principal and interest with respect to such Bond and all notices with respect to such Bond shall be made and given,

respectively, as provided in the Representation Letter or as otherwise instructed by the Depository and acceptable to the District.

The initial Depository under this Article shall be DTC. The initial Nominee shall be Cede & Co., as Nominee of DTC.

Section 3.01 Optional Redemption. The Bonds maturing on or after **September 1, 20__** may be redeemed prior to maturity, in whole or in part on any Interest Payment Date pro rata among maturities and by lot within a maturity from amounts on deposit in the Redemption Fund, at the option of the District on or after **September 1, 20__** at the following redemption prices, expressed as a percentage of par value of the Bonds to be redeemed, together with accrued interest to the date of redemption:

Section 3.02 Mandatory Sinking Fund Redemption. The Bonds maturing on **September 1, 20__** (the "20__ Term Bonds") shall be subject to mandatory sinking fund redemption in part, by lot, on **September 1, 20__**, and on each **September 1** thereafter to and including **September 1, 20__** from mandatory sinking fund payments set aside in the Bond Service Fund, at a redemption price equal to the principal amount thereof to be redeemed, together with accrued interest to the date fixed for redemption, without premium, in the aggregate respective principal amounts and on the respective dates set forth below:

In lieu of having the Fiscal Agent deposit cash with the Paying Agent as a mandatory sinking fund payment, the District shall have the option to tender to the Paying Agent for cancellation any amount of Term Bonds purchased by the District, which Term Bonds may be purchased by the District at public or private sale as and when and at such prices as the District may in its discretion determine. The par amount of any Term Bonds so purchased by the District and tendered to the Paying Agent in any twelve month period ending on July 1 in any calendar year shall be credited towards and shall reduce the next mandatory sinking fund payments

required to be made in the order in which they are required to be made pursuant to this Section 3.02.

Section 3.03 Selection of Bonds for Redemption. If less than all of the Outstanding Bonds are to be redeemed, the Paying Agent shall redeem the Bonds pro rata among maturities and by lot within a maturity, provided, however, that the portion of any Bond of a denomination of more than \$5,000 to be redeemed shall be in the principal amount of \$5,000 or an integral multiple thereof, and that, in selecting portions of such Bonds for redemption, the Paying Agent shall treat each such Bond as representing that number of Bonds of a \$5,000 denomination which is obtained by dividing the principal amount of such Bond to be redeemed in part by \$5,000. The Paying Agent shall promptly notify the District in writing of the Bonds, or portions thereof, selected for redemption. In the event of a partial redemption of any Term Bonds, the mandatory sinking fund payments with respect to such Term Bonds shall be reduced by the aggregate principal amount of Term Bonds to be partially redeemed in inverse order of mandatory sinking fund redemption dates.

Section 3.04 Notice of Redemption. When redemption is required pursuant to the provisions of Article III, the Paying Agent shall give notice (the "Redemption Notice"), at the expense of the District, of the redemption of the Bonds. Such Redemption Notice shall specify: (i) the Bonds or designated portions thereof which are to be redeemed, (ii) the date of redemption, (iii) the place or places where the redemption will be made, including the name and address of any redemption agent, (iv) the redemption price, (v) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (vi) if less than all Bonds of a maturity are to be redeemed, the Bond numbers of the Bonds to be redeemed, and (vii) the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the redemption price, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

- (i) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by first class mail, postage prepaid, at their addresses appearing on the Bond Register as of the close of business on the day before such Redemption Notice is given;
- (ii) At least 35 days before the redemption date, such Redemption Notice shall be given by (A) registered or certified mail, postage prepaid, (B) confirmed facsimile transmission, or (C) overnight delivery service, to each of the Securities Depositories;
- (iii) At least 35 days before the redemption date, such Redemption Notice shall be given by (A) registered or certified mail, postage prepaid, or (B) overnight delivery service, to one of the Information Services.

Neither failure to receive any Redemption Notice nor any defect in such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of such Bonds. Each check or other transfer of funds issued by the Paying Agent for the purpose of redeeming Bonds shall bear to the extent specified the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Section 3.05 Partial Redemption of Bonds. Upon surrender of any Bond to be redeemed in part only, the Paying Agent shall authenticate and deliver to the Bondowner, at the expense of the District, a new Bond or Bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bond surrendered, with the same interest rate and the same maturity. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District and the Paying Agent shall be released and discharged thereupon from all liability to the extent of such payment.

Section 3.06 Effect of Notice and Availability of Redemption Price. Notice of redemption having been duly given, as provided in this Section, and the amount necessary for the redemption having been made available for that purpose and being available therefor on the date fixed for such redemption:

- (1) The Bonds, or portions thereof, designated for redemption shall, on the date fixed for redemption, become due and payable at the redemption price thereof as provided in this Indenture, anything in this Indenture or in the Bonds to the contrary notwithstanding;
- (2) Upon presentation and surrender thereof at the Principal Office of the Paying Agent, such Bonds shall be redeemed at the redemption price;
- (3) From and after the redemption date, the Bonds or portions thereof so designated for redemption shall be deemed to be no longer Outstanding and such Bonds or portions thereof shall cease to bear further interest; and
- (4) From and after the date fixed for redemption no Owner of any of the Bonds or portions thereof so designated for redemption shall be entitled to any of the benefits of this Indenture, or to any other rights, except with respect to payment of the redemption price and interest accrued to the redemption date from the amounts so made available.

Any amounts remaining on deposit in the Special Tax Fund when there are no longer any Bonds Outstanding shall be transferred to the Rebate Fund, if necessary, and otherwise shall be transferred to the District and used for any lawful purpose under the Act.

Section 4.04 Administrative Expense Fund.

(a) On or before the date amounts are needed to pay Administrative Expenses, the Fiscal Agent shall withdraw from the Special Tax Fund and place in the Administrative Expense Fund an amount necessary, together with amounts on deposit therein, to pay all Administrative Expenses.

(b) Upon receipt of a duly executed Administrative Expense Payment Request Form in substantially the form attached hereto as Exhibit C and incorporated herein by this reference, the Fiscal Agent shall pay the Administrative Expenses. Administrative Expenses shall be paid directly to the person, corporation or entity entitled to payment hereunder and named as a Payee on the Administrative Expense Payment Request Form. Notwithstanding anything herein to the contrary, the Fiscal Agent may rely on an executed Administrative Expense Payment Request Form as complete authorization for any payments.

(c) The Fiscal Agent shall transfer all amounts remaining on deposit in the Administrative Expense Fund on the final maturity of the Bonds, after payment of any accrued Administrative Expenses, to the Special Tax Fund.

Section 4.05 Bond Service Fund. On or before February 20 and August 20 of each year, the Fiscal Agent shall withdraw from the Special Tax Fund, the Earnings Fund and the Reserve Fund to the extent required, and place in the Bond Service Fund an amount equal, together with amounts on deposit therein, to all of the principal (including mandatory sinking fund payments) and all of the interest due and payable on all of the Bonds on the next Interest Payment Date. On or before the Business Day prior to each Interest Payment Date, the Fiscal Agent shall pay to the Paying Agent an amount equal to the interest and principal due and payable on the Bonds on such Interest Payment Date.

The Fiscal Agent shall transfer any moneys remaining in the Bond Service Fund when there are no longer Bonds Outstanding to the Special Tax Fund.

Section 4.06 Reserve Fund. There shall be maintained in the Reserve Fund an amount equal to the Reserve Requirement. Moneys in the Reserve Fund, including draws on the Reserve Facility, if any, shall be used solely for the purpose of paying the principal of and interest on the Bonds in the event that the moneys in the Bond Service Fund are insufficient therefor, and for that purpose the Fiscal Agent shall withdraw from the Reserve Fund, for deposit in the Bond Service Fund, moneys necessary for such purpose. If the amount on deposit in the Reserve Fund, including the Reserve Facility, if any, is less than the Reserve Requirement, the Fiscal Agent shall notify the District of the amount needed to replenish the Reserve Fund to the Reserve Requirement and the District shall collect such deficiency either through including such amount in the next annual Special Tax levy, to the extent permitted by law and the Ordinance, or otherwise. If amounts on deposit in the Reserve Fund, including the Reserve Facility, if any, are less than the Reserve Requirement, after making the required transfers to the Administrative Expense Fund and the Bond Service Fund, the Fiscal Agent shall transfer to the Reserve Fund from the first available moneys in the Special Tax Fund an amount necessary to increase the balance therein to the Reserve Requirement. If on July 1 of each year, the amount on deposit in the Reserve Fund is in excess of the Reserve Requirement, the Fiscal Agent shall transfer such excess to the Bond Service Fund, as provided in Section 5.01 hereof. Moneys in the Reserve

Fund shall be transferred to the Bond Service Fund on the final maturity of the Bonds and applied to the payment of the principal of and interest on the last Outstanding maturity of the Bonds.

Section 4.07 Costs of Issuance Fund.

(a) The Fiscal Agent shall disburse moneys from the Costs of Issuance Fund on such dates and in such amounts as are necessary to pay Costs of Issuance, in each case in accordance with a Payment Request Form (Exhibit B) together with invoices therefor. Any amounts remaining on deposit in the Costs of Issuance Fund on the earlier of the date on which the District has notified the Fiscal Agent in writing that all Costs of Issuance have been paid or one year after the initial deposit of such amounts in the Costs of Issuance Fund shall be transferred to the Bond Service Fund.

(b) Costs of Issuance shall be paid directly to the person, corporation or entity entitled to payment hereunder and named as Payee on the applicable Payment Request Form. Notwithstanding anything herein to the contrary, the Fiscal Agent may rely on an executed Payment Request Form as complete authorization for any payments.

Section 4.08 Rebate Fund.

(a) The Fiscal Agent shall establish and maintain with respect to each Series of Bonds issued hereunder a fund separate from any other fund established and maintained hereunder designated as the Rebate Fund (with such Series designation as may be appropriate). The provisions of this Section shall apply separately to the Rebate Fund established for each Series of Bonds. Subject to the transfer provisions provided in paragraph (e) below, all money at any time deposited in the Rebate Fund shall be held by the Fiscal Agent in trust, to the extent required to satisfy the Rebate Amount (as defined in the Tax Certificate), for payment to the United States of America. Neither the District nor the Owner of any Bonds shall have any rights in or claim to such money. All amounts on deposit in the Rebate Fund shall be governed by this Section and by the Tax Certificate. The Fiscal Agent shall be deemed conclusively to have complied with such provisions if it follows the directions of the District including supplying all necessary information in the manner provided in the Tax Certificate, and shall have no liability or responsibility to enforce compliance by the District with the terms of the Tax Certificate.

(b) Upon the District's written direction, an amount equal to the Rebate Requirement specified to the Fiscal Agent shall be deposited into the Rebate Fund by the Fiscal Agent from balances in the following funds and accounts and in the following order of priority: (i) from the Earnings Fund, (ii) from the Special Tax Fund, (iii) from the Acquisition Fund, and (iv) from the Reserve Fund, so that the balance in the Rebate Fund after such deposit shall equal the Rebate Amount for the Bond Year (as such term is defined in the Tax Certificate and not as such term is defined in this Indenture) calculated as of the most recent Calculation Date (as defined in the Tax Certificate). Computations of the Rebate Amount shall be furnished by or on behalf of the District in accordance with the Tax Certificate.

(c) The Fiscal Agent shall have no obligation to rebate any amounts required to be rebated pursuant to this Section, other than from moneys held in the funds and accounts created under this Indenture or from other moneys provided to it by the District.

(d) The Treasurer shall invest all amounts held in the Rebate Fund at the written direction of the District in Authorized Investments, subject to the restrictions set forth in the Tax Certificate. The Fiscal Agent shall retain all earnings (calculated by taking into account net gains or losses on sales or exchanges and taking into account amortized discount or premium as a gain or loss, respectively) on investments held in the Rebate Fund. Money shall not be transferred from the Rebate Fund except as provided in paragraph (e) below.

(e) Upon receipt of the District's written directions, the Fiscal Agent shall remit part or all of the balances in the Rebate Fund to the United States, as so directed. In addition, if on the first day of any Bond Year the amount credited to the Rebate Fund exceeds the Rebate Requirement, and the District so directs, the Fiscal Agent will deposit moneys into or transfer moneys out of the Rebate Fund from or into such accounts or funds as directed by the District's written directions. Any funds remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any Rebate Amount shall be withdrawn and remitted to the District.

(f) Notwithstanding any other provision of this Indenture, the obligation to remit the Rebate Amounts to the United States and to comply with all other requirements of this Section and the Tax Certificate shall survive the defeasance or payment in full of the Bonds.

Section 4.09 Redemption Fund. Prior to any redemption date other than any mandatory sinking fund redemption date, the Fiscal Agent shall deposit in the Redemption Fund moneys available for the purpose and sufficient to redeem, at the redemption prices payable as provided in this Indenture, the Bonds designated for redemption. Such moneys must be set aside in the Redemption Fund solely for that purpose and shall be transferred to the Paying Agent on or before the applicable redemption date and be applied by the Paying Agent on or after the redemption date to the payment of the redemption price on the Bonds to be redeemed upon presentation and surrender thereof. Any moneys remaining in the Redemption Fund when there are no longer Bonds Outstanding shall be transferred to the Special Tax Fund.

Section 4.10 Earnings Fund. The Fiscal Agent shall establish and maintain for the administration and control of investment earnings on District receipts an Earnings Fund. The Fiscal Agent shall directly deposit investment earnings of the Cost of Issuance Fund, the Reserve Fund and the Earnings Fund into the Earnings Fund. The Fiscal Agent shall transfer all amounts in the Earnings Fund accrued to the transfer date, in excess of the Rebate Requirement (as defined in the Tax Certificate), to the Bond Service Fund.

ARTICLE V

INVESTMENTS

Section 5.01 Investments. Obligations purchased as investments of moneys in any fund or account in which investments are authorized shall be deemed at all times to be a part of such fund or account. Earnings on the investment of moneys on deposit in any fund or account established pursuant to this Indenture (except the Special Tax Fund, Administrative Expense Fund, Bond Service Fund and the Rebate Fund) shall be deposited to the Earnings Fund and applied pursuant to Section 4.10 of this Indenture. Earnings on the investment of any moneys on deposit in the Special Tax Fund, Administrative Expense Fund, Bond Service Fund or the Rebate Fund shall be held in each such fund or account. Subject to the restrictions set forth herein, moneys in said funds and accounts may be from time to time invested by the Treasurer at the written direction of an Authorized Representative of the District, or if no such written direction is given, in any manner the Treasurer deems appropriate, in Authorized Investments so long as:

(a) Moneys in the Administrative Expense Fund shall be invested in obligations that will by their terms mature no later than the date on which moneys must be available to meet scheduled payments of Administrative Expenses;

(b) Moneys in the Bond Service Fund shall be invested only in obligations which will by their terms mature on such dates so as to ensure the payment of principal and interest on the Bonds as the same become due; and

(c) Half of the moneys in the Reserve Fund may be invested in Authorized Investments which shall mature not more than two years from the date of purchase by the Treasurer and the balance shall be invested in Authorized Investments which shall mature not more than five years from the date of purchase by the Treasurer; provided no such investment shall mature later than the final maturity of the Bonds; provided further, if such investments may be redeemed at par on the Business Day prior to each Interest Payment Date, any amount of the Reserve Fund may be invested in such redeemable investments of any maturity on or prior to the final maturity of the Bonds.

Subject to the restrictions set forth in Section 6.06 hereof, the Treasurer shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it may be necessary to do so in order to provide moneys to meet any payment or transfer for such funds and accounts or from such funds and accounts. For the purpose of determining at any given time the balance in any fund or account, any such investments constituting a part of such fund and account shall be valued at their original cost. Notwithstanding anything herein to the contrary, the Treasurer shall not be responsible for any loss from any investments authorized pursuant to this Indenture.

ARTICLE VI

COVENANTS

Section 6.01 Punctual Payment. The District covenants that it will duly and punctually pay or cause to be paid the principal of, premium (if any) and interest on every Bond issued hereunder to the extent Net Taxes are available therefor, in strict conformity with the terms of the Bonds and this Indenture, and that it will faithfully observe and perform all of the conditions, covenants and requirements of this Indenture as it may be amended from time to time.

Section 6.02 Limits on Additional Debt. The District covenants that it will not mortgage or otherwise encumber, pledge or place any charge upon any of the Gross Taxes, and will not issue any obligation or security superior to or, except as provided herein, on a parity with the Bonds, payable in whole or in part from the Net Taxes.

Section 6.03 Levy of Special Tax. Subject to the limitations on the rate of Special Taxes, the District shall levy or cause to be levied the Special Taxes in an amount anticipated to be sufficient (after taking into account anticipated delinquencies in the payment of Special Taxes), together with any moneys on deposit in the Special Tax Fund or the Bond Service Fund (and, with respect to the final Bond Year, in the Reserve Fund) and anticipated to be available, to pay principal of, premium (if any) and interest on the Bonds, Administrative Expenses and any amounts required to maintain the Reserve Fund at the Reserve Requirement.

Section 6.04 Commencement of Foreclosure Proceedings. If the Fiscal Agent determines at any time that the balance in the Reserve Fund is less than the Reserve Requirement as the result of the failure by one or more owners of real property to pay Special Taxes when due, the District shall commence and diligently prosecute to completion such foreclosure proceedings as may be necessary to restore the Reserve Fund balance to the Reserve Requirement.

Section 6.05 Books and Accounts. The District will keep proper books of records and accounts, separate from all other records and accounts of the County, in which complete and correct entries shall be made of all transactions relating to the Project, the levy of the Special Tax and the deposits to the Special Tax Fund. Such books of record and accounts shall at all times during business hours be subject to the inspection of the Fiscal Agent or of the Owners of not less than ten percent (10%) of the principal amount of the Bonds then Outstanding or their representatives authorized in writing.

Section 6.06 Tax Covenants. In order to maintain the exclusion from gross income for Federal income tax purposes of the interest on the Bonds, the District covenants to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code in that the District agrees to comply with the Tax Certificate for each Series of Bonds issued hereunder, as each such Tax Certificate may be amended from time to time, as a source of guidance for compliance with such provisions. A copy of the Tax Certificate for the Bond is attached hereto as Exhibit D and is incorporated herein by reference. The Fiscal Agent and the Paying Agent each hereby agree to comply with any written instructions received from the District which the

District indicates must be followed in order to comply with the Tax Certificate. This covenant shall survive the payment, redemption or defeasance of the Bonds.

Section 6.07 General. The District shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the District under the provisions of this Indenture. The District warrants that upon the date of execution and delivery of the Bonds, all conditions, acts and things required by law and this Indenture to exist, to have happened and to have been performed precedent to and in the execution and delivery of such Bonds do exist, have happened and have been performed and the execution and delivery of the Bonds shall comply in all respects with the applicable laws of the State.

Section 6.08 Extension of Payment of Bonds. The District shall not directly or indirectly extend the maturity dates of the Bonds or the time of payment of interest with respect thereto. Nothing herein shall be deemed to limit the right of the District to issue any securities for the purpose of providing funds for the redemption of the Bonds and such issuance shall not be deemed to constitute an extension of the maturity of the Bonds.

Section 6.09 Protection of Rights. The District will preserve and protect the security of the Bonds and the rights of the Owners against all claims and demands of all persons, and will faithfully perform and abide by all of the covenants, undertakings and provisions contained in this Indenture or in any Bond issued pursuant to this Indenture and will contest by court action or otherwise (a) the assertion by any officer of any government unit or any other person whatsoever against the District that (i) the Act is unconstitutional, (ii) the Special Tax is invalid, or (iii) the Special Taxes cannot be paid by the District for the debt service on the Bonds, or (b) any other action affecting the validity of the Bonds or diluting the security therefor, or (c) any assertion by the United States of America or any department or agency thereof or any other person that the interest received by the bondholders is includable in gross income for federal income tax purposes, to the extent there are Special Taxes available for such purpose.

Section 6.10 Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of its obligations under the Continuing Disclosure Undertaking. Notwithstanding any other provision of this Indenture, failure of the District to comply with its obligations under the Continuing Disclosure Undertaking shall not be considered an event of default under this Indenture, and the sole remedy, in the event of any failure of the District to comply with the Continuing Disclosure Undertaking shall be an action to compel performance. Upon receipt of indemnification to its satisfaction, the Fiscal Agent shall at the request of any Participating Underwriter (as defined in the Continuing Disclosure Undertaking), or the Owners of a majority in aggregate principal amount of Outstanding Bonds or any Bondowner or Beneficial Owner take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. For purposes of this Section, "Beneficial Owners," means any person that (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

Section 6.11 No County Covenants. The covenants contained herein are covenants of the District only and anything in this Article VI to the contrary notwithstanding, no covenant contained herein shall be deemed to have been made by the County, other than any such covenant it may have made in its capacity as legislative body of the District, Fiscal Agent or Paying Agent.

ARTICLE VII

PAYING AGENT AND FISCAL AGENT

Section 7.01 Paying Agent and Fiscal Agent. The District hereby appoints the Treasurer of the County as the Paying Agent and the Auditor Controller of the County as the Fiscal Agent for the Bonds.

The Paying Agent is hereby authorized to and shall mail interest payments to the Bondowners, select Bonds for redemption, give notice of redemption and meetings of Bondowners and maintain the Bond Register. ARTICLE VIII

DEFEASANCE

Section 8.01 Defeasance. If the District shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of all Outstanding Bonds the interest due thereon and the principal thereof, at the times and in the manner stipulated therein and in this Indenture, then the Owners of such Bonds shall cease to be entitled to the pledge of Net Taxes, and all covenants, agreements and other obligations of the District to the Owners of such Bonds under this Indenture shall thereupon cease, terminate and become void and be discharged and satisfied, except the District's obligations to comply with the tax covenants contained herein. In such event, the Fiscal Agent and the Paying Agent, as appropriate, shall execute and deliver to the District such instruments as may be desirable to evidence such discharge and satisfaction, and the Fiscal Agent and the Paying Agent, as appropriate, shall pay over or deliver to the District all money or securities held by them pursuant to this Indenture which are not required for the payment of the interest due on and the principal of such Bonds.

Bonds for the payment of which money shall have been set aside (through deposit by the District or otherwise) to be held in trust by the Paying Agent for such payment at the maturity date thereof shall be deemed, as of the date of such setting aside, to have been paid within the meaning and with the effect expressed in the first paragraph of this section.

Any Outstanding Bonds shall prior to the maturity date thereof be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section if (1) there shall have been deposited with the Paying Agent either money in an amount which shall be sufficient, or Federal Securities the principal of and the interest on which when paid will provide money which, together with the money, if any, deposited with the Paying Agent at the same time, shall be sufficient to pay when due the interest due and to become due on such Bonds on and prior to the maturity date thereof, and the principal of such Bonds and (2) the District shall have given the Paying Agent in form satisfactory to it irrevocable instructions to mail, as soon as practicable, a notice to the Owners of such Bonds that the deposit required by (1) above has been made with the Paying Agent and that such Bonds are deemed to have been paid in accordance with this section and stating the maturity date upon which money is to be available for the payment of the principal of such Bonds. The sufficiency of any such deposit, other than money alone, must be verified by the report of an independent certified public accountant.

Neither Federal Securities nor money deposited with the Paying Agent pursuant to this section nor interest or principal payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the interest on and principal of such Bonds; provided that any cash received from such interest or principal payments on such Federal Securities deposited with the Paying Agent, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the interest on and principal of such Bonds on and prior to such maturity date thereof, and interest earned from such reinvestments shall be deposited in the Special Tax Fund. For the purposes of this section, Federal Securities shall mean and include only such securities as are not subject to redemption prior to their maturity.

ARTICLE IX

SUPPLEMENTAL INDENTURES

Section 9.01 Supplemental Indentures without Bondowner Consent. The District, the Paying Agent and the Fiscal Agent, may from time to time, and at any time, without notice to or consent of any of the Bondowners, enter into such Supplemental Indentures as shall not be inconsistent with the terms and provisions hereof (which Supplemental Indentures or agreements shall thereafter form a part hereof) for any of the following purposes:

- (a) To cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provision with respect to matters or questions arising under this Indenture or in any Supplemental Indenture, provided that such action shall not adversely affect the interests of the Bondowners;
- (b) To add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Indenture, other covenants, agreements, limitations and restrictions to be observed by the District which are not contrary to or inconsistent with this Indenture as theretofore in effect;
- (c) To authorize the issuance of additional Bonds, subject to the terms hereof;
and
- (d) To modify, alter, amend or supplement this Indenture for any reason in any other respect which is not materially adverse to the interests of Bondowners.

Section 9.02 Supplemental Indenture with Bondowner Consent. Exclusive of the Supplemental Indentures covered by Section 9.01, the Owners of not less than 60% in aggregate principal amount of the Bonds then Outstanding shall have the right to consent to and approve the execution of such Supplemental Indentures as shall be deemed necessary or desirable for the purpose of waiving, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any Supplemental Indenture or agreement; provided, however, that nothing herein shall permit, or be construed as permitting, (a) an extension of the maturity date of the principal of, or the payment date of interest on, any Bond, (b) a reduction in the principal amount of, or redemption price of, any Bond or the rate of interest thereon, (c) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (d) a reduction in the aggregate principal amount of the Bonds the Owners of which are required to consent to such Supplemental Indenture, without the consent of the Owners of all Bonds then Outstanding. Nothing herein contained, however, shall be construed as making necessary the approval by Bondowners of the execution of any Supplemental Indentures or agreements.

Section 9.03 Notice of Supplemental Indenture to Bondowners. If at any time the District shall desire to enter into a Supplemental Indenture, which pursuant to the terms of this Section shall require the consent of the Bondowners, the District shall so notify the Paying Agent and shall deliver to the Paying Agent a copy of the proposed Supplemental Indenture. The

Paying Agent shall, at the expense of the District, cause notice of the proposed Supplemental Indenture (or a summary thereof) to be mailed, by first class mail postage prepaid, to all Bondowners at their addresses as they appear in the Bond Register. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that a copy thereof is on file at the office of the Authorized Representative of the District for inspection by all Bondowners. The failure of any Bondowners to receive such notice shall not affect the validity of such Supplemental Indenture when consented to and approved by the Owners of not less than 60% in aggregate principal amount of the Bonds then Outstanding as required by this Section. Whenever at any time within one year after the date of the first mailing of such notice, the Paying Agent shall receive an instrument or instruments purporting to be executed by the Owners of not less than 60% in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture described in such notice, and shall specifically consent to and approve the Supplemental Indenture substantially in the form of the copy referred to in such notice as on file with the Authorized Representative of the District, such proposed Supplemental Indenture, when duly entered into by the District and the Paying Agent, shall thereafter become a part of the proceedings for the issuance of the Bonds. In determining whether the Owners of 60% of the aggregate principal amount of the Bonds have consented to the adoption of any Supplemental Indenture, Bonds which are known to the Paying Agent to be owned by the District or by any person directly or indirectly controlling or controlled by or under the direct or indirect common control with the District, shall be disregarded and shall be treated as though they were not Outstanding for the purpose of any such determination.

Upon the execution and delivery by the District and the Paying Agent of any Supplemental Indenture and the receipt of consent to any such Supplemental Indenture from the Owners of not less than 60% in aggregate principal amount of Bonds Outstanding in instances where such consent is required pursuant to the provisions of this Section, this Indenture shall be, and shall be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the District, the Paying Agent, the Fiscal Agent and all Owners of Bonds then Outstanding shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

ARTICLE X

EVENTS OF DEFAULT; REMEDIES

Section 10.01 Events of Default. Any one or more of the following events shall constitute an "Event of Default":

- (a) Default in the due and punctual payment of the principal of or redemption premium, if any, on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;
- (b) Default in the due and punctual payment of the interest on any Bond when and as the same shall become due and payable; or

(c) Default by the District in the observance of any of the agreements, conditions or covenants on its part in this Indenture or in the Bonds contained (other than a payment default referred to in subparagraph (a) and (b) above), and the continuation of such default for a period of 60 days after the District shall have been given notice in writing of such default by the Fiscal Agent, provided that if within 60 days the District has commenced curing of the default and diligently pursues elimination thereof, such period shall be extended to permit such default to be eliminated.

Section 10.02 Remedies of Owners. Following the occurrence of an event of default, any Owner shall have the right for the equal benefit and protection of all Owners similarly situated:

(a) By mandamus or other suit or proceeding at law or in equity to enforce his or her rights against the District and any of the members, officers and employees of the District, and to compel the District or any such members, officers or employees to perform and carry out their duties under the Act and their agreements with the Owners as provided in this Indenture;

(b) By suit in equity to enjoin any actions or things which are unlawful or violate the rights of the Owners; or

(c) By a suit in equity to require the District and its members, officers and employees to account as the trustee of an express trust.

Nothing in this article or in any other provision of this Indenture, or in the Bonds, shall affect or impair the obligation of the District, which is absolute and unconditional, to pay the interest on and principal of the Bonds to the respective Owners of the Bonds at the respective dates of maturity, as herein provided, out of the Net Taxes pledged for such payment, or affect or impair the right of action, which is also absolute and unconditional, of such Owners to institute suit to enforce such payment by virtue of the contract embodied in the Bonds and in this Indenture.

A waiver of any default or breach of duty or contract by any Owner shall not affect any subsequent default or breach of duty or contract, or impair any rights or remedies on any such subsequent default or breach. No delay or omission by any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Owners by the Act or by this article may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners.

If any suit, action or proceeding to enforce any right or exercise any remedy is abandoned or determined adversely to the Owners, the District and the Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or

otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law.

Section 10.03 Actions by Fiscal Agent as Attorney-In-Fact. Any suit, action or proceeding which any Owner shall have the right to bring to enforce any right or remedy hereunder may be brought by the Fiscal Agent for the equal benefit and protection of all Owners, and the Fiscal Agent is hereby appointed (and the successive respective Owners of the Bonds, by taking and holding the same, shall be conclusively deemed so to have appointed it) the true and lawful attorney in fact of the Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the Owners as a class or classes, as may be necessary or advisable in the opinion of the Fiscal Agent as such attorney in fact.

ARTICLE XI

MISCELLANEOUS

Section 11.01 Cancellation of Bonds. All Bonds surrendered to the Paying Agent for payment upon maturity or redemption shall, upon payment therefor, be cancelled immediately and forthwith transmitted to or upon the order of the District. Any Bond purchased by the District as authorized herein shall be delivered to the Paying Agent and cancelled forthwith and shall not be reissued. All of the cancelled Bonds shall be transferred to and shall remain in the custody of the District until destroyed by the Paying Agent pursuant to due authorization.

Section 11.02 Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by this Indenture to be signed or executed by Bondowners, may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such Bonds. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, and of the ownership of Bonds shall be sufficient for the purposes of this Indenture (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his or her attorney of any such instrument and of any instrument appointing any such attorney may be proved by a signature guarantee of any bank or trust company located within the United States of America. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such signature guarantee shall also constitute sufficient proof of his or her authority.

(b) As to any Bond, the person in whose name the same shall be registered in the Bond Register shall be deemed and regarded as the absolute Owner thereof for all purposes, and payment of or on account of the principal of any such Bond, and the interest thereon, shall be made only to or upon the order of the registered Owner thereof

or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond and the interest thereon to the extent of the sum or sums so paid. Any notice shall not affect the Paying Agent to the contrary.

Nothing in this Indenture shall be construed as limiting the Paying Agent to such proof, it being intended that the Paying Agent may accept any other evidence of the matters herein stated which the Paying Agent may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done or suffered to be done by the Paying Agent in pursuance of such request or consent.

Section 11.03 Provisions Constitute Contract. In consideration of the purchase and acceptance of any and all of the Bonds authorized to be issued hereunder by those who shall hold the same from time to time, this Indenture shall be deemed to be and shall constitute a contract between the District and the Owners from time to time of the Bonds; and the pledge made in this Indenture and the covenants and agreements herein set forth to be performed on behalf of the District shall be for the equal benefit, protection and security of the owners of any and all of the Bonds, all of which, regardless of the time or times of their issuance, shall be of equal rank without preference, priority or distinction of any of the Bonds over any other thereof except as expressly provided in or permitted by this Indenture.

No remedy conferred hereby upon any Bondowner is intended to be exclusive of any other remedy, but each such remedy is cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law of the State. No waiver of any default or breach of duty or contract by any Bondowner shall affect any subsequent default or breach of duty or contract or shall impair any rights or remedies on said subsequent default or breach. No delay or omission of any Bondowner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed as a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Bondowners may be enforced and exercised as often as may be deemed expedient. In case any suit, action or proceeding to enforce any right or exercise any remedy shall be brought or taken and the Bondowner shall prevail, said Bondowner shall be entitled to receive from the Special Tax Fund reimbursement for reasonable costs, expenses, outlays and attorney's fees and should said suit, action or proceeding be abandoned, or be determined adversely to the Bondowners then, and in every such case, the District and the Bondowners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

After the issuance and delivery of the Bonds this Indenture shall be irrevocable, but shall be subject to modification to the extent and in the manner provided in this Indenture, but to no greater extent and in no other manner.

Section 11.04 Severability. If any covenant, agreement or provision, or any portion thereof, contained in this Indenture, or the application thereof to any person or circumstance, is held to be unconstitutional, invalid or unenforceable, the remainder of this Indenture and the application of any such covenant, agreement or provision, or portion thereof, to other persons or circumstances, shall be deemed severable and shall not be affected thereby, and this Indenture and the Bonds issued pursuant hereto shall remain valid and the Bondowners shall retain all valid

rights and benefits accorded to them under this Indenture and the Constitution and laws of the State.

Section 11.05 Notice. Any notice, demand, direction, request or other instrument authorized or required by this Indenture to be given to or filed with the District, the Paying Agent or the Fiscal Agent shall be deemed to have been sufficiently given or filed for all purposes of this Indenture if and when delivered to or sent by certified mail, return receipt requested to:

This Bond is one of a duly authorized issue of "Community Facilities District No. 6 (Agua Dulce Area) of the County of Los Angeles Improvement Area A Special Tax Bonds, Series 2003A (Sierra Colony Ranch)" (the "Bonds") issued in the aggregate principal amount of \$_____ pursuant to the Mello Roos Community Facilities Act of 1982, constituting Sections 53311 et seq. of the California Government Code, as amended (the "Act"), for the purpose of refunding the bonds issued to finance certain improvements in and/or for a portion of the District known as Improvement Area A (the "Project"). The issuance of the Bonds and the terms and conditions thereof are provided for by an Indenture (the "Indenture") dated as of July 1, 2003, executed by Community Facilities District No. 6 (Agua Dulce Area) of the County of Los Angeles acting through the Board of Supervisors of the County, as the legislative body, by the Treasurer and Tax Collector of the County, and by the Auditor Controller of the County and by this reference incorporates the Indenture herein, and by acceptance hereof the owner of this Bond assents to said terms and conditions. The Indenture is authorized under, this Bond is issued under, and both are to be construed in accordance with, the laws of the State of California.

Pursuant to the Act and the Indenture, the principal of, premium, if any, and interest on this Bond are payable solely from, and shall be secured by a pledge of and lien upon (less certain administrative expense), (i) the annual special taxes authorized under the Act to be levied on property lying within Improvement Area A of the District (the "Special Taxes"), (ii) proceeds from the sale of property collected pursuant to the foreclosure provisions of the Act and the Indenture for the delinquency of such Special Taxes and (iii) certain other moneys as described in the Indenture.

Interest on any Bond shall be paid to the person whose name shall appear in the Bond Register as the owner of such Bond as of the close of business on the Record Date at the address that appears on the Bond Register. Interest with respect to this Bond shall be computed using a year of 360 days comprised of twelve 30-day months.

Any tax for the payment hereof shall be limited to the Special Taxes, except to the extent that provision for payment has been made by the legislative body of the District, as may be permitted by law. The Bonds do not constitute obligations of the County or the District for which the County or the District is obligated to levy or pledge, or has levied or pledged, general or special taxation other than as described hereinabove. The District has covenanted for the benefit of the owners of the Bonds that, if the Fiscal Agent determines at any time that the balance in the Reserve Fund, created under the Indenture is less than the Reserve Requirement, as defined in the Indenture, as the result of the failure by one or more owners of real property to pay Special Taxes when due, it will commence or cause to be commenced appropriate foreclosure proceedings and diligently pursue or cause to be diligently pursued to completion such foreclosure proceedings as may be necessary to restore the Reserve Fund balance to the Reserve Requirement.

The Bonds maturing on or after **September 1, 20__**, may be redeemed prior to maturity, in whole or in part on any Interest Payment Date pro rata among maturities and by lot within a maturity from amounts on deposit in the Redemption Fund, at the option of the District on or after **September 1, 20__**, at the following redemption prices, expressed as a percentage of par value of the Bonds to be redeemed, together with accrued interest to the date of redemption:

IMPROVEMENT AREA A
SPECIAL TAX REFUNDING BONDS, SERIES 2003A
(SIERRA COLONY RANCH)**

INTRODUCTORY STATEMENT

General

This Official Statement, including the Appendices hereto, is provided to furnish certain information in connection with the issuance and sale by Community Facilities District No. 6 (Agua Dulce Area) of the County of Los Angeles (the "District") of the Community Facilities District No. 6 (Agua Dulce Area) of the County of Los Angeles Improvement Area A Special Tax Refunding Bonds, Series 2003A (Sierra Colony Ranch) (the "Bonds"). This Introductory Statement is subject in all respects to the more complete information contained elsewhere in this Official Statement.

The Bonds are being issued pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (Section 53311 *et seq.* of the California Government Code) (the "Act"), and a resolution ("Resolution") adopted on July 1, 2003, by the Board of Supervisors (the "Board") of the County of Los Angeles (the "County"), and in accordance with the provisions of an Indenture dated as of July 1, 2003 (the "Indenture"), by and among the District, acting through the Board, the Treasurer and Tax Collector of the County, as the paying agent (the "Treasurer" and "Paying Agent"), and the Auditor-Controller of the County, as fiscal agent (the "Fiscal Agent").

Under the Indenture, the Treasurer has been appointed as the paying agent for the Bonds and, pursuant to the authority vested in him under the Indenture, the Treasurer has initially selected U.S. Bank National Association to act on behalf of the Treasurer as paying agent.

The proceeds of the Bonds will be used to (i) refund the Prior Bonds (as defined herein) on September 1, 2003, (ii) fund a reserve fund for the Bonds, and (iii) pay the costs related to the issuance of the Bonds. The purpose of the issuance of the Bonds is to refinance the Prior Bonds (as defined herein) at a lower interest rate. See "REFUNDING PLAN," "ESTIMATED SOURCES AND USES OF FUNDS," and "APPENDIX E – Summary of Certain Provisions of the Indenture" herein.

The Bonds are subject to optional [and mandatory sinking fund] redemption as described in this Official Statement. See "THE BONDS - Redemption Provisions" herein.

* Preliminary; subject to change.

The District is located in the northwestern portion of the County. The District is composed of two non-contiguous improvement areas: Improvement Area A, also known as Sierra Colony Ranch ("Improvement Area A"), and Improvement Area B, also known as Rio Dulce Ranch ("Improvement Area B"). The Bonds are secured by special taxes levied in Improvement Area A only. Any securities, notes or instruments issued for Improvement Area B are not secured by property in Improvement Area A, and any notes, securities, or instruments issued for Improvement Area A (including the Bonds) are not secured by any property in Improvement Area B. **This Official Statement discusses Improvement Area A of the District only.**

The payment of principal of, premium, if any, and interest on the Bonds is secured by and payable from the special tax (the "Special Tax") levied on property located within Improvement Area A, after the payment of Administrative Expenses ("Net Taxes"), and certain funds and accounts held under the Indenture. The Special Tax is levied according to the rate and method of apportionment of special tax (the "Rate and Method of Apportionment") approved by the owners of the property within Improvement Area A in 1991. The Rate and Method of Apportionment, attached hereto as Exhibit B, has not been amended since its initial approval. The Special Taxes are collected in the same manner and at the same time as *ad valorem* property taxes are collected by the Treasurer. See "SECURITY FOR THE BONDS" and "APPENDIX B - Rate and Method of Apportionment of Special Tax" herein.

Authorization to Issue the Bonds

The Act was enacted by the State of California Legislature to provide an alternative method of financing certain public facilities and services, especially in developing areas. Once duly established, a community facilities district is a legally constituted governmental entity with defined boundaries established for the purpose of financing specific facilities and services. Subject to approval by a two-thirds vote of the qualified electors within a community facilities district and compliance with the provisions of the Act, a community facilities district may issue bonds and may levy and collect special taxes to repay such bonded indebtedness.

The Act also permits the designation of one or more improvement areas within a community facilities district. Subject to approval by two-thirds of the qualified electors within a designated improvement area, a community facilities district may incur bonded indebtedness to finance specific facilities and services. Such bonded indebtedness is payable only from authorized special taxes levied on land within such improvement area. The proceedings for formation of the District, as described in the following paragraph, included designation of two improvement areas, consisting of Improvement Area A and Improvement Area B. The Bonds are secured solely by Special Taxes to be levied and collected within Improvement Area A.

Pursuant to the Act, the Board, acting as the legislative body of the District, adopted a resolution stating its intent to establish the District and the two improvement areas within the District and authorized the levy of special taxes on land within the boundaries of each of the two improvement areas. Following a public hearing conducted pursuant to the Act, the Board, as the legislative body of the District, adopted a resolution establishing the District and the improvement areas and calling a special election to submit the propositions authorizing the levy of the Special Taxes and the incurring of a bonded indebtedness to the qualified electors of Improvement Area A. At an election held on October 25, 1991 pursuant to the Act, the qualified electors, consisting of the then landowners within the boundaries of Improvement Area A, authorized the District to incur bonded indebtedness in a principal amount not to exceed \$13,000,000 to finance certain public capital infrastructure facilities, including a portion of a school site.

In addition to the \$4,675,000 in principal amount of Prior Bonds previously issued, up to \$8,325,000 principal amount of additional bonds are authorized to be issued in Improvement Area A payable from the Special Taxes and other amounts deposited in the Special Tax Fund on a parity with the Bonds if the requirements set forth in the Indenture are met. See "THE BONDS – Additional Bonds," and "SECURITY FOR THE BONDS – Additional Bonds Test" herein.

The amount of the Special Tax to be levied annually will depend on, among other things, whether a given parcel is classified as Developed Property or Undeveloped Property (as such terms are hereinafter defined) and, for purposes of calculating the back-up special tax, on the square footage of the parcel classified as Developed Property. See "SECURITY FOR THE BONDS – Rate and Method of Apportionment" and "APPENDIX B – Rate and Method of Apportionment of Special Tax."

Improvement Area A

General. Improvement Area A is composed of approximately 350 gross acres of land and is located approximately 1/4 mile east of Agua Dulce Canyon Road, in the northwest corner of the County. Improvement Area A is bounded by Sierra Highway on the north, Lagos Road on the south, and Wyse Road on the east.

As originally intended, Improvement Area A was to consist of two residential areas. The first residential area was planned to contain 61 residential units and the second residential area was planned to contain 84 residential units. However, the current and planned uses of the property have evolved into two distinct components: the Phase 1 Portion (as defined herein) and the Phase 2 Portion (as defined herein).

The Phase 1 Portion. On May 22, 1991, Tract Map 34038 was recorded in the County, allowing for the development of 61 single family residential units (the "Phase 1 Portion").

Of the 61 lots entitled, building permits have been issued by the County for the construction of 59 homes. Watt Land, Inc., a California corporation ("Watt"), sold 4 lots to individual owners. Of these lots, 3 contain homes owned by individual homeowners and 1 – herein referred to as "Lot 034-6" – remains unimproved. Thereafter, Watt conveyed the remaining property in Tract Map 34038 to Imperial Bank (now Comerica Bank). An outside builder bought 1 lot from Imperial Bank, thereafter constructing and selling a home on the lot to an individual homeowner.

Werbco Construction Corporation, a California corporation ("Werbco"), purchased the remaining 56 lots from Imperial Bank in 1996. After taking ownership, Werbco constructed 3 model homes and has since completed construction on, and sold to individual homeowners, 46 homes.

Werbco also owns 9 additional homes on the Phase 1 Portion (7 production homes and 2 model homes) which are completed or substantially completed and are being marketed to homeowners. As of June 1, 2003, 5 of the remaining 7 production homes owned by Werbco were in escrow. Additionally, of the remaining model homes, 1 was in escrow. Thus, there are currently 59 constructed homes in the Phase 1 Portion. Werbco also owns a 28-acre parcel ("Lot 034-28") that is entitled for the construction of 1 home, but as of June 1, 2003, this parcel remains unimproved. Werbco plans to develop Lot 034-28 at a future point in time. See "IMPROVEMENT AREA A" herein.

Assessed Property Values of the Phase 1 Portion. The aggregate assessed value of the property within the Phase 1 Portion, as shown on the current assessment roll maintained by the County Assessor, is \$28,837,537. The ratio of the assessed value of the property within the Phase 1 Portion to the total lien of the Bonds (assumed to equal \$3,700,000*) is approximately 7.8:1*.

There are 7 parcels of property in the Phase 1 Portion that have assessed value-to-lien ratios below 3:1 (assuming \$3,700,000* principal amount of Bonds). However, of these parcels below a 3:1 value-to-lien ratio, the County Assessor has not yet valued any of the improvements on all but one of the parcels, although homes have been constructed on those parcels. The one parcel with an assessed value-to-lien ratio below 3:1 where the County Assessor has valued the improvements is assessor's parcel number 3213-035-033 ("Lot 035-33"). The assessed value of Lot 035-33 is lower than the balance of similarly situated improved parcels in the Phase 1 Portion because the owner of Lot 035-33 was able, pursuant to California Proposition 60, to transfer the base-year value of a previous residence to this new residence in the Phase 1 Portion. However, if the purchase price of the home on Lot 035-33 is used as a measure of the value of the property (i.e., \$505,909), then the value-to-lien ratio would be in excess of 3:1.

Neither the Phase 1 Portion, Improvement Area A nor the District can be foreclosed upon as a whole to pay delinquent Special Taxes. Rather, only individual parcels that are delinquent in the payment of the Special Taxes may be foreclosed upon to pay such delinquent Special Taxes. See "IMPROVEMENT AREA A – Property Values; Value-to-Lien Ratio" herein.

The Phase 2 Portion. Tentative Tract Map No. 48786, which allowed for the development of 84 units on 194 acres within Improvement Area A (the "Phase 2 Portion"), expired and was neither extended nor recorded. Of this property, 89 acres are currently owned by Agua Dulce Vineyards, LLC (the "Winery"). In addition to the Winery, there are three other owners who own approximately 105 acres of land within that area covered by the expired Tentative Tract Map No. 48786. Pursuant to the current County assessment roll, the three other owners within the Phase 2 Portion are: Robert Reyes Sr. as Trustee for the Sandra Manor Trust; Jerome H. Snyder; and Van Huisen Associates, LLC.

The Phase 2 Portion does not currently pay any Special Taxes as to date, in accordance with the Rate and Method of Apportionment, Special Taxes have been levied on Developed Property only and each parcel within the Phase 2 Portion is, as of the date hereof, classified under the Rate and Method of Apportionment as Undeveloped Property. Absent (i) significant delinquencies of the Developed Property necessitating a levy on the Undeveloped Property, (ii) the reclassification of some or all of the parcels in the Phase 2 Portion as Developed Property by the filing of a final tract map on all or part of the Phase 2 Portion, or (iii) the issuance of Additional Bonds, the District anticipates that Special Taxes will only be levied upon the Phase 1 Portion of Improvement Area A. See "IMPROVEMENT AREA A," and "APPENDIX B - Rate and Method of Apportionment of Special Tax" herein.

Assessed Property Values of the Phase 2 Portion. The aggregate assessed value of the property within the Phase 2 Portion, as shown on the current assessment roll maintained by the County Assessor, is \$4,778,485. **Since only the parcels in the Phase 1 Portion of Improvement Area A are currently being taxed by the District, a value-to-lien ratio has not been calculated for the Phase 2 Portion.** Although the Phase 2 Portion is in Improvement Area A, only individual parcels that are delinquent in the payment of Special Taxes may be foreclosed upon to pay such delinquent Special Taxes. See "IMPROVEMENT AREA A – The Phase 2 Portion" herein.

* Preliminary; subject to change.

Security for the Bonds

The Special Tax. The Bonds, the interest thereon, and any amounts required to replenish the balance in the Reserve Fund to the Reserve Requirement (as such terms are herein defined) are payable from the annual Net Taxes to be levied on the taxable property within Improvement Area A and moneys, including portions of the interest earned thereon, held in certain funds established under the Indenture. The District has covenanted to comply with all requirements of the Act and the Indenture to assure the timely collection of the Special Taxes in accordance with the Rate and Method of Apportionment, including, without limitation, the enforcement of delinquent Special Taxes. Any funds received by the County on behalf of Improvement Area A, including, but not limited to, collections of Special Taxes upon the secured tax rolls and collections of delinquent Special Taxes and penalties thereon through foreclosure proceedings, or portions thereof, will be transmitted in a timely manner to the Fiscal Agent, without deduction, to be deposited into the Special Tax Fund in accordance with the terms of the Indenture. See "SECURITY FOR THE BONDS – Pledge Under Indenture; Special Tax Revenues" and "APPENDIX B – Rate and Method of Apportionment of Special Tax" herein.

Reserve Fund. Pursuant to the Indenture, the Fiscal Agent will establish a reserve fund (the "Reserve Fund"), in which the District is required to maintain an amount equal to the Reserve Requirement (as defined herein). Moneys in the Reserve Fund, including draws on a Reserve Facility (as defined herein), if any, shall be used solely for the purpose of paying the principal of and interest on the Bonds in the event that moneys in the Bond Service Fund are insufficient therefore. See "SECURITY FOR THE BONDS – Reserve Fund" herein.

Covenant to Commence Foreclosure. If the Fiscal Agent determines at any time that the balance in the Reserve Fund is less than the Reserve Requirement as the result of the failure by one or more owners of real property to pay Special Taxes when due, the District has covenanted with and for the benefit of the registered owners of the Bonds that the District will commence and diligently prosecute to completion such foreclosure proceedings against the delinquent property as may be necessary to restore the Reserve Fund balance to the Reserve Requirement. See "SECURITY FOR THE BONDS – Covenant to Commence Foreclosure for Delinquent Special Taxes" herein.

Book-Entry-Only System

The Bonds will be delivered in fully registered form only and when executed and delivered will be registered in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"). DTC will act as securities depository for the Bonds. Ownership interests may be purchased in book-entry form only in denominations of \$5,000 or any integral multiple thereof. So long as the Bonds are registered in the name of Cede & Co., as nominee of DTC, principal of, premium, if any, and interest on the Bonds is payable to DTC participants for subsequent disbursement to beneficial owners of the Bonds. See "APPENDIX D – Book-Entry Only System" herein.

Limited Obligations

THE BONDS AND INTEREST THEREON TOGETHER WITH ANY PREMIUM PAID THEREON UPON REDEMPTION, ARE NOT OBLIGATIONS OF THE COUNTY, BUT ARE LIMITED OBLIGATIONS OF THE DISTRICT SECURED BY AND PAYABLE FROM AN IRREVOCABLE FIRST LIEN ON THE NET TAXES. EXCEPT WITH RESPECT TO THE SPECIAL TAXES, NEITHER THE CREDIT NOR THE TAXING POWER OF THE DISTRICT OR THE COUNTY IS PLEDGED FOR THE PAYMENT OF THE BONDS OR THE INTEREST THEREON, AND, NO BONDOWNER MAY COMPEL THE EXERCISE OF TAXING POWER BY THE DISTRICT OR THE COUNTY OR THE FORFEITURE OF ANY OF THEIR

PROPERTY. THE PRINCIPAL OF AND INTEREST ON THE BONDS AND PREMIUMS UPON THE REDEMPTION THEREOF, IF ANY, ARE NOT A DEBT OF THE DISTRICT, THE COUNTY, THE STATE OF CALIFORNIA OR ANY OF ITS POLITICAL SUBDIVISIONS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION OR RESTRICTION. THE BONDS ARE NOT A LEGAL OR EQUITABLE PLEDGE, CHARGE, LIEN OR ENCUMBRANCE UPON ANY OF THE DISTRICT'S PROPERTY, OR UPON ANY OF ITS INCOME, RECEIPTS, OR REVENUES, EXCEPT THE AMOUNTS WHICH ARE, UNDER THE INDENTURE AND THE ACT, SET ASIDE FOR THE PAYMENT OF THE BONDS AND INTEREST THEREON AND NEITHER THE MEMBERS OF THE LEGISLATIVE BODY OF THE DISTRICT NOR ANY PERSONS EXECUTING THE BONDS ARE LIABLE PERSONALLY ON THE BONDS BY REASON OF THEIR ISSUANCE.

Special Risk Factors

A number of risk factors should be considered, in addition to the other matters set forth herein, in evaluating the investment quality of the Bonds. See "RISK FACTORS."

Continuing Disclosure

The District has agreed to provide, or cause to be provided, certain information and notice of certain material events pursuant to a continuing disclosure undertaking (the "Continuing Disclosure Undertaking") to each nationally recognized municipal securities information repository and any public or private repository or entity designated by the State of California as a state repository for purposes of Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission. The Continuing Disclosure Undertaking is the first undertaking by the District in compliance with Rule 15c2-12, and, therefore, the District has never defaulted in providing continuing disclosure under Rule 15c2-12. See "CONTINUING DISCLOSURE" and "APPENDIX C – Form of Continuing Disclosure Undertaking" for a description of the specific nature of the annual reports to be filed by the District, and notices of material events to be provided by the District.

Tax Matters

In the opinion of Bond Counsel, under existing statutes, regulations, rulings and court decisions, the interest on the Bonds is exempt from personal income taxes of the State of California and, assuming compliance with certain covenants described herein, is excluded from gross income for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax. Set forth in Appendix A is the opinion of Bond Counsel expected to be delivered in connection with the issuance of the Bonds.

All such descriptions of documents are qualified in their entirety by reference to such documents, copies of which are available for inspection at the office of the Treasurer and Tax Collector of the County of Los Angeles, 500 West Temple Street, Room 437, Los Angeles, California 90012.

THE BONDS

General Provisions

The Bonds are being issued pursuant to the Act and the provisions of the Indenture. The Bonds will be issued in fully registered form without coupons and when issued will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). See "APPENDIX D – Book-Entry Only System" herein.

The Bonds shall be designated "Community Facilities District No. 6 (Agua Dulce Area) of the County of Los Angeles Improvement Area A Special Tax Refunding Bonds, Series 2003A (Sierra Colony Ranch)." The Bonds shall be issued in authorized denominations of \$5,000 or any integral multiple thereof. The Bonds shall be issued in the aggregate principal amount as shown on, shall mature and be payable on September 1 in the years and in the aggregate principal amounts as shown on, and shall bear interest at the rate as set forth on the cover page hereof.

Principal of, premium (if any), and interest on the Bonds will be payable in lawful money of the United States of America. The principal of the Bonds and any premium due upon the redemption thereof will be payable upon presentation and surrender thereof, at maturity or earlier redemption, at the principal office of the Paying Agent located in Los Angeles, California. Interest with respect to each Bond shall accrue from the initial date of issuance thereof and will be payable on March 1 and September 1 of each year, commencing September 1, 2003 (each, an "Interest Payment Date"). Interest on any Bond shall be payable from the Interest Payment Date next preceding the date of authentication of that Bond, unless (i) such date of authentication is an Interest Payment Date, in which event interest shall be payable from such date of authentication, (ii) the date of authentication is after the fifteenth calendar day of the month preceding any Interest Payment Date (each, a "Record Date") but prior to the immediately succeeding Interest Payment Date, in which event interest shall be payable from such Interest Payment Date, or (iii) the date of authentication is prior to the close of business on the first Record Date, in which event interest shall be payable from the dated date of the Bonds; provided, however, that if at the time of authentication of such Bond interest is in default, interest on that Bond shall be payable from the last Interest Payment Date to which the interest has been paid or made available for payment or from the dated date of the Bonds if no interest has been paid or made available for payment.

Interest on any Bond will be paid by check or draft of the Paying Agent mailed by first class mail, postage prepaid, to the person whose name shall appear in the registration books maintained by the Paying Agent (the "Bond Register") as the registered owner (the "Owner" or "Bondowner") of such Bond as of the close of business on the Record Date at the address which appears on the Bond Register; provided however, that interest payable to an owner of \$1,000,000 or more aggregate principal amount of Bonds will be paid by wire transfer to such account within the United States as such Owner shall have specified in writing at least twenty (20) days prior to the applicable Interest Payment Date to the Paying Agent for such purpose. Certain of the provisions described above will not apply as long as the Bonds are subject to a book-entry only system. See "THE BONDS – Book-Entry Only System," and "APPENDIX D – Book-Entry Only System" herein.

Redemption Provisions

Optional Redemption. The Bonds maturing on or after September 1, 20__ may be redeemed prior to maturity, in whole or in part on any Interest Payment Date, *pro rata* among maturities and by lot within a maturity, from amounts on deposit in the Redemption Fund, at the option of the District on or after September 1, 20__ at the following redemption prices, expressed as a percentage of par value of the Bonds to be redeemed, together with accrued interest to the date of redemption:

<u>Redemption Date</u>	<u>Redemption Price</u>
September 1, 20__ or March 1, 20__	%
September 1, 20__ or March 1, 20__	
September 1, 20__ and thereafter	

In the event that the District shall elect to redeem Bonds as described above, the District is required to give written notice to the Paying Agent of its election to so redeem the Bonds, the redemption date, and the principal amount of the Bonds to be redeemed. Such notice shall be given at least thirty (30) days but not more than sixty (60) days prior to the redemption date.

Mandatory Sinking Payment Redemption. The Bonds maturing on September 1, 2022 (the "Term Bonds") are subject to mandatory sinking payment redemption in part, by lot, on September 1, 20__, and on each September 1 thereafter to and including September 1, 2022, from mandatory sinking fund payments set aside in the Bond Service Fund, at a redemption price equal to the principal amount

thereof to be redeemed, together with accrued interest to the date fixed for redemption, without premium, in the aggregate respective principal amounts and on the respective dates set forth below:

Redemption Date
(September 1)

Principal Amount
\$

(Maturity)

In lieu of having the Fiscal Agent deposit cash with the Paying Agent as a mandatory sinking fund payment, the District will have the option to tender to the Paying Agent for cancellation any amount of Term Bonds purchased by the District, which Term Bonds may be purchased by the District at public or private sale as and when and at such prices as the District may in its discretion determine. The principal amount of any Term Bonds so purchased by the District and tendered to the Paying Agent in any twelve-month period ending on July 1 in any calendar year will be credited toward and will reduce the next mandatory sinking fund payments required to be made with respect to such Term Bonds.

Selection of Bonds for Redemption. Whenever less than all of the outstanding bonds are to be redeemed, the Paying Agent shall redeem the Bonds *pro rata* among maturities and by lot within a maturity; provided, however, that the portion of any Bond of a denomination of more than \$5,000 to be redeemed will be in the principal amount of \$5,000 or an integral multiple thereof, and that, in selecting portions of such Bonds for redemption, the Paying Agent shall treat each such Bond as representing that number of Bonds of a \$5,000 denomination that is obtained by dividing the principal amount of such Bond to be redeemed in part by \$5,000. The Paying Agent will promptly notify the District in writing of the Bonds, or portions thereof, selected for redemption. In the event of a partial redemption of any Term Bonds, the mandatory sinking fund payments with respect to such Term Bonds shall be reduced by the aggregate principal amount of Term Bonds to be partially redeemed in inverse order of mandatory sinking fund redemption dates.

Notice of Redemption. When redemption is required pursuant to the terms of the Indenture, the Paying Agent is required to give notice (the "Redemption Notice"), at the expense of the District, of the redemption of the Bonds. Such Redemption Notice must specify: (i) the Bonds or designated portions thereof which are to be redeemed, (ii) the date of redemption, (iii) the place or places where the redemption will be made, including the name and address of any redemption agent, (iv) the redemption price, (v) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, and (vi) if less than all Bonds of a maturity are to be redeemed, the Bond numbers of the Bonds to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the redemption price, together with interest accrued to the redemption date, and that from and after such date, interest thereon will cease to accrue and be payable.

Pursuant to the Indenture, the Paying Agent is required to give notice at least thirty (30) days but not more than forty-five (45) days prior to the redemption date to the Owners of such Bonds designated for redemption by first class mail, postage prepaid, at their addresses appearing on the Bond Register as of the close of business on the day before such Redemption Notice is given. The Paying Agent is also required to give notice of such redemption at least thirty-five (35) days prior to the applicable redemption date to certain Securities Depositories and Information Services, as such terms are defined in the

Indenture. Neither failure to receive the Redemption Notice nor any error in such notice shall affect the validity of the proceedings for the redemption of Bonds.

Partial Redemption of Bonds. Upon surrender of any Bond to be redeemed in part only, the Paying Agent will authenticate and deliver to the Owner, at the expense of the District, a new Bond or Bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bond surrendered, with the same interest rate and same maturity. Such partial redemption will be valid upon payment of the amount required to be paid to such Owner, and the District and the Paying Agent will be released and discharged thereupon from all liability to the extent of such payment.

Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the principal of, and interest and any premium on, the Bonds called for redemption will have been made available to the Paying Agent as provided in the Indenture, in the Redemption Fund, such Bonds so called will cease to be entitled to any benefit under the Indenture other than the right to receive payment of the redemption price, and no interest will accrue thereon on or after the redemption date specified in such notice.

Additional Bonds

The District is authorized to incur bonded indebtedness in an amount not to exceed \$13,000,000 for Improvement Area A. In addition to the \$4,675,000 in principal amount of Prior Bonds previously issued, up to \$8,325,000 principal amount of additional bonds ("Additional Bonds") are authorized to be issued in Improvement Area A payable from, and secured by a lien on, the Special Taxes and other amounts deposited in the Special Tax Fund on a parity with the Bonds if the requirements set forth in the Indenture are met. See "SECURITY FOR THE BONDS – Additional Bonds Test," and "APPENDIX E - Summary of Certain Provisions of the Indenture" herein.

Book-Entry Only System

The Bonds will be delivered in fully registered form only and when executed and delivered will be registered in the name of Cede & Co., as nominee of DTC. DTC will act as securities depository for the Bonds. Ownership interests may be purchased in book-entry form only in denominations of \$5,000 or any integral multiple thereof. So long as the Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments of principal and interest with respect to such Bond and all notices with respect to such Bond shall be made and given as defined herein or as otherwise instructed by DTC and acceptable to the District. See "APPENDIX D – Book-Entry Only System."

REFUNDING PLAN

The Prior Bonds

A portion of the proceeds from the sale of the Bonds will be used to refund all of the outstanding Community Facilities District No. 6 (Agua Dulce Area) of the County of Los Angeles Improvement Area A Special Tax Bonds, Series 1993A (Sierra Colony Ranch), which were issued under a resolution adopted October 20, 1992 by the Board, acting as the legislative body of the District in the original aggregate principal amount of \$4,675,000 (the "Prior Bonds"). The Prior Bonds are currently outstanding in the principal amount of \$3,875,000. The Prior Bonds were issued by the District to provide moneys for the acquisition, construction, and installation of certain public capital infrastructure facilities, including a portion of a school site (collectively, the "Facilities"). The purpose of the issuance of the Bonds is to refinance, at a lower interest rate, the obligations secured by the property in Improvement Area A. See "IMPROVEMENT AREA A – Description of Facilities Financed With Prior Bond Proceeds" herein.

Escrow Agreement

The Prior Bonds will be refunded and defeased in accordance with the terms of that certain Indenture dated as of January 1, 1993 (the "Prior Indenture"), by and among the District acting through the Board, the Treasurer and Tax Collector, as the paying agent, and the Auditor-Controller, as the fiscal agent (the "Prior Fiscal Agent"). On the date of delivery of the Bonds, a portion of the proceeds from the sale of the Bonds (the "Refunding Proceeds"), together with certain moneys currently on deposit in the funds and accounts established under the Prior Indenture and currently being held by the Prior Fiscal Agent (together with the Refunding Proceeds, the "Escrow Proceeds"), will be delivered to the escrow agent (the "Escrow Agent") under that certain Escrow Agreement dated as of July 1, 2003 (the "Escrow Agreement"), by and between the District and the Escrow Agent. The Escrow Agent will hold the Escrow Proceeds in an irrevocable escrow fund (the "Escrow Fund") for the benefit of the owners of the Prior Bonds, to be applied solely as provided in the Escrow Agreement.

Pursuant to the Escrow Agreement, the Escrow Agent will use a portion of the moneys on deposit in the Escrow Fund to purchase non-callable direct obligations of the United States of America ("Federal Securities"), in an amount, bearing interest, and subject to terms so that such Federal Securities will be sufficient, when added to any uninvested cash in the Escrow Fund, to discharge the Prior Indenture in accordance with its terms by providing funds sufficient to (i) pay any and all principal and interest due on the Prior Bonds on September 1, 2003, and (ii) on September 1, 2003, pay the redemption price of all of the outstanding Prior Bonds maturing on September 1, 2004 and thereafter, including a redemption premium of one percent (1%) of the principal amount thereof.

Verification Report

Causey Demgen & Moore Inc., a firm of independent certified public accountants located in Denver, Colorado, will verify the accuracy of the mathematical computations of the adequacy of the maturing principal of and interest earned on the Federal Securities held under the Escrow Agreement by the Escrow Agent, together with other available funds held by the Escrow Agent, to provide for the refunding and defeasance of the Prior Bonds.

SECURITY FOR THE BONDS

Pledge Under the Indenture; Special Tax Revenues

Pursuant to the Indenture, the Bonds are secured by a pledge of all Net Taxes in the Special Tax Fund, and all moneys on deposit in the Bond Service Fund and the Reserve Fund. Amounts in the Administrative Expense Fund, the Escrow Fund, the Rebate Fund, and the Costs of Issuance Fund are not pledged to the repayment of the Bonds. The term "Net Taxes" is defined in the Indenture as the amount of all Gross Taxes minus Administrative Expenses. The term "Gross Taxes" is defined in the Indenture as (i) all Special Taxes and (ii) all proceeds from the sale of property collected pursuant to the foreclosure provisions of the Act and the Indenture for the delinquency of such Special Taxes. The term "Administrative Expenses" is defined in the Indenture as the ordinary and necessary costs of administering the levy and collection of the Special Taxes, including but not limited to annual audit fees, Paying Agent fees, Fiscal Agent fees, Escrow Agent fees, fees incurred in connection with the calculation of arbitrage rebate due to the federal government, and costs of compliance with disclosure obligations of the District.

All Gross Taxes received by the District will be transferred to the Fiscal Agent for deposit into the Special Tax Fund. Special Taxes levied by the County on behalf of the District will be collected for the County by the Treasurer and Tax Collector of the County in the same manner and at the same time as *ad valorem* property taxes are collected by the County. In addition, the Act provides that the Board could authorize that Special Taxes be collected by direct billing by the County of the affected landowners.

If the Fiscal Agent determines at any time that the balance in the Reserve Fund is less than the Reserve Requirement as the result of the failure by one or more owners of real property to pay Special Taxes when due, the District and the County on the District's behalf have covenanted with and for the benefit of the registered owners of the Bonds that the District will commence and diligently prosecute to completion such foreclosure proceedings against the delinquent property as may be necessary to restore the Reserve Fund balance to the Reserve Requirement.

The obligations of the District under the Indenture and the Bonds are special obligations of the District, payable solely from the Net Taxes and the moneys on deposit in certain of the funds pledged therefore under the Indenture. Neither the faith and credit nor the taxing power of the District (except to the limited extent described herein), the County, or the State of California or any political subdivision thereof is pledged to the payment of the Bonds.

The Special Taxes will be levied against taxable property within Improvement Area A. Such Special Taxes do not constitute a personal indebtedness of the respective property owners. There is no assurance that the property owners will be financially able to pay the annual Special Taxes or that they will pay such Special Taxes even if financially able to do so. See "RISK FACTORS – Collection of Special Taxes" herein.

Rate and Method of Apportionment

The Rate and Method of Apportionment contains the formula for determining the levy of Special Taxes. See "APPENDIX B – Rate and Method of Apportionment of Special Tax" herein. All capitalized terms used in this subsection that are not defined in this Official Statement have the meanings given to such terms in the Rate and Method of Apportionment, attached to this Official Statement as Appendix B.

Pursuant to the Rate and Method of Apportionment, the Special Tax will be levied on each lot or parcel within Improvement Area A in sufficient amount to pay the "Special Tax Requirement," which is (i) the debt service on all bonds or other periodic costs on the bonds or other indebtedness, (ii) the costs of remarketing, credit enhancement, and liquidity facility fees (including such fees for instruments that serve as the basis of a reserve fund in lieu of cash related to any such indebtedness), (iii) the cost of acquisition or construction of authorized facilities of Improvement Area A, (iv) Administrative Expenses, (v) costs associated with the release of funds from an escrow account if any, (vi) any amounts required to replenish any reserve funds, and (vii) an amount equal to the anticipated delinquent special taxes, as determined by the Board.

The Rate and Method makes a distinction between Developed Property and Undeveloped Property. Developed Property means for any Fiscal Year, all Taxable Property, exclusive of Taxable Public Property, for which a final tract map has been recorded as of March 1 of the prior Fiscal Year. Undeveloped Property is all other property within the boundaries of Improvement Area A, exclusive of Taxable Public Property, not classified as Developed Property. Special Taxes will be levied for a period not to exceed thirty (30) years.

A third category under the Rate and Method of Apportionment is Taxable Public Property, defined as all property within Improvement Area A owned by or dedicated to the federal government, State of California, local government or other public agency which was acquired by such public agencies through a negotiated transaction, gift or devise, including any dedication contingent upon approval of development plans which has not been exempted pursuant to the Rate and Method of Apportionment. The Maximum Special Tax for Taxable Public Property is \$4,105 per acre. The District reports that there is no Taxable Public Property in Improvement Area A as of the date hereof.

Developed Property is subject to a Maximum Special Tax amount which is the greater of the amount derived by multiplying the square footage of the Assessor's Parcel by the Backup Special Tax, or the amount derived by applying the Assigned Special Tax. The Backup Special Tax is \$0.0942 per square foot of the parcel (not the homes located on the parcel) while the Assigned Special Tax for Developed Property is \$7,667 per Assessor's Parcel. Thus, the Maximum Special Tax on a parcel of Developed Property is the greater of \$7,667 or the product of \$0.0942 times the total square feet of the parcel. There is no provision in the Rate and Method of Apportionment for an increase in either the Assigned Special Tax or the Backup Special Tax.

The Maximum Special Tax for Undeveloped Property is \$4,200 per acre. However, Undeveloped Property is not taxed unless additional monies are required to achieve the Special Tax Requirement after taxing the Developed Property, as discussed below.

Each Fiscal Year, the Special Tax is levied on property in Improvement Area A in the manner set forth in the Rate and Method of Apportionment until the amount of the levy equals the Special Tax Requirement. In order to achieve the Special Tax Requirement, the Board shall levy Special Taxes proportionately on Developed Property and Taxable Public Property up to 91% of the Assigned Special Tax for Developed Property and up to 91% of the Maximum Special Tax for Taxable Public Property. If additional monies are needed after the first step is completed, the Special Tax shall be levied proportionally on each parcel of Undeveloped Property, up to 91% of the Maximum Special Tax for Undeveloped Property. If additional monies are needed after the first two steps have been completed, then the levy of Special Tax on each parcel of Developed Property, Taxable Public Property and Undeveloped Property shall be increased in equal percentages up to 100% of the applicable Assigned Special Tax for Developed Property and up to 100% of the Maximum Special Tax for Taxable Public Property and Undeveloped Property. Finally, if additional monies are needed after the first three steps are completed, then the levy of the Special Tax on each parcel of Developed Property whose Maximum

Special Tax is determined through the application of the Backup Special Tax shall be increased in equal percentages up to the Maximum Special Tax for each such parcel.

Since formation, the Special Tax has been levied only on Developed Property, which is comprised of the 61 lots in the Phase 1 Portion of Improvement Area A. The total Special Taxes to be levied on taxable property within the Phase 1 Portion for fiscal year 2003-2004 is expected to be approximately \$348,663,* which is approximately 74.45%* of the Assigned Special Tax for Developed Property. Absent (i) significant delinquencies of the Developed Property necessitating the levy against Undeveloped Property, (ii) the reclassification of some or all of the parcels in the Phase 2 Portion as Developed Property by the filing of a final tract map on all or part of the Phase 2 Portion, or (iii) the issuance of Additional Bonds, the District anticipates that Special Taxes will only be levied upon the Phase 1 Portion of Improvement Area A.

The Rate and Method of Apportionment allows for the levy of Special Taxes to pay for improvements directly. To date, the County has not levied Special Taxes for the direct financing of improvements. However, the County may choose to do so in the future, which could increase the amount of Special Taxes levied on the Phase 1 Portion and result in the levy of Special Taxes on the Phase 2 Portion. See "APPENDIX B – Rate and Method of Apportionment of Special Tax" herein.

Reserve Fund

There shall be maintained in the Reserve Fund an amount equal to the Reserve Requirement, which is being initially funded from the proceeds of the Bonds. The Indenture provides that the Reserve Requirement means, as of any date of calculation, an amount equal to the least of (a) 10% of the stated principal amount (within the meaning of Section 148 of the Code) of the Bonds, (b) Maximum Annual Debt Service on the Outstanding Bonds (as such terms are defined in the Indenture), or (c) 125% of Average Annual Debt Service (as defined in the Indenture); *provided*, that any Reserve Facility (as defined below) shall be taken into account in calculating the balance on deposit in the Reserve Fund. Pursuant to the Indenture, the District may provide a surety bond or other financial instrument acceptable to the Treasurer (the "Reserve Facility") in lieu of all or a portion of the moneys required to be maintained in the Reserve Fund.

Except for as provided below, moneys in the Reserve Fund, including draws on the Reserve Facility, if any, shall be used solely for the purpose of paying the principal of and interest on the Bonds in the event that the moneys in the Bond Service Fund are insufficient therefore. If the amount on deposit in the Reserve Fund, including the Reserve Facility, if any, is less than the Reserve Requirement, the Fiscal Agent will notify the District of the amount needed to replenish the Reserve Fund to the Reserve Requirement. Subsequently, the District shall collect such deficiency either through including such amount in the next annual Special Tax levy, to the extent permitted by law, or otherwise. If amounts on deposit in the Reserve Fund, including the Reserve Facility, if any, are less than the Reserve Requirement, after making the required transfers to the Administrative Expense Fund and the Bond Service Fund, the Fiscal Agent will transfer to the Reserve Fund from the first available moneys in the Special Tax Fund an amount necessary to increase the balance therein to the Reserve Requirement. If on July 1 of each year, the amount on deposit in the Reserve Fund is in excess of the Reserve Requirement, the Fiscal Agent will transfer such excess to the Bond Service Fund as required under the terms of the Indenture. Moneys in the Reserve Fund shall be transferred to the Bond Service Fund on the final maturity of the Bonds and applied to the payment of the principal of and interest on the last outstanding maturity of the Bonds. See "APPENDIX E – Summary of Certain Provisions of the Indenture" herein.

* Preliminary; subject to change

Covenant to Commence Foreclosure for Delinquent Special Taxes

Pursuant to Section 53356.1 of the Act, the District, has covenanted with and for the benefit of the Owners that it shall order, and cause to be commenced as provided in the Indenture, and thereafter diligently prosecute to judgment (unless such delinquency is theretofore brought current), an action to foreclose the lien of any Special Tax or installment thereof not paid when due as provided in the following paragraph.

In such an action, the real property subject to the unpaid amount may be sold at judicial foreclosure sale. Such a judicial foreclosure sale is not mandatory under the Act. However, pursuant to the Indenture, the District has covenanted for the benefit of the Owners to do the following: If the Fiscal Agent determines at any time that the balance in the Reserve Fund is less than the Reserve Requirement as the result of the failure by one or more owners of real property in Improvement Area A to pay Special Taxes when due, the District shall commence and diligently prosecute to completion foreclosure proceedings against the delinquent parcels of Property in Improvement Area A as may be necessary to restore the Reserve Fund balance to the Reserve Requirement. See "RISK FACTORS – Foreclosure Proceedings."

Additional Bonds Test

Following the issuance of the Bonds, Additional Bonds are permitted to be issued upon satisfaction of such conditions set forth in the Act, the Indenture, and such other conditions as the District may impose. Capitalized terms used in this section and not otherwise defined shall have the meanings given to such terms in the Indenture. See "APPENDIX E – Summary of Certain Provisions of the Indenture" herein.

The District may at any time issue Additional Bonds (in addition to the Bonds) payable from the proceeds of the Special Taxes as provided in the Indenture on a parity with the Bonds (and any other Series of Bonds issued under the Indenture), but only subject to the conditions precedent set forth in the Indenture (and summarized in "APPENDIX E – Summary of Certain Provisions of the Indenture"). Among the conditions precedent for the issuance of Additional Bonds are the following:

(a) The issuance of such Additional Bonds must be authorized under and pursuant to the Act and under and pursuant to the Indenture and provided for by a Supplemental Indenture which will specify, among other things, the purpose for which such Additional Bonds are to be issued; provided, that the proceeds of the sale of such Additional Bonds will be applied solely for the purpose of providing funds (i) to pay for the costs of the acquisition and construction of the Project, including costs incidental to or connected with such acquisition or (ii) to refund any Outstanding Bonds issued under the Indenture, including the payment of all costs incidental to or connected with financing;

(b) The District will comply with all agreements, conditions, covenants and terms contained in the Indenture and in all Supplemental Indentures required to be observed or performed by it; and

(c) The District must receive a certificate from one or more Independent Consultants which, when taken together, certify that (i) on the basis of the parcels of land and improvements existing in Improvement Area A as of the March 1 preceding the proposed issuance of the Additional Bonds, the amount of maximum Special Taxes that may be levied by the District pursuant to the Act, the Ordinance and the applicable resolutions of the District for each Bond

Year that the Bonds will be Outstanding, after subtracting an amount determined by the District to be necessary to pay Administrative Expenses, is at least 1.1 times Maximum Annual Debt Service on all Outstanding Bonds, including the Additional Bonds proposed to be issued, (ii) the fair market value of the land and improvements in Improvement Area A is at least three times the debt allocable to Improvement Area A, and (iii) the fair market value of the Undeveloped Property (as defined in the Rate and Method of Apportionment) within Improvement Area A is at least three times the debt allocable to such Undeveloped Property; provided, however, that if the fair market value of the Undeveloped Property is less than three times the debt allocable to such Undeveloped Property, a credit support in form and substance satisfactory to the District is provided to secure the payment of the Special Taxes due on such Undeveloped Property.

In making the calculations under (ii) and (iii) above, the fair market value of the land will be the appraised value of the land, including then existing improvements and any facilities to be constructed or acquired with the proceeds of the proposed Additional Bonds, as determined by an appraisal performed by an appraiser selected by the County. The debt allocable to the land will be the sum of the following:

(A) the portion of the aggregate principal amount of all Bonds then Outstanding (including for purposes of this calculation under this paragraph (A) the Additional Bonds proposed to be issued) equal to the aggregate principal amount of all Bonds Outstanding multiplied by a fraction the numerator of which is the amount of special taxes levied for all Bonds on such land and the denominator of which is the total amount of special taxes levied for all Bonds on all land (such fraction to be determined based upon the maximum special taxes which could be levied the year in which Maximum Annual Debt Service on all Bonds occurs), based upon land use classifications existing from the most recently available Fiscal Year, plus

(B) the pro rata portion of the principal amount of all assessment district bonds then outstanding which at the time of calculation are payable from assessments to be levied on such land, plus

(C) a portion of the aggregate principal amount of other community facilities district bonds then outstanding and payable at least partially from special taxes to be levied on such land (the "Other CFD Bonds") equal to the aggregate principal amount of the Other CFD Bonds multiplied by a fraction, the numerator of which is the amount of special taxes levied for the Other CFD Bonds on such land, and the denominator of which is the total amount of special taxes levied for the Other CFD Bonds on land (such fraction to be determined based upon the maximum special taxes which could be levied the year in which maximum annual debt service on the Other CFD Bonds occurs, except in the case of debt secured by ad valorem taxes such fraction shall be determined based on the taxes levied for the current Fiscal Year), based upon the land use classifications existing from the most recently available Fiscal Year.

For purposes of making the certifications described above, the Independent Consultants may rely on reports or certificates of such other persons as may be acceptable to the District, Bond Counsel and the underwriter of the proposed Additional Bonds.

Notwithstanding the foregoing, nothing contained in the Indenture will limit the issuance of any special tax bonds of the District payable from Special Taxes as provided in the Indenture if after the issuance and delivery of such special tax bonds none of the Bonds issued pursuant to the Indenture will be Outstanding.

IMPROVEMENT AREA A

The following information regarding the development and ownership of property in Improvement Area A has been derived from sources that the District believes to be reliable but is not guaranteed as to accuracy or completeness. The information set forth in the section “- Description of the Phase 1 Portion” came primarily from Roger Werbel of Werbelco. The information in the section “- Description of the Phase 2 Portion” came from the Winery’s conditional use permit application submitted to the County Department of Regional Planning. The Winery has not provided independent verification of the information contained herein. This information has been included because it may be considered relevant to an informed evaluation and analysis of the Bonds. The inclusion in this Official Statement of the following information should not be construed to suggest that the Bonds or the Special Taxes used to pay the Bonds are obligations of any owner of property within Improvement Area A payable other than from Special Taxes and foreclosure proceeds. The Bonds are secured by a pledge of and lien upon Net Taxes derived from Improvement Area A and the moneys on deposit in certain funds held under the Indenture. See “SECURITY FOR THE BONDS” herein.

General Information

At an election held pursuant to the Act on October 25, 1991, the qualified electors, consisting of the then landowners within the boundaries of Improvement Area A, authorized the District to incur bonded indebtedness in a principal amount not to exceed \$13,000,000 to finance the Facilities.

The District, which is composed of two non-contiguous improvement areas, Improvement Area A and Improvement Area B, is located in the northwestern portion of the County, approximately 75 miles north of downtown Los Angeles, with access off of the CA-14 Freeway. This Official Statement discusses Improvement Area A only.

Any securities, notes or instruments issued for Improvement Area B are not secured by the property in Improvement Area A and, likewise, any securities, notes or instruments issued for Improvement Area A (including the Bonds) are not secured by property in Improvement Area B.

Improvement Area A consists of approximately 350 gross acres of land. The original developer recorded Tract Map No. 34038 on May 22, 1991, which allowed for the development of the Phase 1 Portion. The Phase 1 Portion contains 61 lots. To date, building permits have been issued for 59 lots. Residential development in what was to be the second phase was never pursued. Tentative Tract Map No. 48786 was approved by the County of Los Angeles Regional Planning Commission on February 19, 1992 (the “Phase 2 Portion Map”). However, the Phase 2 Portion Map expired and was neither extended nor renewed. As of June 1, 2003, according to the County Assessor’s rolls, the Winery and three other parties own land in the Phase 2 Portion, which is considered Undeveloped Property under the Rate and Method of Apportionment. See “- Ownership of the Phase 1 Portion,” “- Ownership of the Phase 2 Portion,” and “APPENDIX B - Rate and Method of Apportionment of Special Taxes” herein.

Ownership of the Phase 1 Portion

The property within the Phase 1 Portion is comprised of approximately 155 acres and is owned by the following parties:

Individual Owners. As of June 1, 2003, there were 51 individual owners within the Phase 1 Portion. The property owned by each landowner is classified as Developed Property and is subject to the levy of Special Taxes. See “- Tax Delinquencies” and “SECURITY FOR THE BONDS” herein.

Werbco Construction Corp. In 1996, Werbco bought 56 finished lots from Imperial Bank (now Comerica Bank), and has since developed and sold 46 of the lots to individual owners. As of June 1, 2003, the remaining 10 lots were owned by Werbco, although 6 of them were in escrow to be sold to individual homeowners. Werbco owns 1 parcel that is not improved. Founded in 1961, Werbco is a California corporation owned and operated by its sole shareholder, Roger Werbel. Over the past forty years, Werbco has built over five thousand single-family residential units in Southern California. Werbco is current on its payment of Special Taxes for all property that it owns.

Description of the Phase 1 Portion

The original developer sold 4 lots to individual owners. Homes have been built on 3 of those lots. The other lot – Lot 034-6 - remains unimproved, as discussed below.

Subsequently, the remaining 57 parcels of the Phase 1 Portion were conveyed to Imperial Bank (now Comerica Bank), who in turn, conveyed 1 parcel to an outside builder and 56 parcels to Werbco.

The outside builder built and then sold 1 home to an individual homeowner.

In 1998, Werbco began the first of what would be six stages of construction on the Phase 1 Portion by building 3 model homes - the Berkshire, the Devonshire and the Hampshire. By the year 2000, Werbco closed escrow on the first 10 production homes. Thereafter, Werbco closed escrow on an additional 11 houses in 2000, 10 in 2001, and 10 in 2002. As of June 1, 2003, Werbco has sold 4 production and 1 model home in 2003. Thus, Werbco owns property that contains the 2 models and 7 substantially completed production homes. Werbco is in escrow to sell 5 of these remaining 7 production homes. Additionally, Werbco is in escrow to sell 1 of the remaining model homes. Lot 034-28 is also owned by Werbco and remains unimproved, as discussed below.

The following Table 2 describes the breakdown of construction on the lots in the Phase 1 Portion owned by Werbco:

Table 2
Development Breakdown for Werbco

<u>Models</u>	<u>3</u>	775,000 - 820,000	2003 ⁽²⁾
Total	55⁽³⁾		

(1) All 10 homes are substantially completed. As of June 1, 2003, Werbco sold 4 of the 10 production homes of the remaining 6 production homes constructed in 2003, and 1 production home constructed in 2002 that were owned by Werbco on June 1, 2003. 4 of the 6 remaining production homes are in escrow and expected to be delivered in 2003.

(2) All 3 model homes are fully constructed. As of June 1, 2003, Werbco has sold 1 of the 3 model homes, and the remaining 2 model homes are in escrow and expected to be delivered in 2003.

(3) Of the 56 parcels purchased by Werbco from Imperial Bank, 55 have building permits issued, while Lot 034-28 remains unimproved.

Source: Roger Werbel, Werbco.

Werbco offered three product lines of homes ranging in size from approximately 3,200 square feet to approximately 4,200 square feet, with base prices ranging between approximately \$450,000 to approximately \$780,000. The completed models range in price from \$775,000 to \$820,000. Lot location is a significant contributor to the variations in price.

Lot 034-28 is also owned by Werbco. Although the 28-acre lot is unimproved, it is classified as Developed Property under the Rate and Method of Apportionment and is subject to the levy of Special Taxes. Lot 034-28 represents 1.64% of the expected Special Tax levy in 2003-04 based on the Assigned Special Tax rate. Until this lot is improved, it is less valuable than improved property, although its current assessed value is in excess of \$389,000. Werbco plans to develop Lot 034-28 at a future point in time. See "RISK FACTORS," and "APPENDIX B – Rate and Method of Apportionment of Special Tax" herein.

Lot 034-6 is owned by an individual owner, is 2.22 acres in size, and is unimproved. The Special Taxes due on Lot 034-6 have not been paid since 1996. The County and the District have not instituted foreclosure proceedings because there has never been a draw on the reserve fund associated with the Prior Bonds; however, Lot 034-6 is currently eligible for sale by the County Treasurer and Tax Collector. A

portion of the proceeds from the County sale would be remitted to the District. No assurances can be made that Lot 034-6 will be offered for sale by the County Treasurer and Tax Collector, or if offered, that it will be sold.

Thus, the Phase 1 Portion is comprised of 59 single-family homes, one unimproved lot of 28 acres, and one unimproved lot of 2.22 acres.

In addition to the homes, Werbco is completing construction of a water well for the SPV Water Company. The construction of this well will be initially funded by Werbco.

Ownership of the Phase 2 Portion

The Phase 2 Portion is comprised of approximately 194 acres and, according to the County Assessor's rolls, is currently owned by the Winery and three other landowners: Robert Reyes Sr. as Trustee for the Sandra Manor Trust; Jerome H. Snyder; and Van Huisen Associates, LLC. The Winery has operated a grape farm on a portion of the Phase 2 Portion. The remaining acreage in the Phase 2 Portion is primarily unimproved.

Description of the Phase 2 Portion

Even though the Phase 2 Map was approved by the County of Los Angeles Regional Planning Commission on February 19, 1992 and allowed for the development of 84 single family residential units, the Phase 2 Map expired on February 19, 1994 and was neither extended nor recorded by the original developer. The Phase 2 Map covers all of that real property owned by the Winery, and the three other property owners in the Phase 2 Portion.

All of the property in the Phase 2 Portion is currently classified as Undeveloped Property under the Rate and Method of Apportionment. As such, it is not taxed by the District unless the Special Taxes levied against the Developed Property (i.e., the Phase 1 Portion) are insufficient to pay the Special Tax Requirement. Although the Phase 2 Portion is not currently being taxed, if (i) there are significant delinquencies in the payment of Special Taxes by the Developed Property necessitating the levy of Special Taxes on the Undeveloped Property, (ii) Additional Bonds are issued, or (iii) the Undeveloped Property is reclassified as Developed Property by the filing of a final tract map, the property in the Phase 2 Portion may be subject to the levy of Special Taxes.

According to the Winery's application to the Department of Regional Planning for a conditional use permit, for the last several years, the Winery has operated a grape farm and wine bottling operation within the Phase 2 Portion, producing approximately 15,000 gallons of wine each year. The Winery operated under a "Clean Hands" waiver issued by the County, which allowed the operation of a non-conforming land use until such time as a conditional use permit was granted. Recently, the Department of Regional Planning for the County revoked the Winery's "Clean Hands" waiver and notified the Winery that it is to cease using the property as a manufacturing facility with on-site and off-site alcohol sales, unless or until a valid land use entitlement is obtained. See "RISK FACTORS – The Winery" herein.

In November of 2002, the Winery applied for a conditional use permit which would approve the continued use of the existing winery and to increase annual production from 15,000 gallons to 60,000 gallons. In addition, the conditional use permit application states that the Winery seeks authorization for winery tours and tasting, wine bottling, 6 annual special events, 1 single family residence, three mobile home caretaker's residences, accessory storage structures, and the sale of beer and wine for on and off-site consumption. A public hearing for the conditional use permit, scheduled for January 22, 2003, was cancelled and postponed indefinitely. Even if the Winery is granted the conditional use permit and the

improvements being sought for approval are constructed, unless a final tract map is recorded covering the Winery, such property would still not be taxed as Developed Property under the Rate and Method of Apportionment. See "RISK FACTORS - The Winery" herein.

Description of Facilities Financed With Prior Bond Proceeds

The Facilities financed with the proceeds of the Prior Bonds have been completed and are comprised of collateral streets, certain sewer facilities, drainage facilities, water improvements, certain offsite road improvements, a utility backbone, grading and landscaping, and certain engineering, administrative, and incidental costs related to the facilities above. In addition, the Facilities include certain costs related to a forty (40) acre school site.

Tax Delinquencies

Pursuant to the provisions of the Act, the Special Taxes, from which funds necessary for the payment of principal of and interest on the Bonds are derived, will be billed to the properties within Improvement Area A on the regular property tax bills sent to owners of such properties. Such Special Tax installments are due and payable, and bear the same penalties and interest for non-payment, as do

* Preliminary; subject to change

regular property tax installments. In the case of property that has been the subject of a prior Special Tax levy, the unwillingness or inability of a property owner to pay the Special Taxes could result in a draw upon the Reserve Fund and the institution of foreclosure proceedings. In the case of a property that has not been the subject of a prior Special Tax levy, and since, in general, Special Tax installment payments cannot be made separately from property tax payments, the unwillingness or inability of a property owner to pay regular property tax bills as evidenced by property tax delinquencies may also indicate an unwillingness or inability to make regular property tax payments and Special Tax installment payments in the future.

The following Table 4 describes the tax delinquencies attributable to property in the Phase 1 Portion for the past five (5) years. Only the delinquencies for the Phase 1 Portion are shown because according to the County records, as of June 1, 2003, there are no delinquencies in the payment of County taxes by the Phase 2 Portion. The delinquencies shown in the column labeled "Delinquencies Per Fiscal Year" represent the number of delinquencies on the Phase 1 Portion in the respective fiscal year as of the first "paid reports" of the County Auditor-Controller circulated following the close of such fiscal year. The column labeled "No. of Delinquencies as of June 1, 2003" represents the delinquencies that occurred in the respective fiscal year that remain outstanding as of June 1, 2003. The differences between these two columns are due to payments of the delinquent taxes by the property owners at some time prior to June 1, 2003.

(a) Lot 034-6 is delinquent in each of the years 1998-1999, 1999-2000, 2000-2001, 2001-2002 and 2002-2003. The District has not initiated action for foreclosure against the owner of Lot 034-6 because there have been no draws on the reserve fund for the Prior Bonds. However, recently Lot 034-6 was listed for auction at a County tax sale.

(b) Assessor's Parcel Number 3213-034-007 is delinquent in each of the years 2000-2001, 2001-2002 and 2002-2003.

(c) Assessor's Parcel Number 3213-034-027 is delinquent in each of the years 2001-2002 and 2002-2003.

(d) Assessor's Parcel Number 3213-034-004 is delinquent in fiscal year 2000-2001 and 2002-2003.

(e) In addition to the lots described in (a) – (d) above, one parcel is delinquent in fiscal year 2001-2002 and four different parcels are delinquent in fiscal year 2002-2003.

Source: David Taussig & Associates, Inc.

Despite the delinquencies shown in Table 4 above, the County has had sufficient funds with which to pay the debt service on the Prior Bonds without having to draw from the prior reserve fund. In addition, the County has sufficient funds currently on deposit with which to pay the September 1, 2003 debt service on the Prior Bonds.

See "SECURITY FOR THE BONDS – Covenant to Commence Foreclosure for Delinquent Special Taxes" herein, for a discussion of the provisions which apply, and procedures which the District is obligated to follow, in the event of delinquency on the payment of Special Taxes.

Property Values; Value-to-Lien Ratio

The California Constitution requires that all property be taxed unless otherwise exempted under the California Constitution or the United States Constitution. As a result of the passage of Proposition 13, a general levy on real property cannot exceed one percent (1%) of the property's assessed value, except for additional taxes to secure bonded indebtedness. These taxes on real property provide the revenue for local governments and as such are imposed by the local subdivision (county, city or both) in which the property is located. Thus, in the County, the County Assessor is responsible for assessing the property within the County and the County Tax Collector is responsible for collecting the taxes due on the assessed property.

Real property is assessed based on its "full cash value." The California Constitution defines full cash value as the county assessor's valuation of real property as shown on the 1975-1976 tax bill, or thereafter, the appraised value when there has been a change in ownership, or the completion of construction. At any one of these triggers, the county assessor will reassess the real property and determine its fair cash value, which has been interpreted to mean, the fair market value. Under the California Revenue and Taxation Code, "full cash value" and "fair market value" means the amount of cash or its equivalent which property would bring if exposed for sale in the open market.

The full cash value may be adjusted annually to reflect inflation at a rate not to exceed two percent (2%) per year or to reflect a reduction in the consumer price index or comparable data for the area under the taxing jurisdiction, or reduced in the event of declining property values caused by substantial damage, destruction, or other factors.

Generally, real property assessors use four basic methods to determine the value of property. These methods include: (i) the *cost method*, whereby the assessor can use the purchase price of the property; (ii) the *market data or comparable sales method*, in which the assessor considers the prices at which similar properties are being valued and similar properties have recently been sold; (iii) the *income or capitalization method* where the assessor values the property based on its ability to generate future income; and (iv) a *combination of methods*, whereby the assessor breaks the taxable property into separate components and analyzes each part using a different valuation approach. In the case of single family detached residential property, the assessor will ordinarily use the cost method or the comparable sales method to determine the fair value of the property.

Because property may not be reassessed until new construction or change of ownership (other than the 2% increase), parcels of property in a subdivision may have markedly different assessed valuations, depending on the date of reassessment. Moreover, the assessed valuation of a property may not equal the market value of the property at any given time, especially in the case where there are infrequent sales of homes in a market of increasing property values. See "RISK FACTORS" herein.

** All of the parcels within the Phase 1 Portion have had building permits pulled except for Lots 034-28 and Lot 034-6.

*** With respect to APN 3213-035-033, the assessed value is lower than the balance of the property within the Phase 1 Portion because the owner of the property, pursuant to California Proposition 60, was able to transfer the base year value of a previous property to the property within the Phase 1 Portion. Proposition 60 provides a transferor, who is at least 55 years of age, the one-time opportunity to transfer the base-year value of a principal residence to a replacement residence of equal or lesser market value than the old dwelling unit so long as the new residence is within the same county. Thus, this homeowner transferred the lower base value from the previous residence to the above listed property. Pursuant to County records, the purchase price for Lot 035-033 on October 24, 2001 was \$505,909.

As shown above, the aggregate assessed valuation for the Phase 1 Portion is \$28,837,537.

The aggregate principal amount of the Bonds is \$3,700,000.* Although the lien of Special Taxes includes both the principal of and interest on the Bonds, for purposes of calculating the value-to-lien ratio, the aggregate principal amount of the Bonds will be utilized to calculate the total lien on the Phase 1 Portion of the property in Improvement Area A.

In addition, since only the parcels in the Phase 1 Portion of Improvement Area A are currently being taxed by the District, the value-to-lien ratio is calculated only for the Phase 1 Portion.

The ratio of the assessed value of the property within the Phase 1 Portion to the total lien of the Bonds is approximately 7.8:1.* The foregoing value-to-lien ratio is based on the following assumptions: (i) the principal amount of the Bonds is \$3,700,000*; (ii) the portion of the principal of the Bonds that is attributable to each parcel is based on each parcels proportionate share of the Special Taxes based on the Assigned Special Tax rates (not the Backup Special Tax); and (iii) the Phase 2 Portion of Improvement Area A is not allocated any portion of the principal amount of the Bonds.

As reflected in Table 6 above, there are 7 parcels whose value-to-lien ratio falls below 3:1 (the "Low Value-to-Lien Parcels"). With the exception of Lot 035-33, each of these parcels reflects \$0 for the value of improvements on the property. Since each of the Low Value-to-Lien Parcels have homes constructed thereon that are substantially complete, it is likely that the assessed valuation will increase when the improvements are valued by the County Assessor. Given the value of the existing homes, and the fact that the homes on the Low Value-to-Lien Parcels are of the same size and character as the rest of the Phase 1 Portion, it is likely that each of the Low Value-to-Lien Parcels will see an increase in assessed value of several hundred thousand dollars upon reassessment by the County Assessor. Assuming that property values remain constant through the time that the County Assessor reassesses the Low Value-to-Lien Ratio Parcels and that none of the property owners applies for a Proposition 60 reduction, the value-to-lien ratios for these parcels (other than Lot 035-33) should increase above 3:1.

The foregoing may be illustrated by reviewing the value of the building permits issued by the County on the Low-Value-to-Lien Parcels (other than Lot 035-33). Table 7 shows the date that the building permit was issued and the estimated value of the respective building permit for each of the Low Value-to-Lien Parcels (other than Lot 035-33).

No assurance can be given that the building permit improvement values shown above reflect the market value of the improvements.

It should be noted that there are 4 other parcels in the Phase 1 Portion that have not yet had the improvements valued but that have a value-to-lien ratio above 3:1. See Table 5 herein.

Lot 035-33 reflects a low assessed value-to-lien ratio because the owner of this parcel elected to transfer the assessed value of a prior residential property to the residential unit in the Phase 1 Portion. California Proposition 60 provides a mechanism by which a homeowner, who is at least 55 years of age, can transfer the base-year value of a principal residence to a replacement residence of equal to lesser market value than the old dwelling unit so long as the new residence is within the same county. Thus, the assessed value for parcel number 3213-035-033 is actually the assessed value from the owner's previous dwelling unit and not the assessed value of the unit in the Phase 1 Portion. Pursuant to County records, the purchase price for Lot 035-033 on October 24, 2001 was \$505,909.

See "RISK FACTORS – The Assessed Value and Value to Lien Ratio" herein.

Phase 2 Portion: The assessed value of the property within the Phase 2 Portion, as shown on the current assessment roll maintained by the County Assessor, is \$4,778,485. Each parcel in the Phase 2 Portion is currently classified under the Rate and Method of Apportionment as Undeveloped Property which is not to be taxed unless the amount of the levy on Developed Property falls short of the Special Tax Requirement. See "APPENDIX B - Rate and Method of Apportionment of Special Tax" herein.

The assessed values for the seven parcels that constitute the Phase 2 Portion of Improvement Area A are set forth below in Table 8:

** APNs 3213-016-034 and 3213-014-051 are owned by the Winery. The County Tax Assessor assessed these parcels as having an improvement value because the parcels include a house and a manufacturing plant. However, the Rate and Method of Apportionment classifies these parcels as Undeveloped Property because a final tract map has not been recorded.

Because the Phase 2 Portion is not currently being taxed by the District, no value-to-lien ratio has been calculated for the Phase 2 Portion. In the event that (i) Additional Bonds are issued, or (ii) in the event of significant delinquencies in the payment of Special Taxes by the Phase 1 Portion necessitates a levy on Undeveloped Property, or (iii) in the event that some or all of the Undeveloped Property becomes the subject of a final tract map and is reclassified as Developed Property, the Phase 2 Portion may be taxed pursuant to the Rate and Method of Apportionment to contribute to the payment of the Special Tax Requirement.

Utilities Provided in the Phase 1 Portion

All utilities including gas, water, electricity, cable, telephone service are provided to the Phase 1 Portion, as follows:

- Natural gas service is provided by The Gas Company;
- Water service is provided by SPV Water Company, Inc.;
- Electricity service is provided by Southern California Edison;
- Cable television is provided by Time Warner Cable; and
- Telephone service is provided by SBC.

Each homeowner uses individual septic tanks for their sewage. The Prior Bonds were intended to fund a sewage treatment plant; however, the proceeds of the Prior Bonds were sufficient only to fund the Facilities. See "IMPROVEMENT AREA A – Description of Facilities Financed With Prior Bond Proceeds" herein.

RISK FACTORS

Investment in the Bonds involves risks which may not be appropriate for certain investors. The following is a discussion of certain risk factors which should be considered, in addition to other matters set forth herein, in evaluating the Bonds for investment. The information set forth below does not purport to be an exhaustive listing of the risks and other considerations that may be relevant to an investment in the Bonds. In addition, the order in which the following information is presented is not intended to reflect the relative importance of any such risks.

No General Obligation of the County or District

The District's obligations with respect to the Bonds and the Indenture are limited obligations of the District and not of the County, and are payable equally and solely from Net Taxes and amounts in certain of the funds established under the Indenture. The Bonds are not general or limited obligations of the County or general obligations of the District, but are limited obligations of the District payable solely from the revenues and funds pledged therefor and under the Indenture. Neither the faith and credit nor the taxing power (except with respect to the Special Taxes) of the District, the County or the State of California or any political subdivision thereof is pledged to the payment of the Bonds.

General Risks of Real Estate Investments

In many ways, the ability or willingness of a property owner to pay the Special Taxes depends on the value of the property: the greater the value of the property compared to the cost of owning such property (i.e., paying Special Taxes, among other things), the more likely the owner is to pay that cost or the more attractive the property is at a foreclosure sale if the owner is unwilling or unable to pay the Special Tax. The value of property is impacted by the materialization of numerous risks, including, but not limited to, the risks generally incident to an investment in real estate, such as: (i) adverse changes in local market conditions, such as changes in the market value of real property in the vicinity of the District, the supply of or demand for competitive properties in such area, and the market value of homes in the event of sale or foreclosure; (ii) changes in real estate tax rates and other operating expenses,

governmental rules (including zoning laws), and fiscal policies; and (iii) natural disasters (including earthquakes and floods), which may result in uninsured losses. No assurances can be given that the assessed value of the property in Improvement Area A won't be adversely affected by the materialization of one or more of the risks discussed above (as well as other risks associated with real estate generally).

Land Use Regulations

Land development is subject to comprehensive federal, State and local regulations. Approval is required from various agencies in connection with the layout and design of developments, the nature and extent of improvements, construction activity, land use, zoning, school and health requirements, as well as numerous other matters. There is always the possibility that such approvals will not be obtained or, if obtained, will not be obtained on a timely basis. Failure to obtain any such agency approval or satisfy such governmental requirements would adversely affect planned land development. Under current State of California law, it is generally accepted that proposed development is not exempt from future land use regulations until building permits have been issued and substantial work has been performed and substantial liabilities have been incurred in good faith reliance on the permits.

Finally, development of land is subject to economic considerations. It is possible that future federal, state or local regulations, including voter initiatives for growth control, if enacted, and applicable to development within Improvement Area A, could negatively affect the ability of the current owners to complete the proposed development. This possibility presents a risk to prospective purchasers of the Bonds in that an inability to complete the development within Improvement Area A as planned increases the Special Tax levied on the existing property owners and increases the likelihood that Special Taxes may need to be levied on the Undeveloped Property. In such event, the inability or the unwillingness of a large property owner to pay its Special Taxes may increase the risks that the Bonds may not be repaid when due. See “– General Risks of Real Estate Investments” and “IMPROVEMENT AREA A” herein.

Although most of the Phase 1 Portion is fully developed, Lot 034-6, Lot 034-28 and the Phase 2 Portion may be developed in the future. In addition, should the Phase 2 Portion be developed in the future, the developer may wish to issue Additional Bonds. The issuance of Additional Bonds may result in a greater reliance on the levy of Special Taxes on unimproved property prior to development. In such a case, the risks described above will impact the ability or willingness of property owners to pay the Special Taxes.

Existence of Unimproved Property

In many ways, the ability or willingness of a property owner to pay the Special Taxes depends on the value of the property: the greater the value of the property compared to the cost of owning such property (i.e., paying Special Taxes, among other things), the more likely the owner is to pay that cost or the more attractive the property is at a foreclosure sale if the owner is unwilling or unable to pay the Special Tax. In general, unimproved land is less valuable than improved land.

There are two parcels in the Phase 1 Portion that are currently unimproved: Lot 034-6 and Lot 034-28. In addition, Lot 034-6 is delinquent on its *ad valorem* and Special Tax payments and the property is eligible for sale by the County. See Table 4 herein.

Additionally, there are several parcels in the Phase 2 Portion that are unimproved. While the property owners are not now required to pay the Special Tax, they may be subject to the levy of the Special Tax in the future. No assurance can be given that the property owners of these parcels or any subsequent owners of these parcels will be able to pay Special Taxes on a timely basis. See "SECURITY FOR THE BONDS – Covenant to Commence Foreclosure for Delinquent Special Taxes" and "– Bankruptcy" herein.

Collection of Special Taxes

The Act provides that if any property within Improvement Area A not otherwise exempt from the Special Taxes is acquired by a public entity through a negotiated transaction, or by gift or devise, the Special Taxes will continue to be levied on and enforceable against the public entity that acquires the property. The Rate and Method of Apportionment has a similar provision when it defines, and levies Special Taxes against, Taxable Public Property. In addition, the Act provides that if property subject to the Special Taxes is acquired by a public entity through eminent domain proceedings, the obligation to pay the Special Taxes with respect to that property is to be treated as if it were a special assessment and paid from the eminent domain award. The constitutionality and operative effect of these provisions of the Act have not been tested in the courts. It is unknown whether the foregoing provision in the Act and the Rate and Method of Apportionment would apply to the District or the County if the District or the County acquired a parcel of property by credit bidding at such parcel's foreclosure sale. If for any reason property subject to the Special Taxes becomes exempt from taxation by reason of ownership by a public entity, subject to the limitation of the maximum authorized Special Taxes and any other limitation on the Special Tax rate imposed by the District or the County, the Special Taxes will be reallocated to the remaining taxable properties within Improvement Area A. This would result in the owners of such properties paying a greater amount of the Special Taxes and could have an adverse effect on their willingness or ability to pay the Special Taxes. Moreover, if a substantial portion of land within Improvement Area A becomes exempt from the Special Taxes because of public ownership, or otherwise, the maximum Special Taxes that could be levied upon the remaining land might not be sufficient to make the payments required to pay the principal of and interest on the Bonds when due and a default could occur with respect to the payment of such principal and interest.

The Assessed Value and Value-to-Lien Ratio

The assessed value of the property within the Phase 1 Portion is \$28,837,537. The ratio of the aggregate assessed value of the property within the Phase 1 Portion to the total lien of the Bonds is approximately 7.8:1. The foregoing value-to-lien ratio is based on the following assumptions: (i) the principal amount of the Bonds is \$3,700,000 (preliminary; subject to change); (ii) the portion of the principal of the Bonds that is attributable to each parcel is based on each parcel's proportionate share of the Special Taxes based on the Assigned Special Tax rates (not the Backup Special Tax); and (iii) the Phase 2 Portion of Improvement Area A is not allocated any portion of the principal amount of the Bonds.

There are 7 parcels whose value-to-lien ratio falls below 3:1. See "IMPROVEMENT AREA A – Property Values; Value-to-Lien Ratio."

The assessed value-to-lien ratios presented in this Official Statement are presented only to provide an overview of the value of the property which represents security for the Bonds. Neither the County nor the District can make any representation as to whether the assessed value of the land within Improvement Area A or the value-to-lien ratios will remain at the values described in the preceding paragraphs. Moreover, neither of the County nor the District can make any assurances, nor should Owners assume, that the property within Improvement Area A could be sold at its assessed value at a foreclosure sale to collect delinquent Special Taxes.

Assessed value does not necessarily reflect market value. Depending upon the date of the last assessment valuation, the market value of the property may be different than the assessed value as reflected on the County Assessor's rolls.

See "IMPROVEMENT AREA A – Property Values; Value-to-Lien Ratio," "SECURITY FOR THE BONDS – Covenant to Commence Foreclosure for Delinquent Special Taxes" and "RISK FACTORS – Bankruptcy."

Tax Delinquencies

Under the provisions of the Act, the Special Taxes, from which funds necessary for the payment of principal of, and interest on, the Bonds are derived, will be billed to the properties within Improvement Area A on the regular property tax bills sent to owners of such properties. Such Special Tax installments are due and payable, and bear the same penalties and interest for non-payment, as do regular property tax installments. In general, Special Tax installment payments cannot be made separately from property tax payments. Therefore, the prior unwillingness or inability of a property owner to pay regular property tax bills (which, in the case of the District, includes special taxes), as evidenced by property tax delinquencies, may also indicate an unwillingness or inability to make regular property tax payments and Special Tax installment payments in the future. See "IMPROVEMENT AREA A – Tax Delinquencies" herein for a discussion of the amount of such delinquencies.

See "SECURITY FOR THE BONDS – Covenant to Commence Foreclosure for Delinquent Special Taxes" for a discussion of the provisions which apply, and procedures which the District is obligated to follow, in the event of delinquency in the payment of Special Tax installments.

As of the date hereof, Special Taxes have been levied only upon those parcels in the Phase 1 Portion defined as Developed Property under the Rate and Method of Apportionment. Special Taxes could, however, be levied on the Phase 2 Portion if (i) Additional Bonds are issued, (ii) some or all of the parcels in the Phase 2 Portion are reclassified as Developed Property by the filing of a final tract map on all or part of the Phase 2 Portion, or (iii) there are significant delinquencies of the Developed Property necessitating a levy on the Undeveloped Property.

The term "significant delinquencies" as used in this Official Statement is difficult to quantify. One reason for the difficulty is that while delinquencies may occur in a given fiscal year, all or part of those delinquencies may be cured prior to the time that the District applies the Special Tax collection to pay debt service on the Bonds, thus avoiding any draw upon the Reserve Fund. In addition, even if the delinquencies are not cured, the investment earnings on the various funds and accounts may be sufficient to make up for the unpaid Special Taxes, thus not requiring a draw upon the Reserve Fund. Further, even if the delinquencies result in the drawing upon the Reserve Fund in one fiscal year, there is no guarantee that the District will levy Special Taxes against the Undeveloped Property in the next fiscal year because (i) the delinquencies may be cured in an amount that doesn't necessitate such a levy, or (ii) the District may be able to replenish the Reserve Fund from a levy on the Developed Property only.

However, there is a situation where a certain level of delinquencies in a given fiscal year that require a draw upon the Reserve Fund will, if such delinquencies are not cured prior to the next fiscal year's levy, result in the Special Tax Requirement exceeding 91% of the Assigned Special Tax (the "Delinquency Threshold"). David Taussig & Associates, Inc. has calculated the amount of the Delinquency Threshold as ____%. It should be noted that if delinquencies exceed the Delinquency Threshold, it does not guarantee that the District will levy against Undeveloped Property. Rather, the Delinquency Threshold provides an estimate that could result in the levy on the Undeveloped Property due to uncured delinquencies and the District's obligation under the Rate and Method of Apportionment to levy Special Taxes for both the replenishment of the Reserve Fund and anticipated delinquencies. Thus, a delinquency rate that exceeds the Delinquency Threshold in one fiscal year increases the likelihood that there may be a levy against the Undeveloped Property in a subsequent fiscal year. In calculating the Delinquency Threshold, David Taussig & Associates, Inc. assumed that interest earnings on the Reserve Fund (at an assumed interest rate of ____%) would be applied to the Special Tax Requirement in any given year.

Foreclosure Proceedings

Pursuant to Section 53356.1 of the Act, the District has covenanted with and for the benefit of the Owners that it shall order, and cause to be commenced as provided in the Indenture, and thereafter diligently prosecute to judgment (unless such delinquency is theretofore brought current), an action to foreclose the lien of any Special Tax or installment thereof not paid when due as provided in the following paragraph.

In such an action, the real property subject to the unpaid amount may be sold at judicial foreclosure sale. Such a judicial foreclosure sale is not mandatory under the Act. However, pursuant to the Indenture, the District has covenanted for the benefit of the Owners to do the following: If the Fiscal Agent determines at any time that the balance in the Reserve Fund is less than the Reserve Requirement as the result of the failure by one or more owners of real property in Improvement Area A to pay Special Taxes when due, the District shall commence and diligently prosecute to completion such foreclosure proceedings against the delinquent parcels in Improvement Area A as may be necessary to restore the Reserve Fund balance to the Reserve Requirement.

Prior to July 1, 1983, the right of redemption from foreclosure sales was limited to a period of one year from the date of sale. Under legislation effective July 1, 1983, the statutory right of redemption from such foreclosure sales has been repealed. However, under current law, a judgment debtor (which in the instant case would be a property owner) has at least 40 days from the date of service of the notice of levy (for all property except residential housing for four families or less) or 140 days from the date of service of the notice of levy (if such property consists of residential housing for four families or less) in which to redeem the property to be sold. If a judgment debtor fails to redeem the property and the property is sold, the judgment debtor may bring an action to set aside the sale if (i) the sale was improper for any reason, and (ii) the purchaser at the sale is the judgment creditor (in this case, the District), which action must be brought within 90 days following the date of sale. If, as a result of such an action, a foreclosure sale is set aside, the judgment is revived, the judgment creditor is entitled to interest on the revived judgment, and any liens extinguished by the sale are revived as if the sale had not been made. See Section 701.680 of the California Code of Civil Procedure.

Investors should note that foreclosure proceedings may be (and often are) subject to extensive delays, which may increase delinquency amounts and costs of foreclosure, decrease the potential pool of purchasers of the property and otherwise adversely affect the minimum price realizable for the property.

No Rating

The District has not and does not contemplate making an application to any rating agency for the assignment of a rating to the Bonds. There can be no guarantee that there will be a secondary market for the Bonds or, if a secondary market exists, that such Bonds can be sold for any particular price. Occasionally, because of general market conditions or because of adverse history or economic prospects connected with a particular bond issue, secondary marketing practices in connection with a particular bond issue are suspended or terminated. Additionally, prices of bond issues for which a market is made will depend upon then prevailing circumstances. Such prices could be substantially different from the original purchase price.

Water Issues

In connection with the originally proposed development of the property in Improvement Area A, an engineer's report dated August 1991 (the "Water Report") was prepared and submitted to the County Department of Public Works. The Water Report identified the source of water as groundwater contained in the aquifers within the Agua Dulce groundwater basin, which is located under Improvement Area A. The Water Report estimated that the total storage beneath Improvement Area A is on the order of 2,426 acre feet. The Water Report anticipated an average annual shortfall at 32 acre feet, assuming 150 lots are developed within Improvement Area A. The initial assumption of the Water Report was that the aquifer could provide 76 years of uninterrupted service to Improvement Area A. According to certain homeowners in the Phase 1 Portion, the combination of the individual homeowners in the Phase 1 Portion and the operation of the Winery has caused water shortages and water service disruptions in the Phase 1 Portion. Specifically, the homeowners allege that the Winery, using unauthorized pumps and wells, has been siphoning off water that should go to the homes within the Phase 1 Portion. In addition, on August 12, 2002, the owners of the Winery filed a lawsuit against the SPV Water Company. The Winery has alleged that overwatering by the shareholders of SPV Water Company (which includes the residents in the Phase 1 Portion) has resulted in a severe shortfall in water reserves and a corresponding increase in fire danger. The action, *Agua Dulce Vineyards, LLC v. SPV Water Co.*, is aimed at limiting the amount of water consumption by the homeowners. See "IMPROVEMENT AREA A – Description of the Phase 2 Portion," "- Ownership of the Phase 1 Portion" and "RISK FACTORS – The Winery" herein

It is unknown what the outcome of the homeowner's allegations or the lawsuit by the Winery will be. Regardless of the outcome, the lack, or inadequacy, of water to serve Improvement Area A could adversely impact the value of the parcels in Improvement Area A (or greatly increase the cost of water service to Improvement Area A), which could, in turn, impact the willingness or ability of a property owner to pay the Special Taxes.

In addition, the outcome of the claims by the residents of the Phase 1 Portion and the Winery could affect the development of the undeveloped lots in Improvement Area A if such development is sought to be commenced in the future. In the event that the County determines that there is an insufficient amount of water, the County has the ability to declare a moratorium on future construction in Improvement Area A.

The Winery

The Winery owns a winery on 89 acres in the Phase 2 Portion. The Winery was recently ordered closed by the Department of Regional Planning. Prior to its closure order, the Winery was operating under a "Clean Hands" waiver until a conditional use permit is granted by the County. A "Clean Hands" waiver allows for the continued operation of a non-conforming land use until such time as a conditional use permit is granted which will allow the operation of the non-conforming land use on a permanent basis. The operative aspect of the "Clean Hands" waiver is that the neighbors to the non-conforming use, in conjunction with the Department of Regional Planning, authorize the non-conforming use. Thus, the Winery had been operating with the homeowners' cooperation while it applied for its conditional use permit. However, the homeowners in the Phase 1 Portion began to express concern regarding the scope and nature of the proposed expansion of the Winery. The Winery submitted a conditional use application that, if granted, would allow the Winery to increase production of wine from 15,000 gallons per year to 60,000 gallons. In addition, according to the Winery's application for a conditional use permit, the Winery wanted the ability to have on-site and off-site alcohol sales, additional residential structures, and annual outdoor festivals. Due to both the homeowners' objections and the modifications of the Winery's scope of operations, the Department of Regional Planning revoked the "Clean Hands" waiver which orders the Winery to cease operations while the Winery revises its application and conducts additional traffic and water studies.

As of the date hereof, the Winery does not pay Special Taxes, even though it (along with the other owners of the Phase 2 Portion) owns 58% of the property in Improvement Area A, because the property is not the subject of a final tract map and therefore is not Developed Property. Under the Rate and Method of Apportionment, Undeveloped Property will be taxed if and to the extent that the Special Taxes on Developed Property are insufficient to meet the Special Tax Requirement.

If the Winery and the balance of the property in the Phase 2 Portion, which is classified as Undeveloped Property by the Rate and Method of Apportionment, become subject to the levy of Special Taxes, the District cannot predict the effect that the outcome of the lawsuit may have on the ability or willingness of the property owners to pay any such Special Tax.

See "IMPROVEMENT AREA A – Description of the Phase 2 Portion," "– Ownership of the Phase 2 Portion," "– Property Values; Value-to-Lien Ratios," and "APPENDIX B – Rate and Method of Apportionment of Special Tax" herein.

Hazardous Materials

Although neither the County nor the District has any actual knowledge of the existence of any hazardous substances on the property within Improvement Area A, in the event adverse conditions arise with respect to any of the taxed parcels by reason of the possible liability of the owner (or operator) for the remedy of such hazardous substances discovered on such parcels, whether now present or arising in the future, such adverse conditions could significantly affect the value of a taxed parcel that is realizable at a foreclosure sale for delinquent Special Taxes and may affect the ability or willingness of the owner of such land to pay the Special Taxes.

Parity Taxes and Special Assessments

The Special Taxes and any penalties thereon will constitute a lien against the lots and parcels of land on which they will be annually imposed until they are paid. Such lien is on parity with all special taxes and special assessments levied by other agencies and is co-equal to and independent of the lien for general property taxes regardless of when they are imposed upon the same property. The Special Taxes have priority over all existing and future private liens imposed on the property. The District, however, has no control over the ability of other entities and districts to issue indebtedness secured by special taxes or assessments payable from all or a portion of the property within Improvement Area A. Such additional indebtedness, if issued, would be required to satisfy applicable statutory requirements with respect to the issuance of such indebtedness. Further, the landowners within Improvement Area A may, without the consent or knowledge of the District, petition other public agencies to issue public indebtedness secured by special taxes or assessments. Any such special taxes or assessments will have a lien on such property on parity with the Special Taxes. Accordingly, the liens on the property within Improvement Area A could greatly increase without any corresponding increase in the value of the property within Improvement Area A and thereby reduce the ratio that exists at the time the Bonds are issued between the value of the property and the debt secured by the taxes and assessments thereon. Further, the imposition of additional indebtedness could reduce the willingness and the ability of the property owners within Improvement Area A to pay the Special Taxes when due. See "IMPROVEMENT AREA A – Direct and Overlapping Debt" herein.

Additional Bonds may also be issued in the District upon satisfaction of certain conditions, which Additional Bonds would be secured by a lien on the Net Taxes on a parity with the lien for the Bonds. See "SECURITY FOR THE BONDS – Additional Bonds Test" herein.

Federal Government Interests in Properties

The ability of the District to foreclose the lien of delinquent unpaid Special Tax installments may be limited with regard to properties in which the Federal Deposit Insurance Corporation (the "FDIC") has an interest. In the event that any financial institution making any loan which is secured by real property within Improvement Area A is taken over by the FDIC, and prior thereto or thereafter the loan or loans go into default, then the ability of the District to collect interest and penalties specified by State law and to foreclose the lien of delinquent unpaid Special Taxes may be limited.

The FDIC's policy statement regarding the payment of state and local real property taxes (the "Policy Statement") provides that property owned by the FDIC is subject to state and local real property taxes only if those taxes are assessed according to the property's value and that the FDIC is immune from real property taxes assessed on any basis other than property value. According to the Policy Statement, the FDIC will pay its property tax obligations when they become due and payable and will pay claims for delinquent property taxes as promptly as is consistent with sound business practice and the orderly administration of the institution's affairs, unless abandonment of the FDIC's interest in the property is appropriate. The FDIC will pay claims for interest on delinquent property taxes owed at the rate provided under state law, to the extent the interest payment obligation is secured by a valid lien. The FDIC will not pay any amounts in the nature of fines or penalties and will not pay nor recognize liens for such amounts. If any property taxes (including interest) on FDIC-owned property are secured by a valid lien (in effect before the property became owned by the FDIC), the FDIC will pay those claims. The Policy Statement further provides that no property of the FDIC is subject to levy, attachment, garnishment, foreclosure or sale without the FDIC's consent. In addition, the FDIC will not permit a lien or security interest held by the FDIC to be eliminated by foreclosure without the FDIC's consent.

The Policy Statement states that the FDIC generally will not pay non-*ad valorem* taxes, including special assessments, on property in which it has a fee interest unless the amount of tax is fixed at the time that the FDIC acquires its fee interest in the property, nor will it recognize the validity of any lien to the extent it purports to secure the payment of any such amounts. Special taxes imposed under the Act and a special tax formula which determines the special tax due each year are specifically identified in the Policy Statement as being imposed each year and therefore covered by the FDIC's federal immunity.

According to the County Assessor's roll, as of May 1, 2003, the FDIC did not own any property in Improvement Area A. The District is unable to predict what effect the application of the Policy Statement would have in the event of a delinquency in the payment of Special Taxes on a parcel within the Improvement Area in which the FDIC has or obtains an interest, although prohibiting the lien of the FDIC to be foreclosed out at a judicial foreclosure sale could reduce or eliminate the number of persons willing to purchase a parcel at a foreclosure sale. Such an outcome could cause a draw on the Reserve Fund and perhaps, ultimately, a default in payment on the Bonds.

Bankruptcy

Bankruptcy, insolvency, and other laws generally affecting creditors' rights could adversely impact the interests of owners of the Bonds. The payment of property owners' taxes and the ability of the District to foreclose the lien of a delinquent unpaid Special Tax pursuant to its covenant to pursue judicial foreclosure proceedings may be limited by bankruptcy, insolvency, or other laws generally affecting creditors' rights or by the laws of the State relating to judicial foreclosure. Although a bankruptcy proceeding should not cause the Special Taxes to become extinguished, the amount of any Special Tax lien could be modified if the value of the property falls below the value of the lien. If the value of the property is less than the lien, such excess amount could be treated as an unsecured claim by the bankruptcy court. In addition, bankruptcy of a property owner could result in a delay in prosecuting Superior Court foreclosure proceedings. Such delay would increase the likelihood of a delay or default in payment of delinquent Special Tax installments and the possibility of delinquent Special Tax installments not being paid in full. In addition, the prosecution of a foreclosure could be delayed due to many reasons, including crowded local court calendars or lengthy procedural delays.

In addition, the Bankruptcy Code might prevent moneys on deposit in the Special Tax Fund and the Bond Service Fund from being applied to pay interest on the Bonds and/or to redeem such Bonds if bankruptcy proceedings were brought by or against the bankrupt owner of the parcel and if the court found that such owner had an interest in such moneys within the meaning of the Bankruptcy Code.

On July 30, 1992, the United States Court of Appeals for the Ninth Circuit issued its opinion in a bankruptcy case entitled *In re Glaspy Marine Industries*. In that case, the court held that *ad valorem* property taxes levied by Snohomish County in the State of Washington after the date that the property owner filed a petition for bankruptcy were not entitled to priority over a secured creditor with a prior lien on the property. Although the court upheld the priority of unpaid taxes imposed before the bankruptcy petition, unpaid taxes imposed after the filing of the bankruptcy petition were declared to be "administrative expenses" of the bankruptcy estate, payable after all secured creditors. As a result, the secured creditor was able to foreclose on the property and retain all the proceeds of the sale except the amount of the pre-petition taxes.

According to the court's ruling, as administrative expenses, post-petition taxes would be paid, assuming that the debtor had sufficient assets to do so. In certain circumstances, payment of such administrative expenses may be allowed to be deferred. Once the property is transferred out of the bankruptcy estate (through foreclosure or otherwise), it would at that time become subject to current *ad valorem* taxes.

The Act provides that the Special Taxes are secured by a continuing lien which is subject to the same lien priority in the case of delinquency as *ad valorem* taxes. No case law exists with respect to how a bankruptcy court would treat the lien for Special Taxes levied after the filing of a petition in bankruptcy. *Glaspoly* is controlling precedent on bankruptcy courts in the State of California. If the *Glaspoly* precedent was applied to the levy of the Special Taxes, the amount of Special Taxes received from parcels whose owners declare bankruptcy could be reduced.

It should also be noted that on October 22, 1994, Congress enacted 11 U.S.C. Section 362(b)(18), which added a new exception to the automatic stay for *ad valorem* property taxes imposed by a political subdivision after the filing of a bankruptcy petition. Pursuant to this new provision of law, in the event of a bankruptcy petition filed on or after October 22, 1994, the lien for *ad valorem* taxes in subsequent fiscal years will attach even if the property is part of the bankruptcy estate. Bondowners should be aware that the potential effect of 11 U.S. C. Section 362(b)(18) on the collection of Special Taxes depends upon whether a court were to determine that the Special Taxes should be treated like *ad valorem* taxes for this purpose.

Whether or not bankruptcy proceedings were to cause the lien of the Special Taxes to become extinguished, bankruptcy of a property owner in all likelihood would result in a delay in prosecuting superior court foreclosure proceedings. Such a delay would increase the likelihood of a delay or default in payment of the principal of and interest on the Bonds, and the possibility that delinquent installments might not be paid in full.

The various legal opinions to be delivered concurrently with the delivery of the Bonds (including Bond Counsel's approving legal opinion) will be qualified as to the enforceability of the various legal instruments, by moratorium, bankruptcy, reorganization, insolvency, or other similar laws affecting the rights of creditors generally.

No Acceleration Provisions

The Bonds do not contain a provision allowing for the acceleration of the Bonds in the event of a payment default or other default under the terms of the Bonds or the Indenture. Pursuant to the Indenture, a Owner is given the right for the equal benefit and protection of all Owners similarly situated to pursue certain remedies described therein. See "APPENDIX E – Summary of Certain Provisions of the Indenture." So long as the Bonds are in book-entry form, DTC will be sole Owner and will be entitled to exercise all rights and remedies of Owners.

Loss of Tax Exemption

Interest on the Bonds might become includable in gross income for purposes of federal income taxation retroactive to the date the Bonds were issued as a result of future acts or omissions of the District in violation of its covenants in the Indenture. Should such an event of taxability occur, the Bonds are not subject to a special redemption and will remain outstanding until maturity or until redeemed under one of the redemption provisions contained in the Indenture.

Limitations on Remedies

The enforceability of the rights and remedies of the Owners and the Fiscal Agent, and the obligations incurred by the District as described herein, may be subject to the following: the federal bankruptcy code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditors' rights generally, now or hereafter in effect; usual equity principles which may limit the specific enforcement under State law of certain remedies; the exercise by the federal government of the powers delegated to it by the United States Constitution; and the reasonable and necessary exercise, in certain exceptional situations, of the police power inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose. Bankruptcy proceedings, or the exercise of powers by the federal or state government, if initiated, could subject the Owners to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitations, or modification of their rights.

Disclosures to Future Purchasers

The District has recorded a Notice of Special Tax Lien in the office of the County Recorder. While title companies normally refer to such notices in title reports, there can be no guarantee that such reference will be made or, if made, that a prospective purchaser or lender will consider such Special Tax obligation in the purchase of a home or the lending of money thereon. Effective July 1, 1993, California law requires that in the case of the transfer of real property subject to a continuing lien securing the levy of special taxes the seller must make a good faith effort to notify the prospective purchaser of the lien in a format prescribed by statute. Failure to disclose the existence of the Special Taxes may affect the willingness and ability of future owners of land within Improvement Area A to pay the Special Taxes when due.

Funds Invested in the County Investment Pool

On January 24, 1996, the United States Bankruptcy Court for the Central District of California held in the case of *County of Orange v. Merrill Lynch* that a State statute providing for a priority of distribution of property held in trust conflicted with, and was preempted by, federal bankruptcy law. In that case, the court addressed the priority of the disposition of moneys held in a county investment pool upon bankruptcy of the county and held that a state statute purporting to create a priority secured lien on a portion of such moneys was ineffective unless such moneys could be traced. Following payment of the Special Taxes to the Treasurer, such funds may be invested in the name of the Fiscal Agent for a period of time in the County Investment Pool. In the event of a petition for the adjustment of County debts under Chapter 9 of the Federal Bankruptcy Code, a court might hold that the Bondowners do not have a valid and/or prior lien on the Special Taxes where such amounts are deposited in the County Investment Pool and may not provide the Bondowners with a priority interest in such amounts. In that circumstance, unless the Bondowners could "trace" the funds that have been deposited in the County Investment Pool, the Bondowners would be unsecured (rather than secured) creditors of the County. There can be no assurance that the Bondowners could successfully so "trace" the Special Taxes.

Constitutional Limitations on Taxation and Appropriations

Article XIII A. On June 6, 1978, California voters approved an amendment (commonly known as both Proposition 13 and the Jarvis-Gann Initiative) to the California Constitution. This amendment, which added Article XIII A to the California Constitution, among other things, placed significant limits on the imposition of new *ad valorem* taxes, special taxes, transaction taxes and sales taxes. Section 4 of Article XIII A permits cities, counties and special districts, by a two-thirds vote of the qualified electors of the District, to impose special taxes, except for *ad valorem* taxes on real property or a transaction tax or sales tax on the sale of real property. The Special Tax is a special tax approved by the voters within Improvement Area A in accordance with the procedures set forth in Section 4 of Article XIII A. The District has not pledged any taxes other than the Special Taxes to the repayment of the Bonds and, given the limitations on *ad valorem* property taxes imposed by Article XIII A, does not have any *ad valorem* property taxes to repay the Bonds.

Article XIII A does permit the levy of *ad valorem* property taxes and the imposition of special assessments to pay interest and redemption charges on bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978 by two-thirds of the votes cast by voters voting at the election proposing the taxes or assessments. Were the voters to approve indebtedness payable from *ad valorem* taxes or assessments, those taxes or assessments would be on parity with the Special Taxes. Article XIII A effectively prohibits the levying of any other *ad valorem* property tax above the 1% limit except for taxes to support indebtedness approved by the voters as described above.

Article XIII A Litigation. In June 1978, Article XIII A of the California Constitution was amended by Proposition 13 to, among other things, limit a County assessor's ability to annually adjust for inflation to 2% per year. On December 27, 2001, an Orange County Superior Court ruled in *County of Orange v. Orange County Assessment Appeals Board No. 3* (the "Orange County Litigation") that the Orange County Assessor raised a homeowner's assessment in violation of Article XIII A by increasing the assessment on the homeowner's property by more than 2% per year, when the price appreciation in prior years was less than 2% per year. Orange County raised assessments by more than 2% in a single year if the value of a property remained flat after a taxpayer purchased the property, and then increased by more than 2% in a subsequent year. On December 12, 2002, the Orange County Superior Court certified the lawsuit as a class action and the case has been submitted to the State's Fourth District Court of Appeal. It is possible that the Court's decision will affect all counties in the State because all counties utilize the same method for determining property tax assessments.

A class action complaint seeking only declaratory relief and comparable to the one involved in the Orange County Litigation has been filed against the County for the 2000-2001 property tax levy. The County cannot predict the outcome of the Orange County Litigation or the landowner lawsuit against the County. If the Court's reasoning in the Orange County Litigation is applied generally, or if the decision in the County's lawsuit is consistent with the Orange County lawsuit, the loss of tax revenue to communities could be significant. Further, the County cannot predict the effect, if any, that the outcome of either the Orange County Litigation or the lawsuit against the County would have on property tax revenues to be received by the County, although the effect could be adverse.

Article XIII B. State and local government agencies in California and the State of California itself are subject to annual "appropriation limits" imposed by Article XIII B of the State Constitution. Article XIII B prohibits government agencies and the State from spending "appropriations subject to limitation" in excess of the appropriations limit imposed. "Appropriations subject to limitations" are authorizations to spend "proceeds of taxes," which consist of tax revenues, certain state subventions and certain other funds, including proceeds from regulatory licenses, user charges or other fees to the extent that such

proceeds exceed "the cost reasonably borne by such entity in providing the regulation, product or service." No limit is imposed on appropriations of funds which are not "proceeds of taxes," such as appropriations for debt service on indebtedness existing or authorized before January 1, 1979, or subsequently authorized by the voters, appropriations required to comply with mandates of courts or the federal government, reasonable user charges or fees and certain other nontax funds. Since the Bonds constitute indebtedness authorized by the voters of Improvement Area A, the District does not intend to treat the Special Taxes as "appropriations subject to limitation." Notwithstanding this fact, the Act permits, and the qualified electors in Improvement Area A approved, an appropriations limit.

Proposition 218 and the Initiative Power. On November 5, 1996, the voters of the State approved Proposition 218, a constitutional initiative entitled the "Right to Vote on Taxes Act" ("Proposition 218"). Proposition 218 added Articles XIII C and XIII D to the California Constitution and contained a number of interrelated provisions affecting the ability of local governments to levy and collect both existing and future taxes, assessments, fees and charges. Proposition 218 became effective on November 6, 1996. Article XIII D of Proposition 218 requires majority voter approval for the imposition, extension or increase of general taxes and two-thirds voter approval for the imposition, extension or increase of special taxes. The Special Tax was approved by at least a two-thirds vote of the qualified electors of Improvement Area A voting at the time the Special Tax was proposed. The Special Tax is not subject to any voter approval provisions of Proposition 218.

Article XIII C of Proposition 218 expressly extended the initiative power to give California voters the power to reduce or repeal "local taxes, assessments, fees and charges" imposed by "local governments," regardless of the date such taxes, assessments, fees or charges were imposed. This extension of the initiative power to some extent constitutionalizes the March 6, 1995 State Supreme Court decision in *Rossi v. Brown*, which upheld an initiative that repealed a local tax and held that the State Constitution does not preclude the repeal, including the prospective repeal, of a tax ordinance by an initiative, as contrasted with the State constitutional prohibition on referendum powers regarding statutes and ordinances which impose a tax. Generally, the initiative process enables California voters to enact legislation upon obtaining requisite voter approval at a general election. Proposition 218 extended the authority stated in *Rossi v. Brown* by expanding the initiative power to include reducing or repealing assessments, fees and charges, which had previously been considered administrative rather than legislative matters and therefore beyond the initiative power. This extension of the initiative power is not limited by the terms of Proposition 218 to taxes, fees or assessments imposed after November 6, 1996 and absent other legal authority could result in retroactive reduction in any existing taxes, assessments or fees and charges, including the Special Taxes.

The present qualified electors in Improvement Area A that might be able to propose or vote on an initiative to reduce or repeal the Special Taxes are not the same individuals who were the qualified electors of Improvement Area A that initially approved the Special Taxes. Also, it is unclear whether the District is a "local government" or whether the Special Taxes are a "local tax" under Article XIII C of Proposition 218, so as to subject the Special Taxes to the retroactive initiative power. It is also unclear whether the District's mandatory, statutory duty to annually levy Special Taxes and the County Auditor's obligation to post the Special Tax installments to the property tax roll of the County, all as provided in the Indenture and the Act, are subject to the initiative powers provided for in Article XIII C of Proposition 218. The interpretation and application of these provisions of Proposition 218 will ultimately be determined by the courts, and it is not possible at this time to predict with certainty the outcome of such determination or the timeliness of any remedy afforded by the courts. Accordingly, no assurance can be given that the qualified electors of Improvement Area A will not, in the future, approve an initiative which reduces or repeals the Special Tax. Any reduction or repeal of the Special Tax may have an adverse effect on the ability of the District to pay the principal of and interest on the Bonds.

Future Legislation or Ballot Initiatives

Articles XIII A and XIII B and Propositions 98 and 218 were each adopted as measures that qualified for the ballot pursuant to the State's initiative process. From time to time, other initiative measures could be adopted or legislative measures could be approved by the Legislature which may place limitations on the ability of the State, the County or local districts to increase revenues or to increase appropriations, which may further affect the District's ability to collect Special Taxes.

TAX MATTERS

In the opinion of Arter & Hadden LLP, Los Angeles, California, Bond Counsel, subject, however, to the qualifications set forth below, under existing law, interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; provided, however, that, for the purpose of computing the alternative minimum tax imposed on such corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years beginning after December 31, 1989).

The opinions set forth in the preceding sentences are subject to the condition that the County and the District comply with all requirements of the Internal Revenue Code of 1986 (the "Code") that must be satisfied subsequent to the issuance of the Bonds in order that interest on the Bonds be, or continue to be, excluded from gross income for federal income tax purposes. The County and the District have covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of such interest in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds. Bond Counsel expresses no opinion regarding other federal tax consequences arising with respect to the Bonds.

Prospective purchasers of the Bonds should be aware that (i) Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Bonds or, in the case of a financial institution, that portion of the Owner's interest expense allocated to interest payable on the Bonds, (ii) with respect to insurance companies subject to the tax imposed by section 831 of the Code, for taxable years beginning after December 31, 1986, section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15% of the sum of certain items, including interest on the Bonds, (iii) for taxable years beginning after December 31, 1986 and before January 1, 1992, interest payable on the Bonds earned by some corporations could be subject to the environmental tax imposed by section 59A of the Code, (iv) for taxable years beginning after December 31, 1986, interest payable on the Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (v) passive investment income, including interest payable on the Bonds, may be subject to federal income taxation under section 1375 of the Code for subchapter S corporations that have subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such subchapter S corporation is passive investment income, and (vi) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account, in determining gross income, receipts or accruals of interest payable on the Bonds.

In the further opinion of Bond Counsel, such interest is exempt from California personal income taxes.

CERTAIN LEGAL MATTERS

On March 17, 1992, a judgment was filed providing, among other things, (i) that the action was properly brought under California Code of Civil Procedure Section 860 et seq. and California Government Code Section 53359, (ii) that all conditions, things and acts required by law to exist, happen or be performed precedent to and including the certification of the election results have existed, happened and been performed in the time, form and manner required by law, and (iii) the formation of the District, the authorization of bonded indebtedness, the levy of a special tax within the District, and the establishment of an appropriations limit are valid and in conformity with all applicable provisions of law, including, without limitation the generality of the foregoing, Articles XIII A and XIII B of the California Constitution.

Defendants, and each of them, are also permanently enjoined from bringing any action against the County with regard to the District, the bonds, the special taxes and/or raising any issue as to which the judgment is binding and conclusive.

FORM OF OPINION OF BOND COUNSEL

Board of Supervisors of the
County of Los Angeles, acting as the
Legislative Body of Community Facilities District No. 6
500 West Temple Street, Room 383
Los Angeles, California 90012

Re: Community Facilities District No. 6 (Agua Dulce Area) of the
County of Los Angeles Improvement Area A
Special Tax Refunding Bonds, Series 2003A (Sierra Colony Ranch)
(Final Opinion)

Ladies and Gentlemen:

We have acted as Bond Counsel to the Board of Supervisors (the "Board") of the County of Los Angeles (the "County"), acting as the Legislative Body of Community Facilities District No. 6 of the County of Los Angeles (the "District"), in connection with the proceedings for the issuance and sale by the Authority of \$_____ principal amount of Community Facilities District No. 6 (Agua Dulce Area) of the County of Los Angeles Improvement Area A Special Tax Refunding Bonds, Series 2003A (Sierra Colony Ranch), dated July __, 2003 (the "Bonds") pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing with Section 53311 of the Government Code of the State of California, and Article 11, commencing with Section 53580 of Chapter 3 of Part 1 of Division 2 of Title 5, of the Government Code of the State of California. The Bonds are being issued pursuant to the resolution adopted by the Board on July 1, 2003 (the "Resolution"), and pursuant to an Indenture, dated as of July 1, 2003 (the "Indenture"), by and between the District, acting through the Board of the County, the Treasurer and Tax Collector of the County, as the Paying Agent, and the Auditor-Controller of the County, as the Fiscal Agent.

Capitalized terms used herein and not otherwise defined shall have the meanings given such terms in the Indenture.

The Bonds are dated the date of their issuance and will mature on the dates set forth in the Indenture. The Bonds are exchangeable, transferable and subject to prepayment prior to maturity in the manner and upon the terms and conditions set forth in the Indenture. The Bonds are being delivered in the form of fully registered Bonds in the denominations described in the Indenture.

As Bond Counsel, we have examined copies certified to us as being true and complete copies of the proceedings in connection with the issuance of the Bonds. In this connection, we have also examined such certificates of public officials and officers of the Board, the District and the County, including certificates as to factual matters, as we have deemed necessary to render this opinion.

Attention is called to the fact that we have not been requested to examine, and have not examined, any documents or information relating to the Board, the District or the County other than the record of proceedings hereinabove referred to, and no opinion is expressed as to any financial or other information, or the adequacy thereof, which has been or may be supplied to any purchasers of the Bonds.

We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Bonds (except to the extent, if any, stated in the Official Statement) and we express no opinion herein relating thereto (excepting only the matters set forth as our opinion in the Official Statement).

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. The opinions may be affected by actions or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions or events occur. As to questions of fact material to our opinions, we have relied upon the documents and matters referred to above, and we have not undertaken by independent investigation to verify the authenticity of signatures or the accuracy of the factual matters represented, warranted or certified therein. Furthermore, we have assumed compliance with all covenants contained in the Resolution and the Indenture and in certain other documents, including, without limitation, covenants compliance with which is necessary to assure that future actions or events will not cause the interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the date of original issuance of the Bonds.

The Resolution, the Bonds and the Indenture and other related documents refer to certain requirements and procedures which may be changed and certain actions which may be taken, in circumstances and subject to terms and conditions set forth in such documents, upon the advice or with an approving opinion of nationally recognized bond counsel. No opinion is expressed herein as to any Bond or the interest with respect thereto if any such change is made or action is taken upon the advice or approval of counsel other than ourselves.

Based on the foregoing, we are of the opinion that:

1. The Indenture has been duly approved by the Board on behalf of the District and constitutes a valid and binding obligation of the District enforceable against the District.
2. The Indenture creates a valid lien on the funds pledged under the Indenture for the security of the Bonds.
3. The Bonds have been duly authorized, executed and delivered by the Board, acting in its capacity as the legislative body of the District, and are valid and binding special obligations of the District, payable solely from the sources provided therefor in the Indenture. The Bonds are limited obligations of the District, and are not a debt of the County, the State of California or any other political subdivision thereof within the meaning of any constitutional or statutory limitation; and, except as to the Special Taxes (as defined in the Indenture), neither the faith and credit nor the taxing power of the County, the State of California, or any of its political subdivisions is pledged for the payment thereof.
4. Interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended, and is exempt from State of California personal income taxes. Interest on the Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although it should be noted that, for purposes of calculating corporate alternative minimum taxable income, interest on the Bonds is included in adjusted current earnings. The foregoing opinion is subject to the condition that the District comply with all requirements of the Internal Revenue

Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Bonds to assure that interest on the Bonds will not become includable in gross income for federal income tax purposes. Failure to comply with such requirements might cause the interest on the Bonds to be included in gross income retroactive to the date of issuance of the Bonds. The District has covenanted to comply with all such requirements.

We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

It is understood that the rights of the holders of the Bonds under the Indenture, and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights, heretofore or hereafter enacted to the extent constitutionally applicable, to the application of equitable principles and that enforcement may also be subject to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against state and local governmental entities in the State of California.

We call attention to the fact that the exclusion of interest on the Bonds from gross income for federal income tax purposes may be affected by actions taken (or not taken) or events occurring (or not occurring) after the date hereof. We have not undertaken to determine, or to inform any person, whether such actions or events are taken (or not taken) or do occur (or do not occur).

We also call attention to the fact that our legal opinions and conclusions are an expression of professional judgment and not a guarantee of a result. We do not undertake to advise you of matters which may come to our attention subsequent to the date hereof which may affect our legal opinions and conclusions expressed herein.

Very truly yours,

If the District chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Undertaking, the District shall have no obligation under this Disclosure Undertaking to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 10. Default. In the event of a failure of the District to comply with any provision of this Disclosure Undertaking, the Fiscal Agent may (and, at the request of any Participating Underwriter or the Owners of at least 25% aggregate principal amount of Outstanding Bonds, the Fiscal Agent shall) or any Owner or Beneficial Owner of the Bonds may, take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the District to comply with its obligations under this Disclosure Undertaking. A default under this Disclosure Undertaking shall not be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Undertaking in the event of any failure of the District to comply with this Disclosure Undertaking shall be an action to compel performance.

APPENDIX D

BOOK-ENTRY ONLY SYSTEM

Unless otherwise noted, the following description of the procedures and record keeping with respect to beneficial ownership interests in the Bonds, payment of interest and other payments with respect to the Bonds to Participants or Beneficial Owners of the Bonds, confirmation and transfer of beneficial ownership interests in the Bonds and other Bond-related transactions by and between DTC, Participants and Beneficial Owners of the Bonds is based solely on information furnished by DTC to the District for inclusion herein. Accordingly, the County, the District and the Underwriter do not and cannot make any independent representations concerning these matters.

When the Bonds are issued, ownership interests will be available to purchasers only through a book-entry-only system maintained by DTC. Beneficial ownership in the Bonds may be acquired or transferred only through book entries made on the records of DTC and its Participants. If the Bonds are taken out of the book-entry only system and delivered to owners in physical form, as described below, the following discussion will not apply.

DTC will act as a securities depository for the Bonds. The Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully registered Bond certificate will be issued for the Bonds in the aggregate principal amount of the Bonds, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants (the "Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities as transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need of physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is owned by a number of its Participants with which it maintains a direct relationship (the "Direct Participants") and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (the "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Bonds with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Redemption notices shall be sent to Cede & Co. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. will consent or vote with respect to the Bonds. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the applicable Record Date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the Record Date (identified in a listing attached to the Omnibus Proxy).

Payment of the principal of and interest and premium, if any, on the Bonds will be made to DTC. DTC's practice is to credit Direct Participants' accounts on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Fiscal Agent or the District, subject to any statutory and regulatory requirements as may be in effect from time to time. Payment of principal, interest and any premium to DTC is the responsibility of the Fiscal Agent. Disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

With respect to Bonds registered in the name of Cede & Co., the District and the Fiscal Agent have no responsibility or obligation to any Participant or Beneficial Owner of such Bonds. Without limiting the immediately preceding sentence, the District and the Fiscal Agent have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any Participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any Participant, Beneficial Owner or other person, other than DTC, of any notice with respect to the Bonds, including any notice of redemption, (iii) the payment to any Participant, Beneficial Owner or other person, other than DTC, of any amount with respect to the principal or redemption price of, or any interest on, the Bonds, or (iv) any consent given or other action taken by DTC as owner of the Bonds. The District and the Fiscal Agent may treat DTC as, and deem DTC to be, the absolute owner of each Bond for all purposes whatsoever, including (but not limited to) (a) payment of the principal or redemption price of, and interest on, each such Bond, (b) giving notices of redemption and other matters with respect to such Bonds, and (c) registering transfers with respect to such Bonds. The Fiscal Agent shall pay the principal or redemption price of, and interest on, all Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to such principal or redemption price, and interest, to the extent of the sum or sums so paid.

DTC may discontinue providing its service as securities depository with respect to the Bonds at any time by giving reasonable notice to the District or the Fiscal Agent. Under such circumstances, in the

event that a successor securities depository is not obtained, Bond certificates are required to be prepared and delivered as described in the Indenture.

The District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be prepared and delivered as described in the Indenture.

Funds and Accounts

Any amounts remaining on deposit in the Special Tax Fund when there are no longer any Bonds Outstanding will be transferred to the Rebate Fund, if necessary, and otherwise will be transferred to the District and used for any lawful purpose under the Act.

Administrative Expense Fund. On or before the date amounts are needed to pay Administrative Expenses, the Fiscal Agent will withdraw from the Special Tax Fund and place in the Administrative Expense Fund an amount necessary, together with amounts on deposit therein, to pay all Administrative Expenses. The Fiscal Agent will pay the Administrative Expenses upon written instruction of the District. The Fiscal Agent will transfer all amounts remaining on deposit in the Administrative Expense Fund on the final maturity of the Bonds, after payment of any accrued Administrative Expenses, to the Special Tax Fund.

Bond Service Fund. On or before February 20 and August 20 of each year, the Fiscal Agent will withdraw from the Special Tax Fund, the Earnings Fund and the Reserve Fund to the extent required, and place in the Bond Service Fund an amount equal, together with amounts on deposit therein, to all of the principal (including mandatory sinking fund payments) and all of the interest due and payable on all of the Bonds on the next Interest Payment Date. On or before the Business Day prior to each Interest Payment Date, the Fiscal Agent will pay to the Paying Agent an amount equal to the interest and principal due and payable on the Bonds on such Interest Payment Date. The Fiscal Agent will transfer any moneys remaining in the Bond Service Fund when there are no longer Bonds Outstanding to the Special Tax Fund.

Reserve Fund. The Indenture provides that in the Reserve Fund there will be maintained an amount equal to the Reserve Requirement. Moneys in the Reserve Fund, including draws on the Reserve Facility, if any, will be used solely for the purpose of paying the principal of and interest on the Bonds in the event that the moneys in the Bond Service Fund are insufficient therefor, and for that purpose the Fiscal Agent will withdraw from the Reserve Fund, for deposit in the Bond Service Fund, moneys necessary for such purpose. If the amount on deposit in the Reserve Fund, including the Reserve Facility, if any, is less than the Reserve Requirement, the Fiscal Agent will notify the District of the amount needed to replenish the Reserve Fund to the Reserve Requirement and the District will collect such deficiency either through including such amount in the next annual Special Tax levy, to the extent permitted by law and the Ordinance, or otherwise. If amounts on deposit in the Reserve Fund, including draws on the Reserve Facility, if any, are less than the Reserve Requirement, after making the required transfers to the Administrative Expense Fund and the Bond Service Fund, the Fiscal Agent will transfer to the Reserve Fund from the first available moneys in the Special Tax Fund, an amount necessary to increase the balance therein to the Reserve Requirement. If on July 1 of each year, the amount on deposit

in the Reserve Fund is in excess of the Reserve Requirement, the Fiscal Agent will transfer such excess to the Bond Service Fund, as provided in the Indenture. Moneys in the Reserve Fund will be transferred to the Bond Service Fund on the final maturity of the Bonds and applied to the payment of principal of and interest on the last outstanding maturity of the Bonds.

Costs of Issuance Fund. The Fiscal Agent will disburse moneys from the Costs of Issuance Fund on such dates and in such amounts as are necessary to pay Costs of Issuance, in each case in accordance with a Payment Request Form together with invoices therefore. Any amounts remaining on deposit in the Costs of Issuance Fund on the earlier of the date on which the District has notified the Fiscal Agent in writing that all Costs of Issuance have been paid or one year after the initial deposit of such amounts in the Costs of Issuance Fund will be transferred to the Bond Service Fund. Costs of Issuance will be paid directly to the person, corporation or entity entitled to payment hereunder and named as Payee on the applicable Payment Request Form. Notwithstanding anything to the contrary in the Indenture, the Fiscal Agent may rely on an executed Payment Request Form as complete authorization for any payments.

Rebate Fund. The Fiscal Agent will establish and maintain with respect to the Bonds a fund separate from any other fund established and maintained under the Indenture designated as the Rebate Fund. All money at any time deposited in the Rebate Fund will be held by the Fiscal Agent in trust, to the extent required to satisfy the Rebate Amount (as defined in the Tax Certificate), for payment to the United States of America. Neither the District nor the Owner of any Bonds will have any rights in or claim to such money. All amounts on deposit in the Rebate Fund will be governed by the Indenture and by the Tax Certificate. The Fiscal Agent will be deemed conclusively to have complied with such provisions if it follows the directions of the District including supplying all necessary information in the manner provided in the Tax Certificate, and will have no liability or responsibility to enforce compliance by the District with the terms of the Tax Certificate.

Upon the District's written direction, an amount equal to the Rebate Requirement specified to the Fiscal Agent will be deposited into the Rebate Fund by the Fiscal Agent from balances in the following funds and accounts and in the following order of priority: (i) from the Earnings Fund, (ii) from the Special Tax Fund, and (iii) from the Reserve Fund, so that the balance in the Rebate Fund after such deposit will equal the Rebate Amount for the Bond Year (as such term is defined in the Tax Certificate) calculated as of the most recent Calculation Date (as defined in the Tax Certificate). Computations of the Rebate Amount will be furnished by or on behalf of the District in accordance with the Tax Certificate.

The Fiscal Agent will have no obligation to rebate any amounts required to be rebated pursuant to the Indenture, other than from moneys held in the funds and accounts created under the Indenture or from other moneys provided to it by the District.

The Treasurer will invest all amounts held in the Rebate Fund at the written direction of the District in Authorized Investments, subject to the restrictions set forth in the Tax Certificate. The Fiscal Agent will retain all earnings (calculated by taking into account net gains or losses on sales or exchanges and taking into account amortized discount or premium as a gain or loss, respectively) on investments held in the Rebate Fund. Money will not be transferred from the Rebate Fund except as provided for in the Indenture.

Upon receipt of the District's written directions, the Fiscal Agent will remit part or all of the balances in the Rebate Fund to the United States, as so directed. In addition, if on the first day of any Bond Year the amount credited to the Rebate Fund exceeds the Rebate Requirement, and the District so directs, the Fiscal Agent will deposit moneys into or transfer moneys out of the Rebate Fund from or into such accounts or funds as directed by the District's written directions. Any funds remaining in the Rebate

Fund after redemption and payment of all of the Bonds and payment and satisfaction of any Rebate Amount will be withdrawn and remitted to the District.

Notwithstanding any other provision of the Indenture, the obligation to remit the Rebate Amounts to the United States and to comply with all other requirements of the Indenture and the Tax Certificate will survive the defeasance or payment in full of the Bonds.

Redemption Fund. Prior to any redemption date, other than a Mandatory Sinking Fund Redemption Date, the Fiscal Agent will deposit in the Redemption Fund moneys available for the purpose and sufficient to redeem, at the redemption prices payable as provided in the Indenture, the Bonds designated for redemption. Such moneys must be set aside in the Redemption Fund solely for that purpose and will be transferred to the Paying Agent on or before the applicable redemption date and be applied by the Paying Agent on or after the redemption date to the payment of the redemption price on the Bonds to be redeemed upon presentation and surrender thereof. Any moneys remaining in the Redemption Fund when there are no longer Bonds Outstanding will be transferred to the Special Tax Fund.

Earnings Fund. The Fiscal Agent will establish and maintain for the administration and control of investment earnings on District receipts an Earnings Fund. The Fiscal Agent will directly deposit investment earnings of the Cost of Issuance Fund, the Reserve Fund and the Earnings Fund into the Earnings Fund. The District will at least annually direct the transfer of all amounts in the Earnings Fund accrued to the transfer date, less any actual or estimated amounts due to the Rebate Fund, to the Bond Service Fund.

Investment of Moneys

Obligations purchased as investments of moneys in any fund or account in which investments are authorized will be deemed at all times to be a part of such fund or account. Earnings on the investment of moneys on deposit in any fund or account established pursuant to the Indenture (except the Special Tax Fund, Administrative Expense Fund, Bond Service Fund and the Rebate Fund) will be deposited to the Earnings Fund and applied pursuant to the Indenture. Earnings on the investment of any moneys on deposit in the Special Tax Fund, Administrative Expense Fund, Bond Service Fund or the Rebate Fund will be held in each such fund or account. Subject to the restrictions set forth in the Indenture, moneys in said funds and accounts may be from time to time invested by the Treasurer at the written direction of an Authorized Representative of the District, or if no such written direction is given, in any manner the Treasurer deems appropriate, in Authorized Investments so long as:

(a) Moneys in the Administrative Expense Fund will be invested in obligations that will by their terms mature no later than the date on which moneys must be available to meet scheduled payments of Administrative Expenses;

(b) Moneys in the Bond Service Fund will be invested only in obligations which will by their terms mature on such dates so as to ensure the payment of principal and interest on the Bonds as the same become due; and

(c) Half of the moneys in the Reserve Fund may be invested in Authorized Investments which will mature not more than two years from the date of purchase by the Treasurer and the balance will be invested in Authorized Investments which will mature not more than five years from the date of purchase by the Treasurer; provided no such investment will mature later than the final maturity of the Bonds; provided further, if such investments may be redeemed at par on the Business Day prior to each

Interest Payment Date, any amount of the Reserve Fund may be invested in such redeemable investments of any maturity on or prior to the final maturity of the Bonds.

Subject to the restrictions set forth in the Indenture, the Treasurer will sell at the best price obtainable or present for redemption any obligations so purchased whenever it may be necessary to do so in order to provide moneys to meet any payment or transfer for such funds and accounts or from such funds and accounts. For the purpose of determining at any given time the balance in any fund or account, any such investments constituting a part of such fund and account will be valued at their original cost. Notwithstanding anything in the Indenture to the contrary, the Treasurer will not be responsible for any loss from any investments authorized pursuant to the Indenture.

Covenants

The District has made the following covenants in the Indenture, among others, for the benefit of the Bondowners:

(a) The District will duly and punctually pay or cause to be paid the principal of, premium (if any) and interest on every Bond issued under the Indenture to the extent Net Taxes are available therefor, in strict conformity with the terms of the Bonds and the Indenture and will faithfully observe and perform all of the conditions, covenants and requirements of the Indenture as it may be amended from time to time.

(b) Subject to the limitations on the rate of Special Taxes, the District will levy or cause to be levied the Special Taxes in an amount anticipated to be sufficient (after taking into account anticipated delinquencies in the payment of Special Taxes), together with any moneys on deposit in the Special Tax Fund or the Bond Service Fund (and, with respect to the final Bond Year, in the Reserve Fund) and anticipated to be available, to pay principal of, premium (if any) and interest on the Bonds, Administrative Expenses and any amounts required to maintain the Reserve Fund at the Reserve Requirement.

(c) If the Fiscal Agent determines at any time that the balance in the Reserve Fund is less than the Reserve Requirement as the result of the failure by one or more owners of real property to pay Special Taxes when due, the District will commence and diligently prosecute to completion such foreclosure proceedings as may be necessary to restore the Reserve Fund balance to the Reserve Requirement.

(d) The District will keep proper books of record and accounts, separate from all other records and accounts of the County, in which complete and correct entries will be made of all transactions relating to the Project, the levy of the Special Tax and the deposits to the Special Tax Fund. Such books of record and accounts will at all times during business hours be subject to the inspection of the Fiscal Agent or the Owners of not less than 10% of the principal amount of the Bonds then Outstanding or their representatives authorized in writing.

(e) In order to maintain the exclusion from gross income for Federal income tax purposes of the interest on the Bonds, the District covenants in the Indenture to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Code in that the District agrees to comply with the Tax Certificate for the Bonds issued thereunder, as each such Tax Certificate may be amended from time to time, as a source of guidance for compliance with such provisions. The Fiscal Agent and the Paying Agent each agree to comply with any written instructions received from the District which the District indicates must be followed in order to comply with the Tax Certificate. The Indenture provides that the tax covenant will survive the payment, redemption or defeasance of the Bonds.

(f) The District will do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the District under the provisions of the Indenture. The District warrants that upon the date of execution and delivery of the Bonds, all conditions, acts and things required by law and the Indenture to exist, to have happened and to have been performed precedent to and in the execution and delivery of such Bonds do exist, have happened and have been performed and the execution and delivery of the Bonds will comply in all respects with the applicable laws of the State.

(g) The District will not directly or indirectly extend the maturity dates of the Bonds or the time of payment of interest with respect thereto. Nothing in the Indenture will be deemed to limit the right of the District to issue any securities for the purpose of providing funds for the redemption of the Bonds and such issuance will not be deemed to constitute an extension of the maturity of the Bonds.

(h) The District will preserve and protect the security of the Bonds and the rights of the Owners against all claims and demands of all persons, and will faithfully perform and abide by all of the covenants, undertakings and provisions contained in the Indenture or in any Bond issued pursuant to the Indenture and will contest by court action or otherwise (a) the assertion by any officer of any government unit or any other person whatsoever against the District that (i) the Act is unconstitutional, (ii) the Special Tax is invalid, or (iii) the Special Taxes cannot be paid by the District for the debt service, or (b) any other action affecting the validity of the Bonds or diluting the security therefore, or (c) any assertion by the United States of America or any department or agency thereof or any other person that the interest received by the bondholders is includable in gross income for federal income tax purposes, to the extent there are Special Taxes available for such purpose.

(i) The District covenants and agrees in the Indenture that it will comply with and carry out all of its obligations under the Continuing Disclosure Undertaking. Notwithstanding any other provision of the Indenture, failure of the District to comply with its obligations under the Continuing Disclosure Undertaking will not be considered an event of default under the Indenture, and the sole remedy, in the event of any failure of the District to comply with the Continuing Disclosure Undertaking will be an action to compel performance. Upon receipt of indemnification to its satisfaction, the Fiscal Agent will at the request of any Participating Underwriter or the Owners of a majority in aggregate principal amount of Outstanding Bonds or any Bondowner or Beneficial Owner (as defined in the Continuing Disclosure Undertaking) take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. For purposes of this Section, "Beneficial Owners," means any person that (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

(j) The covenants contained in the Indenture are covenants of the District only and anything in the Indenture to the contrary notwithstanding, no covenant contained therein will be deemed to have been made by the County, other than any such covenant it may have made in its capacity as legislative body of the District, Fiscal Agent or Paying Agent.

Conditions for the Issuance of Additional Bonds

Following the issuance of the Bonds additional bonds are permitted to be issued upon satisfaction of such conditions set forth in the Act, the Indenture, and such other conditions as the District may impose. The District may at any time issue one or more Series of Bonds (in addition to the Bonds) payable from the proceeds of the Special Taxes as provided in the Indenture on a parity with all other

Series of Bonds issued under the Indenture, but only subject to the following conditions, which have been made conditions precedent to the issuance of such Series of Bonds:

(a) The issuance of such Series of Bonds must be authorized under and pursuant to the Act and under and pursuant to the Indenture and provided for by a Supplemental Indenture which will specify the following:

(1) The purpose for which such Series of Bonds is to be issued; provided, that the proceeds of the sale of such Series of Bonds will be applied solely for the purpose of providing funds (i) to pay for the costs of the acquisition and construction of the Project, including costs incidental to or connected with such acquisition or (ii) to refund any Outstanding Bonds issued under the Indenture, including the payment of all costs incidental to or connected with financing;

(2) The principal amount and designation of such Series of Bonds and the denomination or denominations of the Bonds of such Series;

(3) The date, the maturity date or dates, the interest payment dates and the dates on which mandatory sinking fund payments are due, if any, for such Series of Bonds; provided, that (i) the Serial Bonds of such Series of Bonds will be payable as to principal annually on September 1 of each year in which principal falls due, and the Term Bonds of such Series of Bonds will have annual mandatory redemption on September 1, (ii) the bonds of such Series of Bonds will be payable as to interest semiannually on March 1 and September 1 of each year, except that the first installment of interest may be payable on either March 1 or September 1 and will be for a period of not longer than twelve (12) months and the interest will be payable thereafter semiannually on March 1 and September 1, (iii) all bonds of a Series of like maturity will be identical in all respects, except as to number or denomination, and (iv) serial maturities of Serial Bonds or mandatory sinking fund payments for Term Bonds, or any combination thereof, will be established to provide for the redemption or payment of such Series of Bonds on or before their respective maturity dates;

(4) The redemption premiums and terms, if any, for such Series of Bonds;

(5) The form of the bonds of such Series;

(6) The amount to be deposited from the proceeds of sale of such Series of Bonds in the Reserve Fund; provided, that the Reserve Fund will be increased at the time that such Series of Bonds becomes Outstanding to an amount at least equal to the Reserve Requirement, and an amount at least equal to the Reserve Requirement will be maintained in the Reserve Fund;

(7) Such other provisions that are appropriate or necessary and are not inconsistent with the provisions hereof.

(b) The District will comply with all agreements, conditions, covenants and terms contained in the Indenture and in all Supplemental Indentures required to be observed or performed by it; and

(c) The District must receive a certificate from one or more Independent Consultants which, when taken together, certify that (i) on the basis of the parcels of land and improvements existing in Improvement Area A as of the March 1 preceding the proposed issuance of the additional Series of Bonds, the amount of maximum Special Taxes that may be levied by the District pursuant to the Act, the Ordinance and the applicable resolutions of the District for each Bond Year that the Bonds will be Outstanding, after subtracting an amount determined by the District to be necessary to pay Administrative Expenses, is at least 1.1 times Maximum Annual Debt Service on all Outstanding Bonds, including the Series of Bonds proposed to be issued, (ii) the fair market value of the land in Improvement Area A is at least three times the debt allocable to Improvement Area A, and (iii) the fair market value of the Undeveloped Property within Improvement Area A is at least three times the debt allocable to such Undeveloped Property; provided, however, that if the fair market value of the Undeveloped Property is less than three times the debt allocable to such Undeveloped Property, a credit support in form and substance satisfactory to the District is provided to secure the payment of the Special Taxes due on such Undeveloped Property. In making the calculations under (ii) and (iii) above, the fair market value of the land will be the appraised value of the land, including then existing improvements and any facilities to be constructed or acquired with the proceeds of the proposed Series of Bonds, as determined by an appraisal selected by the County, and the debt allocable to the land will be the sum of (A) the portion of the aggregate principal amount of all Bonds then Outstanding (including for purposes of this calculation under this paragraph (A) the Series of Bonds proposed to be issued) equal to the aggregate principal amount of all Bonds Outstanding multiplied by a fraction the numerator of which is the amount of special taxes levied for all Bonds on such land and the denominator of which is the total amount of special taxes levied for all Bonds on all land (such fraction to be determined based upon the maximum special taxes which could be levied the year in which Maximum Annual Debt Service on all Bonds occurs), based upon land use classifications existing from the most recently available Fiscal Year, plus (B) the pro rata portion of the principal amount of all assessment district bonds then outstanding which at the time of calculation are payable from assessments to be levied on such land, plus (C) a portion of the aggregate principal amount of other community facilities district bonds then outstanding and payable at least partially from special taxes to be levied on such land (the "Other CFD Bonds") equal to the aggregate principal amount of the Other CFD Bonds multiplied by a fraction, the numerator of which is the amount of special taxes levied for the Other CFD Bonds on such land, and the denominator of which is the total amount of special taxes levied for the Other CFD Bonds on land (such fraction to be determined based upon the maximum special taxes which could be levied the year in which maximum annual debt service on the Other CFD Bonds occurs, except in the case of debt secured by ad valorem taxes such fraction shall be determined based on the taxes levied for the current Fiscal Year), based upon the land use classifications existing from the most recently available Fiscal Year. For purposes of making the certifications required by this subparagraph (c), the Independent Consultants may rely on reports or certificates of such other persons as may be acceptable to the District, Bond Counsel and the underwriter of the proposed Series of Bonds.

Provided, that nothing contained in the Indenture will limit the issuance of any special tax bonds of the District payable from Special Taxes as provided in the Indenture if after the issuance and delivery of such special tax bonds none of the Bonds issued pursuant to the Indenture will be Outstanding.

Supplemental Indentures

The District, the Paying Agent and the Fiscal Agent may from time to time, and at any time, without notice to or consent of any of the Bondowners, enter into such Supplemental Indentures as will not be inconsistent with the terms and provisions of the Indenture (which Supplemental Indentures or agreements will thereafter form a part of the Indenture) for any of the following purposes:

- (a) To cure any ambiguity, to correct or supplement any provision therein which may be inconsistent with any other provision therein, or to make any other provision with respect to matters or questions arising under the Indenture or in any Supplemental Indenture, provided that such action will not adversely affect the interests of the Bondowners;
- (b) To add to the covenants and agreements of and the limitations and the restrictions upon the District contained in the Indenture, other covenants, agreements, limitations and restrictions to be observed by the District which are not contrary to or inconsistent with the Indenture as theretofore in effect;
- (c) To authorize the issuance of additional Bonds, subject to the terms of the Indenture; and
- (d) To modify, alter, amend or supplement the Indenture for any reason in any other respect which is not materially adverse to the interests of Bondowners.

Exclusive of the Supplemental Indentures referred to above, the Owners of not less than 60% in aggregate principal amount of the Bonds then Outstanding will have the right to consent to and approve the execution of such Supplemental Indentures as will be deemed necessary or desirable for the purpose of waiving, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Indenture or in any Supplemental Indenture or agreement; provided, however, that nothing in the Indenture will permit, or be construed as permitting, (a) an extension of the maturity date of the principal of, or the payment date of interest on, any Bond, (b) a reduction in the principal amount of, or redemption price of, any Bond or the rate of interest thereon, (c) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (d) a reduction in the aggregate principal amount of the Bonds the Owners of which are required to consent to such Supplemental Indenture, without the consent of the Owners of all Bonds then Outstanding. Nothing in the Indenture, however, will be construed as making necessary the approval by Bondowners of the execution of any Supplemental Indentures or agreements.

If at any time the District will desire to enter into a Supplemental Indenture, which pursuant to the terms of the Indenture will require the consent of the Bondowners, the District will so notify the Paying Agent and will deliver to the Paying Agent a copy of the proposed Supplemental Indenture. The Paying Agent will, at the expense of the District, cause notice of the proposed Supplemental Indenture (or a summary thereof) to be mailed, by first class mail postage prepaid, to all Bondowners at their addresses as they appear in the Bond Register. Such notice will briefly set forth the nature of the proposed Supplemental Indenture and will state that a copy thereof is on file at the office of the Authorized Representative of the District for inspection by all Bondowners. The failure of any Bondowners to receive such notice will not affect the validity of such Supplemental Indenture when consented to and approved by the Owners of not less than 60% in aggregate principal amount of the Bonds then Outstanding as required by the Indenture. Whenever at any time within one year after the date of the first mailing of such notice, the Paying Agent will receive an instrument or instruments purporting to be executed by the Owners of not less than 60% in aggregate principal amount of the Bonds then

Outstanding, which instrument or instruments will refer to the proposed Supplemental Indenture described in such notice, and will specifically consent to and approve the Supplemental Indenture substantially in the form of the copy referred to in such notice as on file with the Authorized Representative of the District, such proposed Supplemental Indenture, when duly entered into by the District and the Paying Agent, will thereafter become a part of the proceedings for the issuance of the Bonds. In determining whether the Owners of 60% of the aggregate principal amount of the Bonds have consented to the adoption of any Supplemental Indenture, Bonds which are known to the Paying Agent to be owned by the District or by any person directly or indirectly controlling or controlled by or under the direct or indirect common control with the District, will be disregarded and will be treated as though they were not Outstanding for the purpose of any such determination.

Upon the execution and delivery by the District and the Paying Agent of any Supplemental Indenture and the receipt of consent to any such Supplemental Indenture from the Owners of not less than 60% in aggregate principal amount of Bonds Outstanding in instances where such consent is required pursuant to the Indenture, the Indenture will be, and will be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under the Indenture of the District, the Paying Agent, the Fiscal Agent and all Owners of Bonds then Outstanding will thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

Defeasance

The Indenture provides that if the District will pay or cause to be paid, or there will otherwise be paid, to the Owners of all Outstanding Bonds the interest due thereon, the principal thereof, at the times and in the manner stipulated in the Bonds and in the Indenture, then the Owners will cease to be entitled to the pledge of Net Taxes, and all covenants, agreements and other obligations of the District to the Owners under the Indenture will thereupon cease, terminate and become void and be discharged and satisfied, except the District's obligations to comply with the tax covenants in the Indenture. In such event, the Fiscal Agent and the Paying Agent, as appropriate, will execute and deliver to the District such instruments as may be desirable to evidence such discharge and satisfaction, and the Fiscal Agent and the Paying Agent, as appropriate, will pay over or deliver to the District all money or securities held by them pursuant to the Indenture which are not required for the payment of the interest due and on the principal of such Bonds.

Bonds for the payment of which money will have been set aside (through deposit by the District or otherwise) to be held in trust by the Paying Agent for such payment at the maturity date thereof will be deemed, as of the date of such setting aside, to have been paid within the meaning and with the effect expressed in the above paragraph.

Any Outstanding Bonds will prior to the maturity date thereof be deemed to have been paid within the meaning and with the effect expressed in the first paragraph of this section above if (1) there will have been deposited with the Paying Agent either money in an amount which will be sufficient, or Federal Securities the principal of and the interest on which when paid will provide money which, together with the money, if any, deposited with the Paying Agent at the same time, will be sufficient to pay when due the interest due and to become due on such Bonds on and prior to the maturity date thereof, and the principal of such Bonds and (2) the District will have given the Paying Agent in form satisfactory to it irrevocable instructions to mail, as soon as practicable, a notice to the Owners of such Bonds that the deposit required by (1) above has been made with the Paying Agent and that such Bonds are deemed to have been paid in accordance with the Indenture and stating the maturity date upon which money is to be available for the payment of the principal of such Bonds. The sufficiency of any such deposit, other than money alone, must be verified by the report of an independent certified public accountant.

Neither Federal Securities nor money deposited with the Paying Agent pursuant to the Indenture nor interest or principal payments on any such Federal Securities will be withdrawn or used for any purpose other than, and will be held in trust for, the payment of the interest on and principal of such Bonds; provided that any cash received from such interest or principal payments on such Federal Securities deposited with the Paying Agent, if not then needed for such purpose, will, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the interest on and principal of such Bonds on and prior to such maturity thereof, and interest earned from such reinvestments will be deposited in the Special Tax Fund. For purposes of the Indenture, Federal Securities will mean and include only such securities as are not subject to redemption prior to their maturity.

Events of Default and Remedies

The Indenture states that any one or more of the following events will constitute an "Event of Default" thereunder:

- (a) Default in the due and punctual payment of the principal of, or redemption premium, if any, on any Bond when and as the same will become due and payable, whether at maturity as therein expressed, by declaration or otherwise;
- (b) Default in the due and punctual payment of the interest on any Bond when and as the same will become due and payable; or
- (c) Default by the District in the observance of any of the agreements, conditions or covenants on its part in the Indenture or in the Bonds contained (other than a payment default referred to in subparagraph (a) and (b) above), and the continuation of such default for a period of 60 days after the District will have been given notice in writing of such default by the Fiscal Agent; provided that if within 60 days the District has commenced curing of the default and diligently pursues elimination thereof, such period will be extended to permit such default to be eliminated.

Following the occurrence of an event of default, the Indenture provides that any Owner will have the right for the equal benefit and protection of all Owners similarly situated:

- (a) By mandamus or other suit or proceeding at law or in equity to enforce his or her rights against the District and any of the members, officers and employees of the District, and to compel the District or any such members, officers or employees to perform and carry out their duties under the Act and their agreements with the Bondowners as provided in the Indenture;
- (b) By suit in equity to enjoin any actions or things which are unlawful or violate the rights of the Bondowners; or
- (c) By a suit in equity to require the District and its members, officers and employees to account as the trustee of an express trust.

Nothing in the Indenture, or in the Bonds, will affect or impair the obligation of the District, which is absolute and unconditional, to pay the interest on and principal of the Bonds to the respective Owners thereof at the respective dates of maturity, as provided in the Indenture, out of the Net Taxes pledged for such payment, or affect or impair the right of action, which is also absolute and unconditional, of such Bondowners to institute a suit to enforce such payment by virtue of the contract embodied in the Bonds and in the Indenture.

A waiver of any default or breach of duty or contract by any Owner will not affect any subsequent default or breach of duty or contract, or impair any rights or remedies on any such subsequent default or breach. No delay or omission by any Owner to exercise any right or power accruing upon any default will impair any such right or power or will be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Owners by the Act or by Article X of the Indenture may be enforced and exercised from time to time and as often as will be deemed expedient by the Owners.

If any suit, action or proceeding to enforce any right or exercise any remedy is abandoned or determined adversely to the Owners, the District and the Owners will be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

No remedy conferred upon or reserved pursuant to the Indenture to the Owners is intended to be exclusive of any other remedy. Every such remedy will be cumulative and will be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law.

Any suit, action or proceeding which any Owner will have the right to bring to enforce any right or remedy to the Indenture may be brought by the Fiscal Agent for the equal benefit and protection of all Owners, and the Fiscal Agent has been appointed (and the successive respective Owners of the Bonds, by taking and holding the same, will be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the Owners as a class or classes, as may be necessary or advisable in the opinion of the Fiscal Agent as such attorney-in-fact.

Paying Agent and Fiscal Agent

Under the terms of the Indenture, the District has appointed the Treasurer and Tax Collector of the County, as the Paying Agent and the Auditor-Controller of the County, as Fiscal Agent. The Treasurer has initially contracted with U.S. Bank National Association, to act as agent for the Paying Agent. The Paying Agent is authorized under the Indenture to and will mail interest payments to the Bondowners, select Bonds for redemption, give notice of redemption and meetings of Bondowners, and maintain the Bond Register. The Paying Agent is authorized to pay the principal of and premium, if any, on the Bonds when the same are duly presented to it for payment at maturity or on call and redemption, to provide for the registration of transfer and exchange of Bonds presented to it for such purposes, provide for the cancellation of Bonds, all as provided in the Indenture, and provide for the authentication of Bonds, and will perform all other duties assigned to or imposed on it as provided in the Indenture. The Paying Agent will keep accurate records of all Bonds paid and discharged by it.

The Fiscal Agent is authorized under the Indenture to and will maintain and administer the funds and accounts established pursuant to the Indenture. The Fiscal Agent will keep accurate records of all funds administered by it.

The Paying Agent and Fiscal Agent initially appointed and any successor thereto may each be removed by the District and a successor or successors may be appointed. So long as any Bonds are Outstanding and unpaid, the Paying Agent, the Fiscal Agent and any successor or successors thereto designated by the District will continue to be Paying Agent and Fiscal Agent, respectively, of the District for all of said purposes until the designation of a successor or successors.

The recitals of fact and all promises, covenants and agreements contained in the Indenture and in the Bonds will be taken as statements, promises, covenants and agreements of the District, and the Paying Agent and the Fiscal Agent assume no responsibility for the correctness of the same and make no representations as to the validity or sufficiency of the Indenture or of the Bonds, and will incur no responsibility in respect thereof, other than in connection with its duties or obligations set forth in the Indenture or in the Bonds or in the certificate of authentication and registration assigned to or imposed upon the Paying Agent or Fiscal Agent, as applicable. The Paying Agent will be under no responsibility or duty with respect to the issuance of the Bonds for value. Neither the Paying Agent nor Fiscal Agent will be liable in connection with the performance of their respective duties hereunder, except for their respective negligence or default.

SECTION 3. Investment of Moneys. The Escrow Holder acknowledges receipt of the moneys described in Section 2 hereof as set forth in Schedule A hereto, and agrees immediately to invest such moneys in the Federal Securities set forth in Schedule B hereto and to deposit such Federal Securities in the Escrow Fund and to reinvest in Federal Securities, any payment of principal and interest on such Federal Securities at the times and in the amounts set forth on Schedule B hereto. All other amounts held in the Escrow Fund shall be held as cash except as provided in Section 4 and 5 herein.

SECTION 4. Investment of Any Remaining Moneys. In the event that the Escrow Holder shall receive (i) any cash payment not required for the initial purchase of Federal Securities set forth in Schedule B hereto, or (ii) any payment of principal or interest from the Federal Securities prior to the date on which such payment is required for the purposes set forth herein other than as set forth on Schedule B, then, at the written direction of the District, the Escrow Holder shall reinvest the amount of such payment, or any portion thereof, in noncallable Federal Securities maturing in an amount at least equal to the purchase price thereof and maturing not later than the date on which such payment or portion thereof is required for the purposes set forth in Section 7, as verified in a report (a "Verification Report") prepared by an independent certified public accountant or firm of certified public accountants of favorable national reputation experienced in the refunding of obligations of political subdivisions (a "Verification Agent") and provided the District has obtained and delivered to the Escrow Holder an unqualified opinion of nationally recognized bond counsel that such reinvestment will not adversely affect the exclusion from gross income of interest payable on the Bonds or the Refunded Bonds for purposes of federal income taxation. The Escrow Holder shall monitor compliance with the foregoing requirements. Any investment income resulting from investment or reinvestment of moneys pursuant to this Section 4 which is not required for the purposes set forth in this Section 4 or in Section 7, as verified in the letter of the Verification Agent with respect to the Refunded Bonds, Causey Demgen & Moore, Inc., certified public accountants, originally obtained by the District in the Verification Report with respect to the refunding of the Refunded Bonds or in any other verification report, shall be paid to the District upon the written direction of the District.

SECTION 5. Substitution of Securities. Upon the written request of the District, which request shall be subject to the conditions and limitations herein set forth and applicable governmental rules and regulations, the Escrow Holder shall sell, redeem or otherwise dispose of the Federal Securities, provided that there are substituted therefor from the proceeds of the Federal Securities, other Federal Securities, but only after the District has obtained and delivered to the Escrow Holder (i) an unqualified opinion of nationally recognized bond counsel that such reinvestment will not adversely affect the exclusion from gross income of interest payable with respect to the Bonds or the Refunded Bonds for purposes of federal income taxation, and (ii) a report by a Verification Agent to the effect that such reinvestment will not adversely affect the sufficiency of the amounts of securities, investments and money in the Escrow Fund to pay the principal of and interest on the Refunded Bonds maturing on September 1, 2003, as and when due, and to pay on September 1, 2003, the principal of and all unpaid interest on the Refunded Bonds maturing on and after September 1, 2004, and the premium of 1% of the principal amount thereof. The Escrow Holder shall not be liable or responsible for any loss resulting from any reinvestment made pursuant to this Escrow Agreement and in full compliance with the provisions hereof.

SECTION 6. Irrevocable Deposit; Express Trust. The escrow created hereby shall upon the issuance of the Bonds be irrevocable, and all moneys, Federal Securities and any securities substituted therefore in accordance with the terms of this Escrow Agreement held in the Escrow

Fund shall be subject to the express trust created by this Escrow Agreement until paid out, used and applied in accordance with this Escrow Agreement.

The deposits made pursuant to Section 2 hereof shall, upon the issuance of the Bonds, constitute an irrevocable deposit for the benefit of the Refunded Bonds, and the moneys and Federal Securities and any securities substituted therefor in accordance with the terms of this Escrow Agreement, together with any interest paid thereon, shall be held in trust, and shall be applied solely by the Escrow Holder in accordance with the provisions of this Escrow Agreement. Neither the Federal Securities, securities substituted therefor, nor moneys deposited with the Escrow Holder under this Escrow Agreement nor principal or interest payments on any such securities shall, except as provided in Sections 7 and 8 hereof, be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal, premium and interest on the Refunded Bonds.

SECTION 7. Payment of Refunded Bonds.

(a) Payment. From the maturing principal of the Federal Securities and the investment income and other earnings thereon and other moneys on deposit in the Escrow Fund, the Escrow Holder shall apply the amounts on deposit in the Escrow Fund to pay the principal of and interest on the Refunded Bonds maturing on September 1, 2003, as and when due, and to pay on September 1, 2003, accrued interest on the Refunded Bonds maturing on and after September 1, 2004, and the redemption price of 101% of the principal amount thereof. THE DISTRICT IRREVOCABLY WAIVES ITS RIGHTS TO REDEEM THE REFUNDED BONDS ON ANY OTHER DATE. Any moneys remaining in the Escrow Fund after payment in full of the principal of, unpaid interest on, and premium, if any, on the Refunded Bonds shall be repaid by the Escrow Holder to the District.

(b) Irrevocable Instructions to Provide Notice. The District hereby irrevocably instructs the Escrow Holder to mail to the owners of the Refunded Bonds in accordance with Section 8.1 of the Prior Indenture a notice that an irrevocable deposit has been made with the Escrow Holder and that the Refunded Bonds have been deemed to be paid all in accordance with the Prior Indenture. The form of the notice required to be mailed pursuant to Section 8.01 of the Prior Indenture is attached hereto as Exhibit A. (c) Unclaimed Moneys. To the extent permitted by law, any moneys which remain unclaimed for (i) two years after the principal of all of the Refunded Bonds has become due and payable, if such moneys were so held at such date, or (ii) two years after the date of deposit of such moneys if such moneys were deposited after said date when all of the Refunded Bonds become due and payable, shall be repaid by the Escrow Holder to the District, provided, however, that before being required to make any such payment to the District, the Escrow Holder shall at the expense of the District cause to be mailed to the owners of such Refunded Bonds a notice that said money remains unclaimed and that, after a date named in such notice, the balance of such money then unclaimed will be returned to the District.

(d) Priority of Payments. The owners of the Refunded Bonds shall have a first and exclusive lien on all moneys and securities in the Escrow Fund until such moneys and such securities are used and applied as provided in this Escrow Agreement.

(e) Termination of Obligation. As provided in the Prior Indenture, upon deposit with the Escrow Holder in the Escrow Fund of moneys or securities in the amounts set forth in Section 2 hereof, and the purchase of the various Federal Securities as provided in Sections 2 and 3 hereof, all liability of the District with respect to such Refunded Bonds shall cease, terminate and be completely discharged, and the owners thereof shall thereafter be entitled only to payment out of such money or securities deposited with the Escrow Holder as aforesaid for their payment, subject however, to Section 7(c) hereof. The Escrow Holder acknowledges receipt of an opinion of Arter & Hadden LLP ("Bond Counsel"), addressed to the District and the Escrow Holder that the Refunded Bonds have been discharged in accordance with the Prior Indenture.

(f) Notice of Redemption. In addition to the Notice of Defeasance as required pursuant to Section 7(b) hereof, the form of which is attached hereto as Exhibit A, the Escrow Holder is irrevocably directed to mail to the owners of the Refunded Bonds a Notice of Redemption as provided by Section 3.05 of the Prior Indenture. The form of such Notice of Redemption is attached hereto as Exhibit B.

SECTION 8. Application of Certain Terms of the Prior Indenture. All of the terms of the Prior Indenture relating to the transfer and exchange and the making of payments of principal and interest on the Refunded Bonds are incorporated in this Escrow Agreement as if set forth in full herein.

SECTION 9. Performance of Duties. The Escrow Holder agrees to perform only the duties set forth herein and shall have no responsibility to take any action or omit to take any action not set forth herein.

SECTION 10. Escrow Holder's Authority to Make Investments. Except as provided in Sections 2, 3, 4, and 5 hereof, the Escrow Holder shall have no power or duty to invest any funds held under this Escrow Agreement or to sell, transfer or otherwise dispose of the moneys held hereunder.

SECTION 11. Indemnity. To the extent permitted by law, the District hereby assumes liability for, and hereby agrees (whether or not any of the transactions contemplated hereby are consummated) to indemnify, protect, save and keep harmless the Escrow Holder and its respective successors, assigns, agents, employees and servants, from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements (including reasonable legal fees and disbursements) of whatsoever kind and nature which may be imposed on, incurred by, or asserted against, the Escrow Holder at any time (whether or not also indemnified against the same by the District or any other person under any other agreement or instrument, but without double indemnity) in any way relating to or arising out of the execution, delivery and performance of this Escrow Agreement, the establishment hereunder of the Escrow Fund, the acceptance of the funds and securities deposited therein, the purchase of the Federal Securities, the retention of the Federal Securities or the proceeds thereof and any payment, transfer or other application of moneys or securities by the Escrow Holder in accordance with the provisions of this Escrow Agreement; provided, however, that the District shall not be required to indemnify the Escrow Holder against the Escrow Holder's own negligence or willful misconduct or the negligence or willful misconduct of the Escrow Holder's respective agents or employees. In no event shall the District or the Escrow Holder be liable to any person by reason of the transactions contemplated hereby other than to each other as set forth in this Section. The indemnities contained in this Section shall survive the termination of this Escrow Agreement.

SECTION 12. Responsibility of Escrow Holder. The Escrow Holder and its agents and servants shall not be held to any personal liability whatsoever, in tort, contract, or otherwise, in connection with the execution and delivery of this Escrow Agreement, the establishment of the Escrow Fund, the acceptance of the moneys or securities deposited therein, the purchase of the Federal Securities or the proceeds thereof, the sufficiency of the Federal Securities to pay the Refunded Bonds or any payment, transfer or other application of moneys or obligations by the Escrow Holder in accordance with the provisions of this Escrow Agreement or by reason of any non-negligent omission or non-negligent error of the Escrow Holder made in good faith in the conduct of its duties. The recitals of fact contained in the "Whereas" clauses herein shall be taken as the statements of the District and the Escrow Holder assumes no responsibility for the

correctness thereof. The Escrow Holder makes no representation as to the sufficiency of the Federal Securities or amounts deposited in the Escrow Fund to accomplish the refunding of the Refunded Bonds or to the validity of this Escrow Agreement as to the District and, except as otherwise provided herein, the Escrow Holder shall incur no liability in respect thereof. The Escrow Holder shall not be liable in connection with the performance of its duties under this Escrow Agreement except for its own negligence or misconduct, and the duties and obligations of the Escrow Holder shall be determined by the express provisions of this Escrow Agreement. The Escrow Holder may consult with counsel, who may or may not be counsel to the District, and in reliance upon the written opinion of such counsel shall have full and complete authorization and protection in respect of any action taken, suffered or omitted by it in good faith in accordance therewith. Whenever the Escrow Holder shall deem it necessary or desirable that a matter be proved or established prior to taking, suffering, or omitting any action under this Escrow Agreement, such matter may be deemed to be conclusively established by a certificate signed by an officer of the District or the County.

SECTION 13. Amendments. This Escrow Agreement is made for the benefit of the District and the owners from time to time of the Refunded Bonds, and it shall not be repealed, revoked, altered or amended without the written consent of all such owners, the Escrow Holder, and the District; provided, however, that the District and the Escrow Holder may, without the consent of, or notice to, such owners, amend this Escrow Agreement or enter into such agreements supplemental to this Escrow Agreement as shall not adversely affect the rights of such owners or the exclusion from gross income of interest payable on the Refunded Bonds for purposes of federal income taxation, and as shall not be inconsistent with the terms and provisions of this Escrow Agreement or the Prior Indenture, for any one or more of the following purposes: (i) to cure any ambiguity or formal defect or omission in this Escrow Agreement; (ii) to grant to, or confer upon, the Escrow Holder for the benefit of the owners of the Refunded Bonds, any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such owners or the Escrow Holder; and (iii) to include under this Escrow Agreement additional funds, securities or properties. The Escrow Holder shall be entitled to rely conclusively upon an unqualified opinion of Bond Counsel, with respect to compliance with this Section, including the extent, if any, to which any change, modification, addition or elimination affects the rights of the owners of the Refunded Bonds or that any instrument executed hereunder complies with the conditions and provisions of this Section.

SECTION 14. Insufficient Funds. If at any time the moneys and investments in the Escrow Fund, including the anticipated proceeds of any earnings thereon, will not be sufficient to make all payments required by this Escrow Agreement, the Escrow Holder shall notify the District in writing, immediately upon its actual knowledge of such deficiency, of the amount thereof and if actually known to it the reason therefor. The Escrow Holder shall have no further responsibility regarding any such deficiency.

SECTION 15. Notices. In the event that this agreement or any provision thereof is severed, amended or revoked, the District shall provide written notice of such severance, amendment or revocation to Moody's Investor Service at 99 Church Street, New York, New

SECTION 16. Term. This Escrow Agreement shall commence upon its execution and delivery and shall terminate on the later to occur of either (i) the date upon which the Refunded Bonds have been paid in accordance with this Escrow Agreement or (ii) the date upon which no unclaimed moneys remain on deposit with the Escrow Holder pursuant to Section 7(c) of this Escrow Agreement.

SECTION 17. Compensation. The Escrow Holder shall receive its reasonable fees and expenses as previously agreed to by the Escrow Holder and the District and any other reasonable fees and expenses approved by the District; provided, however, that under no circumstances shall the Escrow Holder be entitled to any lien whatsoever on any moneys or obligations in the Escrow Fund for the payment of fees and expenses for services rendered or expenses incurred by the Escrow Holder under this Escrow Agreement.

SECTION 18. Severability. If any one or more of the covenants or agreements provided in this Escrow Agreement to be performed on the part of the District or the Escrow Holder should be determined by a court of competent jurisdiction to be contrary to law, such covenants or agreements shall be null and void and shall be deemed separate from the remaining covenants and agreements herein contained and shall in no way affect the validity of the remaining provisions of this Escrow Agreement.

SECTION 19. Counterparts. This Escrow Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as an original but all of which shall constitute and be but one and the same instrument.

SECTION 20. Governing Law. This Escrow Agreement shall be construed under the laws of the State of California.
